considered significant and God's choices for the lineage of his son Jesus Christ. In pursuit of uniformity and ease of reading I've adopted Matthew's descending order format to present the lineage in both Gospels. In fairness to Luke who presents it in ascending order I also adopted his genealogy format from Adam the first earthly man Gen 1:26 to Jesus the heavenly Spiritual man Luke 1:26-38 cf Luke 1:18-20-23. In addition I accept Luke's coverage of the complete history of God's redemption beginning with Adam and Eve not Abraham for the following reasons: God first showed the path to salvation for a fallen mankind through the promise of the seed of the woman: I will put enmity between thee and the woman and between thy seed and her seed; it shall bruise thy head and thou shalt bruise his heel Gen 3:15. The words 'her seed' refer to Jesus Christ who would be conceived through Mary by the power of the Holy Spirit Matt 1:18. Christ came through virgin Mary as a seed of woman and not of man. Therefore the Lord himself shall give you a sign: Behold a virgin shall conceive and bear a son and shall call his name Immanuel Isa 7:14 cf Luke 1:30-35. The promise of the woman's seed was expanded to the covenant with Noah Gen 6:18-9:8-17 and with Abraham Gen 12:1-3-22-15-18. It then developed into the Sinaitic covenant, a conditional covenant of works written on a stone given to Moses on Mount Sinai Ex 24:1-8 Deut 29:1 whereby God promised to forgive their iniquity Ex 34:6-7 and finally to the Davidic covenant, unconditional covenant of grace based on the atoning works of Jesus Christ where God declared: But this shall be the covenant that I will make with the house of Israel: I will put my law in their inward parts and write it in their hearts and will be their God and they shall be my people. And they shall teach no more every man his neighbour and every man his brother saying: know the Lord for they shall all know me for I will forgive their iniquity and I will remember their sin no more Jer 31:31-34-2 Sam 7:11-16-1 Chr 17:10-14. The important features of the universality of the knowledge of God, vital inwardness of his laws and the fact that I will remember their sin no more, that is the full guarantee of forgiveness of sin, are what make the New Covenant unique and superior to the Sinaitic one. All of the above covenants are eternal. They became promises. God promised a seed. This promise was fulfilled in Jesus Christ and it was contained in the covenant ratified by God Gal 3:16-17. From the foundation of the world God had a plan for man's redemption through his only begotten son Jesus Christ. He manifested this divine plan in sanctified¹ human genealogy of a chosen to them who are the called according to his purpose; he did foreknow; he also did predestinate to be conformed to the image of his son that he might be the firstborn among many brethren whom he did predestinate; them he also called and whom he called them he also justified and whom he justified them he also glorified Rom 8:28-30 until when the fulness of the time was come God sent forth his son made of a woman, made under the law, that we might receive the adoption of sons Gal 4:4-5.
