Katorza,2024-08-05 The book Youth Identity and Re Fashioning Popular Music in Israel 1950s 1980s aims to refresh the understanding of the relationship between social power relations youth culture and popular music in Israel The authors discuss various perspectives regarding the axis of youth popular culture and music and present additional options for the discourse on these topics in Israel Among its many new findings the study discusses new insights relating to the increasing openness of Israeli culture to globalization the decline of the collective culture of the Sabra the rise of individual culture liberalism and neoliberalism the decay of Israeli consensus and the melting pot idea and practices In addition the authors examine various perspectives on how Israeli culture and music have changed over the years and reacted to historical alterations It reviews the tensions between modernism and postmodernism localism and globalism teenagers and their parents culture ethnicity and class hegemonic negotiations and marginal subcultures This book uses historical methodology combined with the assistance of cultural theories historical surveys and first hand documents **Popular Music Theory and Analysis** Thomas Robinson,2017-04-21 Popular Music Theory and Analysis A Research and Information Guide uncovers the wealth of scholarly works dealing with the theory and analysis of popular music This annotated bibliography is an exhaustive catalog of music theoretical and musicological works that is searchable by subject genre and song title It will

support emerging scholarship and inquiry for future research on popular music *Beyond Jerusalem: Music in the Women's Institute, 1919-1969* Lorna Gibson, 2017-07-05 Music in the Women's Institute has become stereotyped by the ritualistic singing of Jerusalem at monthly meetings Indeed Jerusalem has had an important role within the organization and provides a valuable means within which to assess the organization's relationship with women's suffrage and the importance of rurality in the Women's Institute's identity However this book looks beyond Jerusalem by examining the full range of music making within the organization and locates its significance within a wider historical cultural context The Institute's promotion of conducting a regular part of its musical activity since the 1930s is discussed within the context of embodying overtly feminist sentiments Lorna Gibson concludes that a redefinition of the term feminism is needed and the concept of gendered spheres of conducting provides a useful means of understanding the Institute's policy The organization's promotion of folk song is also examined and reveals the Institute's contribution to the Folk Revival as well as providing a valuable context within which to understand the National Federation's first music commission Ralph Vaughan Williams's *Folk Songs of the Four Seasons* 1950 This work and the Institute's second commission Malcolm Williamson's *The Brilliant and the Dark* 1969 are examined with the context of the organization's music policy In addition to discussing the background to the works issues of critical reception are addressed The book concludes with an Epilogue about the National Society Choir later known as the Avalon Singers which tested the organization's commitment to amateur music making The book is the result of meticulous work undertaken in the archives of the National Federation the BBC Written Archives Centre the V&A archives the Britten Pears Library the Ralph Vaughan Williams Library the Women's Library and the Newspaper Library **California. Rethinking Music through Science and Technology Studies Antoine Hennion, Christophe Levaux, 2021-05-03 This volume seeks to offer a new approach to the study of music through the lens of recent works in science and technology studies STS which propose that facts are neither absolute truths nor completely relative but emerge from an intensely collective process of construction Applied to the study of music this approach enables us to reconcile the human social factual and technological aspects of the musical world and opens the prospect of new areas of inquiry in musicology and sound studies *Rethinking Music through Science and Technology Studies* draws together a wide range of both leading and emerging scholars to offer a critical survey of STS applications to music studies considering topics ranging from classical music instrument making to the ethos of DIY in punk music The book's four sections focus on key areas of music study that are impacted by STS organology sound studies music history and epistemology Raising crucial methodological and

epistemological questions about the study of music this book will be relevant to scholars studying the interactions between music culture and technology from many disciplinary perspectives Fretboard Mastery Troy Stetina,2007 Guitarskole

The Use of Pop Songs in the EFL Classroom Ornerová Lenka,2011-03-09 Inhaltsangabe Introduction I have chosen the topic of using pop songs in the EFL classroom because I strongly believe that working with pop songs is a highly motivational device When I was a student at a lower and upper secondary school listening to songs in English classes was my favourite activity I have always wanted to be able to understand the lyrics of songs I listened to Later I realized that I have learned a lot from listening to pop songs and analyzing their lyrics Therefore in my diploma project I would like to prove that using pop songs is a highly motivational device in teaching English with instructional value and that students enjoy working with pop songs The theoretical part of this diploma project is based on relevant sources of background literature In the first two chapters the use of songs is described with regard to motivation and the Multiple Intelligences Theory The third and fourth chapter deal with the reasons for using songs and their classification In the last two chapters of the theoretical part pedagogical principles of using pop songs in class as well as the pros and cons of teaching through pop songs are presented The practical part is based on the findings of three surveys I have conducted in the field of using songs in the EFL classroom In the first part of the research I present an analysis of questionnaires which I distributed among English teachers at lower and upper secondary schools and grammar schools In the second part of the research I describe students attitudes to pop song based lessons which I taught during my teaching practice at grammar schools In the third part of the research I analyze the types of songs presented in commonly used textbooks at lower and upper secondary schools In addition I present a self developed teaching material containing a list of pop songs suitable for the EFL classroom In the last part of the practical part I answer the research questions and provide some implications for my own teaching Inhaltsverzeichnis Table of Contents ABBREVIATIONS AND DEFINITIONS ABSTRACT INTRODUCTION9 THEORETICAL PART 1 MOTIVATION10 1 1Definition of motivation10 1 2Different kinds of motivation11 1 3Motivation in second language acquisition learning vs foreign language learning12 1 4Sources of motivation in the EFL classroom14 2 MULTIPLE INTELLIGENCES16 2 1The categories of intelligence17 2 2The implications of MI theory for ELT19 2 3Musical The Foundations of Rock Walter Everett,2009-03-05 This is a comprehensive introduction to the inner workings of rock music Everett takes readers through all aspects of the music and its lyrics leading fans and listeners to new insights and new ways to develop their own interpretations of the aural landscapes of their lives Continuum Encyclopedia of Popular Music of the World, Volume 2 John Shepherd,David Horn,Dave Laing,Paul Oliver,Peter Wicke,2003-05-08 The Bloomsbury Encyclopedia of Popular Music Volume 1 provides an overview of media industry and technology and its relationship to popular music In 500 entries by 130 contributors from around the world the volume explores the topic in two parts Part I Social and Cultural Dimensions covers the social phenomena of relevance to the practice of popular music and Part II The Industry covers all aspects of the popular
