Sky Blue Water Jay D. Peterson, Collette A. Morgan, 2016-09-06 From the Dakota people who first inhabited the state to its generations of immigrants and today s residents Minnesota has long had a vibrant and unique storytelling tradition A rich and often under appreciated part of this tradition is youth storytelling a movement of which Minnesota is a national forerunner Here for the first time two of the state s beloved independent booksellers collect a wide array of short stories for young readers that pay homage to Minnesota s diverse cultures and stunning landscapes Sky Blue Water celebrates young adult and intermediate fiction from some of Minnesota s most beloved and award winning authors to emerging talents and many more With each turn of the page every young reader will find a poignant and relatable story tales of discovering hidden truths about one s family dealing with a difficult bully and falling for the new kid who dresses like a cowboy as well as settings from Rainy Lake

to Lake Calhoun and time periods from Prohibition to the present day Featuring primarily never published stories this anthology beautifully captures the essence of a Minnesota adolescence in twenty short stories and poems Sky Blue Water features a Q Swati Avasthi Kelly Barnhill Mary Casanova John Coy Kirstin Cronn Mills Anika Fajardo Shannon Gibney Pete Hautman Lynne Jonell Kevin Kling Margi Preus Marcie Rendon Kurtis Scaletta Julie Schumacher Joyce Sidman Phuoc Thi Minh Tran Anne Ursu Sarah Warren Stephanie Watson Kao Kalia Yang More Family Storytimes Rob Reid,2009 This new book from best selling author Rob Reid features stories fingerplays songs and movement activities to enhance the time families spend at the library Brimming with all new material More Family Storytimes offers practical creative and active storytime programs that will captivate audiences of all ages Make Me a Story Lisa Miller,2023-11-22 When teachers and students first learn about digital stories they often focus on the bells and whistles images music sound effects and so on To Lisa Miller a good digital story like any good story is all about the writing In Make Me a Story Lisa shows how to use digital stories to lead students through all phases of the writing process from planning to revising and editing Digital storytelling uses computers and software to marry text with art photographs drawings paintings and video as well as narration and music Lisa leads teachers step by step through the process of writing a digital story in an accessible even for the computer neophyte instructional and entertaining way Through the projects outlined in the book students learn how to write good stories make art and text work together and use technology in creative ways Make Me a Story discusses different types of digital stories shows how to assess digital assignments and motivate reluctant writers and explains how digital storytelling teaches skills supported by national education and technology standards Teachers will find specific suggestions for writing exercises and various ways to get students thinking about how best to tell their stories The accompanying CD includes examples of student stories discussed in the text *No More "I'm Done!"* Jennifer Jacobson,2023-10-10 Disregarding the false notion that writing instruction in the primary grades needs to be mostly teacher directed Jennifer Jacobson shows teachers how to develop a primary writer s workshop that helps nurture independent engaged writers No More I m Done demonstrates how to create a more productive engaging and rewarding writer s workshop Jennifer guides teachers from creating a supportive classroom environment through establishing effective routines shows teachers how to set up a writer s workshop and provides an entire year of developmentally appropriate mini lessons that build confidence and ultimately independence *Creativity and Children's Literature* Marianne Saccardi,2014-07-31 Today s students need to be able to do more than score well on tests they must be creative thinkers and problem solvers The tools in this book will help teachers and parents start students on the path to becoming innovative successful individuals in the 21st century workforce The children in classrooms today will soon become adult members of society they will need to apply divergent thinking skills to be effective in all aspects of their lives regardless of their specific occupation How well your students meet complicated challenges and take advantage of the opportunities before them decades down the road will depend largely upon the kind of

thinking they are trained and encouraged to do today This book provides a game plan for busy librarians and teachers to develop their students abilities to arrive at new ideas by utilizing children s books at hand Following an introduction in which the author defines divergent thinking discusses its characteristics and establishes its vital importance chapters dedicated to types of literature for children such as fantasy poetry and non fiction present specific titles and relevant activities geared to fostering divergent thinking in young minds Parents will find the recommendations of the kinds of books to read with their children and explanations of how to engage their children in conversations that will help their creative thinking skills extremely beneficial The book also includes a case study of a fourth grade class that applied the principles of divergent thinking to imagine innovative designs and come up with new ideas while studying a social studies science unit on ecology
