*Songs from the Womb* Benig Mauger, 1998 Just as Women Who Run with the Wolves helped women to reassert themselves Benig Mauger shows that it is necessary for women to assert themselves and their genuine needs which are repressed by the technology surrounding the birth process In a groundbreaking and highly readable book Mauger places birth and life in the womb as a formative soul experience creating patterns we carry with us into later life She argues that there is a loss of soul encountered by many due to our modern medicalized way of birth which strips nature of its spiritual dimension Drawing on her work as a Jungian psychotherapist she takes the reader into the therapy room to witness the healing of birth wounds Based on her experiences as a birth teacher therapist and mother the author writes about the joys and pains of giving birth and being born through real life birth stories The technology of medicine and its patriarchal establishment imbues women with a sanitized pain free birthing philosophy Here are stories of joyful anticipation in pregnancy The Wounded Mother is an archetypal energy in us and this book suggests that we may need to question certain aspects of modern birth practices to strive for a more holistic approach to pregnancy and birth so as to heal soul wounds that have become so prevalent today *Songs for a Saviour's Birth* William Philip, 2016-10-20 Most of us are on the lookout for something fresh and different as we approach Advent and Christmas How can we fully appreciate the familiar truths treasuring yet again the good news and joy of the season What will really make our hearts sing Look no further In this sure footed yet conversational and down to earth little volume William Philip looks at the songs of key characters in the Christmas story Elizabeth joy for the hearers Mary joy for the humble Zechariah joy for the helpless The Shepherds joy for the heavens Simeon and Anna joy for the hopeful This is a book to engage heart and head as it moves between key passages from Luke's Gospel from the song of the heavily pregnant to the song of a humble peasant from the song of the helpless priest to the song of the heavenly proclaimers and finally to the song of the hopeful pensioners The author concludes Countless people throughout the centuries have joined the chorus of praise and proclamation singing the song of the Saviour with Simeon and Anna Zechariah and Elizabeth Mary and all the host of heaven My hope is that your voice is already part of that wonderful refrain But if not then my prayer is that this Christmas is the time to do what these others have done and embrace the Saviour for yourself Takes the reader with accuracy and deep devotion from these wonderful songs of Scripture to know with new adoration the Christ who was born Peter Dickson Inspiring and informative Written not just for those who have found their Christian faith but also for those who are still seeking and exploring A great read for Advent Clare Hendry A wonderful exploration of the Bible's own Christmas carols Saints sceptics seekers and Scrooges will find fuel here to warm the heart Jonty Rhodes The cardiologist or physician who became a pastor has written a book to make our hearts sing It has something striking in it for preachers congregations and visitors alike Rico Tice **Healing Songs** Ted Gioia, 2006-04-13 The use of music in healing from prehistoric times to the present The Song of Fourteen Songs Michael D.
