song exist though many were published during the composer's lifetime. The current two part edition presents the composer's 102 extant songs Part 1 contains 53 individual songs part 2 presents the songs that were first published as sets. Songs from the Heart Ann Howle Davis, 2019-01-04. This book is a culmination of fifty eight years of transcribing thoughts that when penned evolved as poetry about faith hope pain love grace and forgiveness I never set down to write I only captured the words that would begin to dance in my mind and watch as the remainder of the message fell into place Sometimes it would be several in a cluster Or only one at a time. There would be months and sometimes years between In this last year there has been a more consistent flow I can t explain why I can only say that I am humbled to be used in this way If anyone reads these words and finds solace and hope I believe my mission has been accomplished.
