Kenyan priest in waiting from Maasai He is sent to England by his local diocese to complete his pastoral duties before being ordained in the Roman Catholic Church But soon his journey to priesthood is tested by a stumbling block of four talented orphans and their mother who need a father figure and a mentor as an answer to their prayer Will the priest in waiting forsake their love and betray their trust after reintroducing them to a world of happiness they had lost Will he leave behind the blossoming affection towards the widow The Bishop thinks the young priest in waiting is a perfect father for the four children while the neighbour admires their family life But Paul doesn t see it that way and so he must protect his priesthood career at any cost Even if it means completing his assignment in Kenya so he can be far from a daring and glaring temptation Double pulled by the love for the four children and a pursuit for his career Paul must make a choice acceptable to God A decision he will never regret Nothing happens by coincidence There must be a supernatural force against evil that controls matter time space as well as our thoughts in giving shape and direction to the unfolding events as they happen on earth Absolutely nothing other than the immortal can be responsible for such control This justifies my thoughts for the existence of a force so strong and mighty incomprehensible a force far greater than our understanding and imaginations a supernatural existence in control of all that is seemingly complex and mind blowing as par my other stories which are based on true life s events Agaba Samuel Rujumba **Day Hiking Olympic Peninsula** Craig Romano,2007-04-09 [CLICK HERE](#) to download
