Fudge,2003 Grounded in primary source research this boldly revisionist book examines the doctrine of salvation in Oneness Pentecostalism United Pentecostal Church from its origins through its several developmental stages The gradual rise of a literal interpretation of Acts 2:38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition associated with important figures such as Howard A Goss A D Gurley W M Greer C H Taddon Wynn T Stairs Earl Jacques E P Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and theological research with the principles of a broadly based oral history this study argues for a theological diversity within the history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United Pentecostal Church      *The School Song Book* Osbourne McConathy,1909      **Songs of Faith & Praise Leather Shaped Note** Alton Howard,2007-12-11      Preacher and Homiletic Monthly ,1884      **Song Book** Ffion Mercer,Speechmark Speechmark,2017-07-05 Featuring large clear print the Song Book contains the words to 100 popular songs that are ideal for group sing along sessions The book is divided into six sections traditional folk songs choruses from old time variety songs from World War II post war evergreens hymns and Christmas songs      **Eddy Arnold** Michael Streissguth,2009-01-01 Fans of Arnold's mellow music will appreciate the intensely detailed record of his private life and public career Others may find the vivid picture of country music's early decades the many small town radio stations and deejays that supported the music the backroads tours the struggling record labels quite intriguing Kirkus Reviews Illustrated with fifty four photographs and featuring a comprehensive discography and sessionography this book traces Eddy Arnold's origins from a cotton farm in western Tennessee to his legendary status in the world of country music Michael Streissguth covers Arnold's success as a top selling artist in the 1940s and 1950s and his temporary wane as listeners gravitated toward the rock roll sound embodied by newcomer Elvis Presley Arnold 1918-2008 kept recording however and working on his craft By the mid 60s he reemerged as a pop crooner with his hit song Make the World Go Away His blend of country sentiments
