Songs Made Famous By Ray Charles:

Ray Charles: Birth of Soul Mike Evans, 2009-11-11 For a generation of musicians and fans the late Ray Charles provided the catalyst that fused the previously largely exclusive genres of jazz blues and gospel music In an era when jazz and pop music were seemingly poles apart the impact of Charles music was truly revolutionary in that it brought together these strands and fans for the first time This critically acclaimed biography traces Ray Charles amazing story from the abject disadvantage of being orphaned black and blind in the South of the 1930s to the height of international success With many quotes and exclusive interviews including several with Ray Charles himself as well as from those who worked with or were simply influenced by the man who more than anyone else could truly be called the founding father of soul music Mike Evans was a regular contributor to *Sounds Cream* and *Melody Maker* He is also the author of books on The Beatles Elvis Presley and the music in New York Paperback edition *Classic American Popular Song* David Jenness, Donald Velsey, 2014-02-04 *Classic American Popular Song The Second Half Century 1950 2000* addresses the question What happened to American popular song after 1950 There are numerous books available on the so called Golden Age of popular song but none that follow the development of popular song styles in the second half of the 20th century While 1950 is seen as the end of an era the tap of popular song creation hardly ran dry after that date Many of the classic songwriters continued to work through the following decades Porter was active until 1958 Rodgers until the later 1970s Arlen until 1976 Some of the greatest lyricists of the classic era continued to do outstanding and successful work Johnny Mercer and Dorothy Fields for example continued to produce lyrics through the early 70s These works could be explained as simply the Golden Age s last stand a refusal of major figures to give in to a new reality But then how can we explain the outstanding careers of Frank Loesser Cy Coleman Jerry Herman Jerry Bock and Sheldon Harnick Fred Kander and John Ebb Jule Styne Alan Jay Lerner and Frederick Loewe and several other major figures Where did Stephen Sondheim come from For anyone interested in the development of American popular song and its survival this book will make fascinating reading **Encyclopedia of Great Popular Song**
