Small Miracle A Story Of Faith Love:

Paul Gallico's the Small Miracle Paul Gallico,1973 *The Small Miracle* Paul Gallico,1973 When his pet donkey Violetta becomes ill Pepino a young Italian boy is convinced that only a visit to the crypt of St Francis of Assisi will make her well Since the only way for Violetta to enter the crypt would be to take down part of the wall Pepino and his friend Father Damico set off to visit the Pope to obtain the needed permission *The Miracle of Love* Tylia L. Flores,2025-02-14 Brace yourself The story you re about to witness isn t just a tale it s a gut punch a visceral assault on your senses It s the stench of stale alleys clinging to fifteen year old John Tyler Whitley the bitter taste of rejection coating his tongue the icy fear that grips him in the shadowed corners where he sleeps JT as he snarls the name is a colossus all awkward angles and a stutter that claws at his throat choking the words he desperately wants to unleash Homelessness is his constant companion a ragged suffocating blanket woven from despair and the jeering laughter of his tormentors But beneath the towering frame beneath the stammer that betrays him burns a fire His words spilled onto tattered notebook pages are incandescent a fierce rebellion against the darkness that threatens to consume him His faith a battered shield deflects the blows of a cruel world Then comes Katherine Howard Her laughter a vibrant splash of color in his monochrome existence is a siren s call drawing him from the shadows She sees him Really sees him Not the giant stuttering outcast but the soul buried beneath layers of hurt a soul blazing with a ferocious untamed intelligence Her touch when she dares to reach out is a searing brand leaving him breathless and reeling Their bond forged in the crucible of shared faith and mutual understanding is a fragile thing constantly threatened by the venomous whispers of prejudice and the chasm between their vastly different lives Their love story isn t a gentle waltz it s a brutal desperate brawl against the odds The city itself seems to conspire against them a concrete jungle teeming with indifference and hate Every stolen glance every whispered word is a risk a gamble with their hearts Yet their love explodes a supernova against the suffocating night Prepare to feel the sting of their tears the raw agony

Believing Again Daniel Taylor, 2025-02-24 The numbers are alarming at least to people of faith Many especially the young are leaving the church and abandoning faith in God Social scientists have for decades been documenting with numbers what church leaders and families have experienced directly What is much less noted and evaluated is the substantial number of those who leave faith and the church and eventually come back to both Why people leave is an important question but so is why people return a question much less often addressed Once people have made a clear and conscious break with their religious convictions and practice what leads many to return This book explores this important question primarily through listening to the stories these people tell It relies on stories not numbers allowing people to tell their own stories in their own words both why they left and why they returned One discovers from listening to their stories that there are recurring patterns People leave faith for common reasons and they also return for common reasons In fact many return for the flip side of why they left The shared factor in all returns is God's relentless love for each of them

American Identity in the Age of Obama Amílcar Antonio Barreto, Richard L. O'Bryant, 2013-11-12 The election of Barack Obama as the 44th president of the United States has opened a new chapter in the country's long and often tortured history of inter racial and inter ethnic relations Many relished in the inauguration of the country's first African American president an event foreseen by another White House aspirant Senator Robert Kennedy four decades earlier What could have only been categorized as a dream in the wake of Brown vs Board of Education was now a reality Some dared to contemplate a post racial America Still soon after Obama's election a small but persistent faction questioned his eligibility to hold office they insisted that Obama was foreign born Following the Civil Rights battles of the 20th century hate speech at least in public is no longer as free flowing as it had been Perhaps xenophobia in a land of immigrants is the new rhetorical device to assail what which is non white and hence un American Furthermore recent debates about immigration and racial profiling in Arizona along with the battle over rewriting of history and civics textbooks in Texas suggest that a post racial America is a long way off What roles do race ethnicity ancestry immigration status locus of birth play in the public and private conversations that defy and reinforce existing conceptions of what it means to be American This book exposes the changing and persistent notions of American identity in the age of Obama Am lcar Antonio Barreto Richard L O Bryant and an outstanding line up of contributors examine Obama's election and reelection as watershed phenomena that will be exploited by the president's supporters and detractors to engage in different forms of narrating the American national saga Despite the potential for major changes in rhetorical mythmaking they question whether American society has changed
