Bruce Kimmel,2012-03-12 Just as Frank Sinatra had an additional and invaluable career as the great preservationist and evangelist of the American popular song with particular focus on the Lost and Found so author actor singer director Bruce Kimmel has additionally served the cause of Broadway and Hollywood beyond measure producing some of the most memorable vocalists of our time in recordings that give new life to music that might otherwise be forgotten while renewing and revitalizing the theatrical canon with his impeccable taste and unerring musicality In his usual engaging and endearing style he at last gives us a first hand view of his process For this terrific chronicle and for his immeasurable contribution to musical theatre we can only give our most inadequate thanks Rupert Holmes Tony and Edgar award winning playwright and novelist Bruce Kimmel s rollicking memoir Theres Mel Theres Woody and Theres You left his fans begging for more Thankfully the theatre gods are kind and answered our prayers Actor director composer playwright novelist film maker and good at all of them Kimmel has reinvented himself more times than Madonna and had more lives than a cat In Album Produced by he now shape shifts into what may be his greatest theatrical incarnationas the foremost album producer of theatre music in the last twenty five years Through time and labels his amazing career fluctuates with more highs and lows than the sliding dials on a soundboard and is sweetened with the usual Kimmel witlaced raconteurism Whether working with the greats Carol Channing Lauren Bacall Dorothy Louden Ann Margret to name a few or promoting and often discovering the next big musical stars of Broadway our intrepid hero battles less than visionary bosses broken promises harried orchestrators enraged engineers the occasional disgruntled diva and the mysterious crooner Guy Haines But he manages to defeat all obstacles and egos in his way emerging triumphant to dance in divine syncopation with the glorious music he creates To know the stories behind all those wonderful albums is to listen to them with fresh ears and a new appreciation of the talent tears and genius that went into them Charles Edward Pogue screenwriter of Dragonheart DOA The Fly Atone Roger Lhooms,2003-10-24 What if magic really worked If all the absurd words in all the grimoires purporting to be centuries older than they really are actually did what is claimed of them What if christianity had not corrupted all that came before it Perhaps our world view would be quite different today Perhaps it would include Pre human giants with tremendous powers as all other cultures and lands do Perhaps we would believe in magic

Could it be possible that the combination of certain sounds can work magic That by being able to control these sounds we ourselves can become as powerful as Giants That a byproduct of this magical evolution would be eternal life just as gold was A byproduct of alchemy Join three friends who accept all of the above as a matter of course They are Traveling west across America to meet three other students of the occult A lot happens In between Perhaps you will enjoy this idle tale Roger Lhooms *The District Reports of Cases Decided in All the Judicial Districts of the State of Pennsylvania* Pennsylvania.
