Morgan, 2012-11-16 Most churches have a poor to non existent method of training new Christian converts Therefore the new convert has very little knowledge on how to make the transition from living the sinners life living a separated life that is filled with forgiveness and charity They arent trained to forgive and forget the sins and trespasses that are rendered against them They know not that the Holy Spirit lives in their heart and will tell them exactly what to do in every step they take and how to respond to every encounter they have whether it be positive or negative They know not that God will take care of the regardless in the wake of slander financial hardships or physical devastation They hear sermons from the pulpit about tithing but have no concept how to start or how it will affect their life if they start tithing on a regular basis They are unprepared to deal with gossip and verbal bullying that they will encounter They are members of a church for years and have no concept of how to effectively pray in public or how to witness effectively to a lost person This book is not written for a specific denomination It is written as a guide to all new converts **Buddy Holly** Ellis Amburn, 2023-06-06 The definitive biography on Buddy Holly Ellis Amburn presents the most comprehensive biography ever written about the legendary figure Buddy Holly a young man who transformed the course of American music with his shocking blend of country western and rhythm n blues Having devoted the last five years of his life to this work crisscrossing the rural paths of the United States from Texas to Iowa to Minnesota Amburn portrays Holly as a mythic antihero whose rebellious dramatic life was a reaction against the constricting values of America in the 1950s when his music was regarded as the work of the devil From his wild days as a juvenile delinquent to his first romances to his early associations with then virtually unknown singers like Elvis Presley and Waylon Jennings Holly emerges as a deeply tortured driven individual and a brilliantly talented young man in a hurry to make it as a star And like many stars Buddy Holly s would ultimately be tragic and bittersweet *Music* Library of Congress. God's Masterpiece (Woman) Richard Dexter Russell,2019-11-06 My book examines women s thoroughly and fairly by the word of God it is this fairness that makes the novel so riveting and thought provoking and so perfect for triggering discussions This is a great inspiring book of the creation of women by God in human form God could have taken anything to create the apple of his eye but he chose her That s why she is His Masterpiece of Creation if you want something to change your life this book will wake you up and think The author is true to his determination not to stack the deck for readers the ending is deliberately ambiguous with allegorical overtones leaving readers to decide what they want to believe I have done my research and know what you re looking for MY MANUSCRIPT is CHRISTIANS BASE genre of included comparison titles to give you a feeling of the book and show I know my target audience Dear readers and friends it was so wonderful to share this story of what God gave me to write about in the creation of woman in our life with you Many years ago I woke up one morning with a feeling that told me I should start putting the things about His Masterpiece of creation on paper I had no idea how to do it I just started by jotting down the main highlights of all the things based on my experience that happened in my life over the years Then I asked the Holy Spirit to inspire me as He inspired the people who wrote the Bible This is why this story I call God Masterpiece of creation woman It amazed me how i never knew how to write and especially something or someone to write until now Every day when I sat down in my lazy boy to write or laid in bed the words just flowed It was an

amazing experience I know that this is not my doing it is the Lord s doing I know a few more stories will come as God continues to do His work Specifically this is why I think you the reader would like my novel I have taken time to carry out my research on what you seek or need to know I have also included comparison titles to give you a feel of the book to prove that I know my target audience I am an interesting and a likable person judging by my character I want the readers to use the blank pages to take notes and tell me about each paragraph after each STORY I do not have any publishing credits but experience in the subjects presented in the manuscript included is a short biography I ll also let you know if I m working on something else to prove to you that I am not a one hit wonder But I won t pitch that novel here
