Love Songs Ted Gioia,2015-01-14 For thousands of years love songs have pervaded our musical lives But no one has told their full story until now Ted Gioia surveys the conflicts and controversies and traces the surprising path by which the love song has triumphed over all obstacles emerging as a dominant commercial and cultural force *Love Songs* Ted Gioia,2015 Uncovers the unexplored history of the love song from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day and discusses such topics as censorship the legacy of love songs and why it is a dominant form of modern musical expression

Love Songs in Motion Christina J. Woolner,2023-11-24 An intimate account of everyday life in Somaliland explored through an ever evolving musical genre of love songs At first listen both music and talk about love are conspicuously absent from Somaliland s public soundscapes The lingering effects of war the contested place of music in Islam and gendered norms of emotional expression limit opportunities for making music and sharing personal feelings But while Christina J Woolner was researching peacebuilding in Somaliland s capital Hargeysa she kept hearing

snippets of songs Almost all of these she learned were about love In these songs poets musicians and singers collaborate to give voice to personal love aspirations and often painful experiences of love suffering Once in circulation the intimate and heartfelt voices of love songs provide rare and deeply therapeutic opportunities for dareen wadaag feeling sharing In a region of political instability these songs also work to powerfully unite listeners on the basis of shared vulnerability transcending social and political divisions and opening space for a different kind of politics Taking us from 1950s recordings preserved on dusty cassettes to new releases on YouTube and live performances at Somaliland's first postwar music venue where the author herself eventually takes the stage Woolner offers an account of love songs in motion that reveals the capacity of music to connect people and feelings across time and space creating new possibilities for relating to oneself and others

Song of Songs J. Cheryl Exum, 2005-10-17 This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man Many long standing conundrums in the interpretation of the book are offered persuasive solutions in Exum's verse by verse exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

The Love of God Jon D. Levenson, 2016 The love of God is perhaps the most essential element in Judaism but also one of the most confounding In biblical and rabbinic literature the obligation to love God appears as a formal commandment Yet most people today think of love as a feeling How can an emotion be commanded How could one ever fulfill such a requirement The Love of God places these scholarly and existential questions in a new light Jon Levenson traces the origins of the concept to the ancient institution of covenant showing how covenantal love is a matter neither of sentiment nor of dry legalism The love of God is instead a deeply personal two way relationship that finds expression in God's mysterious love for the people of Israel who in turn observe God's laws out of profound gratitude for his acts of deliverance Levenson explores how this bond has survived episodes in which God's love appears to be painfully absent as in the brutal persecutions of Talmudic times and describes the intensely erotic portrayals of the relationship by biblical prophets and rabbinic interpreters of the Song of Songs He examines the love of God as a spiritual discipline in the Middle Ages as well as efforts by two influential modern Jewish thinkers Martin Buber and Franz Rosenzweig to recover this vital but endangered aspect of their tradition A breathtaking work of scholarship and spirituality alike that is certain to provoke debate The Love of God develops fascinating insights into the foundations of religious life in the classical Jewish tradition

Conquered Conquerors Danilo

Verde,2020-12-01 The first comprehensive study of the Song of Songs use of military metaphors Although love transcends historical and cultural boundaries its conceptualizations linguistic expressions and literary representations vary from culture to culture In this study Danilo Verde examines love through the military imagery found throughout the Song s eight chapters Verde approaches the military metaphors similes and scenes of the Song using cognitive metaphor theory to explore the overlooked representation of love as war Additionally this book investigates how the Song conceptualizes both the male and the female characters showing that the concepts of masculinity and femininity are tightly interconnected in the poem Conquered Conquerors provides fresh insights into the Song s figurative language and the conceptualization of gender in biblical literature **Dictionary of the Old Testament: Wisdom, Poetry and Writings** TREMPER LONGMAN III,PETER

ENNS,2020-05-21 The Old Testament books of wisdom and poetry carry themselves differently from those of the Pentateuch the histories or the prophets The divine voice does not peal from Sinai there are no narratives carried along by prophetic interpretation nor are oracles declaimed by a prophet Here Scripture often speaks in the words of human response to God and God s world The hymns laments and thanksgivings of Israel the dirge of Lamentations the questionings of Qohelet the love poetry of the Song of Songs the bold drama of Job and the proverbial wisdom of Israel all offer their textures to this great body of biblical literature Then too there are the finely crafted stories of Ruth and Esther that narrate the silent providence of God in the course of Israelite and Jewish lives This third Old Testament volume in IVP s celebrated Black Dictionary series offers nearly 150 articles covering all the important aspects of Job Proverbs Ecclesiastes Psalms Song of Songs Lamentations Ruth and Esther Over 90 contributors many of them experts in this literature have contributed to the Dictionary of the Old Testament Wisdom Poetry and Writings This volume maintains the quality of scholarship that students scholars and pastors have come to expect from this series Coverage of each biblical book includes an introduction to the book itself as well as separate articles on their ancient Near Eastern background and their history of interpretation Additional articles amply explore the literary dimensions of Hebrew poetry and prose including acrostic ellipsis inclusio intertextuality parallelism and rhyme And there are well rounded treatments of Israelite wisdom and wisdom literature including wisdom poems sources and theology In addition a wide range of interpretive approaches is canvassed in articles on hermeneutics feminist interpretation form criticism historical criticism rhetorical criticism and social scientific approaches The Dictionary of the Old Testament Wisdom Poetry and Writings is sure to command shelf space within arm s reach of any student teacher or preacher working in this portion of biblical literature The ^AOxford Handbook of Wisdom and the Bible Will

