Song of the Ogeechee Jerry A. Maddox,2002-06 In the society of today the potential of encountering a violent situation increases daily Violence is all over the news be it car jacking robberies or terrorist acts People need to learn self defense techniques that actually work Goshinryu Jujitsu may be just what the doctor ordered no fancy techniques that are difficult to learn and dangerous to try in a real life encounter but simple techniques that are easily learned and have been proven to work Through years of experience Sensei Brown has learned sometimes the hard way that some of the techniques taught in today s martial art schools are great for winning tournaments however when your attacked violently some of these techniques just do not work Many of the instructors of today have never had to defend against an attacker that is intent on seriously injuring them Sensei Brown reveals the techniques that are best suited for self defense Jujitsu is the ancient art of the samurai using empty hands or small weapons and is the mother of many modern arts such as Judo and Aikido Jujitsu techniques can be traced back to the early 1400 s and include striking throwing joint locks and strangulation techniques

Song of the Ogeechee Jerry A. Maddox,2002-06-10 Song of the Ogeechee is based on a true story about two cousins who were like brothers born to families of affluent cotton planters in early 19th century Georgia who encountered set backs and ordeals caused by the Civil War followed by other hardships during the Reconstruction period It continues after this period to tell how they overcame problems and responded to adverse conditions to be recognized for their efforts in a world that was busy with industrial progress and social change The Allen cousins were born in Burke County near Midville not far from the Ogeechee River Dr Young John Allen spent his life in China and when he died was well known throughout China Korea Japan and America for his achievements as a Methodist missionary in China from 1860 to 1907 Capt John P Allen spent his life in Dawson and Terrell County Georgia and when he died was well known throughout the South as a member of the Immortal Six Hundred and as a pioneer citizen and reputable jeweler in Dawson The author attempts to tell this story for the first time to relate the amazing account of heritage and inherited talent in the Allen family through the symbol of a silver chalice passed on to descendants from 1857 and the magic of the Ogeechee River the Indian name for River of Songs **From**
