Film & Video Finder, 1987 *Shaking the World for Jesus* Heather Hendershot, 2010-03-15 In 1999 the Reverend Jerry Falwell outed Tinky Winky the purple character from TV's Teletubbies Events such as this reinforced in many quarters the common idea that evangelicals are reactionary out of touch and just plain paranoid But reducing evangelicals to such caricatures does not help us understand their true spiritual and political agendas and the means they use to advance them Shaking the World for Jesus moves beyond sensationalism to consider how the evangelical movement has effectively targeted Americans as both converts and consumers since the 1970s Thousands of products promoting the Christian faith are sold to millions of consumers each year through the Web mail order catalogs and even national chains such as Kmart and Wal Mart Heather Hendershot explores in this book the vast industry of film video magazines and kitsch that evangelicals use to spread their message Focusing on the center of conservative evangelical culture the white middle class Americans who can afford to buy Christian lifestyle products she examines the industrial history of evangelist media the curious subtleties of the products themselves and their success in the religious and secular marketplace To garner a wider audience Hendershot argues evangelicals have had to carefully temper their message But in so doing they have painted themselves into a corner In the postwar years evangelical media wore the message of salvation on its sleeve but as the evangelical media industry has grown many of its most popular products have been those with heavily diluted Christian messages In the eyes of many followers the evangelicals who purvey such products are sellouts hucksters more interested in making money than spreading the word of God Working to understand evangelicalism rather than pass judgment on it Shaking the World for Jesus offers a penetrating glimpse into a thriving religious phenomenon **The Design of Animal Communication** Marc D.

Hauser, Mark Konishi, Masakazu Konishi, 1999 Based on the approach laid out in the 1950s by Nobel laureate Nikolaas Tinbergen this book looks at animal communication from the four perspectives of mechanisms ontogeny function and phylogeny **The Star at the End of the River** Paul Vincent, 2011-04-20 From an early age author Paul Vincent has looked forward with joyful anticipation to sunsets and oncoming darkness an attitude that appears to be counter to the scriptural

counsels of his own faith community In *The Star at the End of the River* Vincent shares his important life experiences in order to describe a transformative spirituality of the night Bringing to bear his forty years experience as an amateur astronomer the author shows how sustained night sky observation enhances the human receptivity to transcendent departure Of the many treasures of the heavens Vincent finds particular solace in a star he has never seen which for that very reason he regards as the most apt symbol of the human hope for eternal joy *The Star at the End of the River* proposes a new kind of spiritual journey an ascent not of a mountain as in the traditional imagery but of an inclined plane Vincent invites his readers to become contemplatives of the ordinary and to discover the mystical power of such commonplace objects and occurrences as road signs supermarket aisles interior stairways gooseflesh and penmanship *Billboard*, 1998-06-06 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Fashioning Italian youth** Cecilia Brioni, 2023-01-31 *Fashioning Italian youth* examines popular media representations of Italian young people's style trends and bodily practices from 1958-75 By looking at visual and written representations of transnational youth trends like *urlatori amici* beats and hippies in Italian teen magazines Musicarelli films and youth oriented television programmes it investigates changes in the social construction of Italian young people's political generational national ethnic and gender identities The monograph connects the emergence of youth oriented transnational trends to the national and global history of young people and explores the dynamics that contributed to the construction of a specifically Italian youth culture in this period **Next Chapter (A BWWM New Adult Romance)** G.L. Tomas, 2016-02-09 Timothy risked everything he had last year on love Had he meant to fall No But it hadn't stopped him from colliding into Naima When it ended nothing felt the same Until she came back After a Providence free summer Naima is just about ready for anything Except resisting Timothy It's only a matter of time before their feelings for each other get the best of them but will they be on the same page or completely different chapters