Kynes,2021-01-25 A high profile and authoritative volume in which a broad range of leading scholars in the field assess the current state of the art in the study of both Wisdom Literature as a category of texts in the Hebrew Bible and as a concept more generally This particularly timely handbook captures the field at a time in which a plethora of new questions are being asked about Wisdom Literature and spans the gap between that cutting edge scholarship and standard textbook expositions

Chapel of Love Rosa Hawkins, Steve Bergsman, 2021-05-26 In 1963 sisters Barbara Ann and Rosa Hawkins and their cousin Joan Marie Johnson traveled from the segregated South to New York City under the auspices of their manager former pop singer Joe Jones With their wonderful harmonies they were an immediate success To this day the Dixie Cups greatest hit Chapel of Love is considered one of the best songs of the past sixty years The Dixie Cups seemed to have the world on a string Their songs were lively and popular singing on such topics as love romance and Mardi Gras including the classic Iko Iko Behind the stage curtain however their real life story was one of cruel exploitation by their manager who continued to harass the women long after they finally broke away from his thievery and assault Of the three young women no one suffered more than the youngest Rosa Hawkins who was barely out of high school when the New Orleans teens were discovered and relocated to New York City At the peak of their success Rosa was a naive songstress entrapped in a world of abuse and manipulation Chapel of Love The Story of New Orleans Girl Group the Dixie Cups explores the ups and downs of one of the most successful girl groups of the early 1960s Telling their story for the first time in their own words Chapel of Love reintroduces the Louisiana Music Hall of Famers to a new audience

Song of Songs Robert W. Jenson, 2012-09-08 Robert Jenson offers a systematic theologian's careful reading of the Song of Songs Jenson focuses on the overt sense of the book as an erotic love poem in order to discover how this evocative poetry solicits a theological reading Jenson finds a story of human love for God in this complex poetic book and offers a commentary that elucidates and inspires

Love Songs Perrine Moran, 2025-01-16 The dilemma of how to be emotionally dependent on another without losing oneself underlies many issues that couples bring to therapy and is the stuff of many love songs Its management results in different dynamics which the chapters of this book identify A psychoanalytic understanding of the connections between early primary relationships and those formed in adulthood sheds light on the experiences of couples whether or not they enter therapy Written in an accessible and relatable style Perrine Moran brings psychoanalytic concepts to couple relationships through the medium of music In her clinical work as a couple therapist she often found herself thinking of a specific song that encapsulated something at the core of a couple At other times a song came to mind that captured a pattern repeated in a number of couples Intrigued Moran began to explore in depth the link between love songs and couples The result is a book that focuses on different types of couple dynamics such as disappointment enmeshment and difference and the songs and case vignettes that best illustrate them Love Songs Listening to Couples is ideal for practitioners and trainees working with couples and will appeal to a wide range of readers who enjoy popular music and are curious for personal academic or professional reasons about couple dynamics and problematic interactions

Love for Sale David Hajdu, 2016-10-18 A personal idiosyncratic history of pop music traces the sheet music era at the end of the nineteenth century and the invention of records through favorite chart topping songs and the ways his mother shaped him as an aficionado

Floral Life S. Mendelson Meehan, John Habberton, 1905

Music and Gender in English Renaissance Drama Katrine K. Wong, 2012 This book

offers a survey of how female and male characters in English Renaissance theatre participated and interacted in musical activities both inside and outside the contemporary societal decorum Wong's analysis broadens our understanding of the general theatrical representation of music or musical dramaturgy and complicates the current discussion of musical portrayal and construction of gender during this period Wong discusses dramaturgical meanings of music and its association with gender love and erotomania in Renaissance plays The negotiation between the dichotomous qualities of the heavenly and the demonic finds extensive application in recent studies of music in early modern English plays However while ideological dualities identified in music in traditional Renaissance thinking may seem unequivocal various musical representations of characters and situations in early modern drama would prove otherwise Wong building upon the conventional model of binarism explores how playwrights created their musical characters and scenarios according to the received cultural use and perception of music and at the same time experimented with the multivalent meanings and significance embodied in theatrical music

Marriage, Sex and Family in Judaism Michael J. Broyde, Michael Ausubel, 2005-08-22 Marriage Sex and Family in Judaism explores Jewish marriage from historical and contemporary perspectives focusing on the religious and legal concepts of marriage and the social impact of family in the Jewish community The book does not advocate one perspective or another instead the essays range from conservative to liberal viewpoints offering readers a well balanced mixture of perspectives on Jewish marriage

A Feminist Companion to Song of Songs Athalya Brenner-Idan, Carole Fontaine, 2000-03-01 The ten essays in this volume the majority specially written engage with questions of voice whose and interplay what kind between received interpretation and resisting female reader and venture into methodological territory familiar and unfamiliar to biblical scholars including autobiographical criticism Among earlier readers invoked in these pages are Jerome Rashi and Fray Luis de L'Ton who brush pages with Haitian prostitutes The three sections of this fresh colourful and adventurous journey into love sex allegory and self inside the Most Sublime Song are Feminist Appropriations Specific Readings Allegories and Feminists and The Song of Songs Personalized

Songs For Lovers Introduction

In today's digital age, the availability of Songs For Lovers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Songs For Lovers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Songs For Lovers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Songs For Lovers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Songs For Lovers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Songs For Lovers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Songs For Lovers books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Songs For Lovers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Songs For Lovers books and manuals for download and embark on your journey of knowledge?
