Murder by Misadventure Edward Taylor, 1992 What happens when two writers who have worked together for years start to hate each other? The team has won awards and made money. Harry Kent has saved and invested and now lives with a glamorous wife in a sun-drenched luxury flat high above the Sussex coast where the play is set. It is a hi-tech paradise with only one snag: it's built on the site of an Ancient British sacrificial stone where black magic was practiced, and now there are strange noises in the night. Paul Riggs has spent his fees on booze and birds, and he lives in dread of bookie's heavies. Harry wants to break the partnership that is Paul's lifeline, but Paul knows a sinister secret from Harry's past. They are therefore locked together in a dance from which murder seems the only escape, and they have just plotted the perfect crime for the latest TV film.

Desperado City Rebecca Coleman, 2009-08-01 When 14-year-old Elizabeth is found dead in the haunted house of a failing Catskills theme park, most of the citizens of nearby Eden Grove believe she must have taken her own life. However, the town's promising snowboard star Danielle thinks otherwise. She suspects a motive much darker than depression and becomes preoccupied with the circumstances surrounding the case. As the evidence grows, Danielle finds reasons to suspect many of her friends, and then she discovers that Avery, the runaway son of the park's owner, has turned up living in the hayloft of the petting zoo barn. Even more disturbing, he's convinced he's on a mission from God.

Writing Lines Tony Stuart, 2016-06-25 George Gordon Wentworth, 1946-2011 lived a humdrum life. He was a barely adequate teacher in a fairly world-renowned independent school in Kent and kept a copious diary of his quotidian existence. Most of what he recorded was drab. However, amongst all the utterly uninteresting tailings of his life, there were some

nuggets and grains to catch the attention The precious incidents worth recording all reflect the fact that Wentworth was for the most part an unwitting fool whose antics and pratfalls made him a major figure of fun In this book his editor has panned out twenty six episodes which taken together give us what is the best of Wentworth pure comedy gold From losing all the pupils in his charge on a school trip to being arrested on suspicion of terrorism from waking up in bed between the married couple the morning after their wedding to destroying a ski run from appearing full frontal naked in a sheep farmers gazette to triggering an air sea rescue Wentworth was blinkered and befuddled the subject of these and of so many more unlikely but highly amusing events Buy and read this book and you will find that laughter like life is cheap *Get the Way* Tochukwu Callistus Ipere,2011-10-07 *Get The Way* is a book that tries to invest its literary devices in discovering the true nature of success by virtue of the fact that it investigates different aspect of man s effort to get the right way to success The attempt in this poetic story to describe the way is borne out of the desire to bring forth the best of discipline modesty comfort and all the empathy and sympathy that go with it The poetic story is built around some characters Tobenna Pauliana Dr Serenade and Verana The beauty of the works lie in the fact that they can apply to many individuals from many points of views personality angles and priority focuses This 100 poems piece is imbued with denotative connotative as well as subtle trials at spiritual dimensions that make it a possible tribute to God Almighty The attention of the reader is called from time to time to the interesting power of the Almighty over all that be on earth The reader is therefore encouraged to make personal meanings out of the poetic story Tochuwku C Ipere esq **The Pointless Adventures of Dartman & Cueball - Forbidden Loot** Henry Harding,2012-06-18 PART II OF THE DARTMAN CUEBALL SAGA Bank robberies burglaries casino heists tax evasion probably kidnappings ransomings This sounds like yet another job for the police But Commissioner Wilson who is every bit as wise as he is senile has done away with 99 93%% of his police force in a mad cost cutting exercise that has left Topham City s already stretched blue line of law and order thinner than ever Nowadays the only crime fighting weapons at his disposal are Frankie Corleone his cowardly Chief of Police and Officer Maybe his last remaining copper Oh and a couple of unpredictable fist happy maniacs from the local mental hospital who are more than happy to work for free
