McNeely,2025-02-25 In American churches the Song Of Solomon is traditionally thought of as an allegory of the love between Jesus and the church In Hebrew tradition it is an allegory about the love of God for the Hebrew people or Jehovahas Wife While both interpretations can be considered accurate there is a third and mostly overlooked interpretation and that is that it is a poetic representation of the earthly life ministry crucifixion death burial and resurrection of Jesus Christ His continued ministry to the church through the Holy Spirit from Heaven This commentary is an attempt to outline this third interpretation in clear concise language for the edification of the church and the body of Jesus Christ **My Lord, Ebenezer & Way**

**Maker** Chong Ho Kim, 2024-04-16 Our Christian faith is not a philosophy an academic discipline or anything theoretical or abstract It is a religion of miracles that must be obtained and applied concretely and practically in our real lives Living eternal life in heaven and wishing for things we cannot do on earth are all living a life hoping for miracles but most Christians today do not believe in miracles God led his chosen people through forty years in the wilderness shielding them from the scorching sun by day with a pillar of cloud and from the cold by night with a pillar of fire Ebenezer The motive for writing this book is to rediscover in our lives the pillar of fire and cloud of the Lord God Almighty who has led and protected his chosen people without change for forty years in the wilderness Waymaker It is my prayer that through this book you will encounter God the Holy Spirit who is alive and active and that you will find meaning for your life in this dark and chaotic world and that you will recover your lost dreams
