understanding of His unwavering love With that awareness she also found a sense of contentment and release Origen on the Song of Songs as the Spirit of Scripture J. Christopher King, 2005-10-06 Christian exegesis of the Song of Songs has long interacted creatively with and more recently reacted critically against the allegorical interpretation developed by Origen of Alexandria c 185 c 254 in his Commentary and two Homilies on the Song of Songs Interest in Origen's exegesis of the Song's narrative elements has dominated past scholarship which has almost entirely ignored how Origen assesses the Song itself in its unity as a revealed text This study aims to show that the Commentary and Homilies when read in light of Origen's hermeneutic his nuptial theology his understanding of the prophetic mediation of inspired texts and his doctrine of last things clearly portray the Song of Songs itself as the divine Bridegroom's perfect marriage song As such it mediates Christ's eschatological presence as the spirit of Scripture in and through the intelligible structures of the text itself **The Spiritual Songs of Martin Luther, from the German** Martin Luther, John Hunt, 1853 **The Spiritual Songs of Martin Luther, from the German by J. Songs for the Spirits Barley Norton, 2010-10-01 Songs for the Spirits examines the Vietnamese practice of communing with spirits through music and performance During rituals dedicated to a pantheon of indigenous spirits musicians perform an elaborate sequence of songs a songscape for possessed mediums who carry out ritual actions distribute blessed gifts to disciples and dance to the music's infectious rhythms Condemned by French authorities in the colonial period and prohibited by the Vietnamese Communist Party in the late 1950s mediumship practices have undergone a strong resurgence since the early 1990s and they are now being drawn upon to promote national identity and cultural heritage through folklorized performances of rituals on the national and international stage By tracing the historical trajectory of traditional music and religion since the early twentieth century this groundbreaking study offers an intriguing account of the political transformation and modernization of cultural practices over a period of dramatic and often turbulent transition An accompanying DVD contains numerous video and music extracts that illustrate the fascinating ways in which music evokes the embodied presence of spirits and their gender and ethnic identities

Songs of Ethiopia's Tesfaye Gabbiso Lila W. Balisky, 2018-10-19 Tesfaye Gabbiso prominent Ethiopian soloist began composing song texts and tunes as a young lad in the early 1970s during a period of social and political upheaval in Ethiopia This national ferment strengthened a creative surge among a generation of youth as the Ethiopian revolution 1974-91 was taking hold An explosion of indigenous spiritual songs was one result The indigenous song style was in contrast to the imported and translated European hymnody that had earlier been sung in Ethiopia's evangelical churches Because of his testimony both in life and song Tesfaye was imprisoned for seven years during the revolution during which time he continued to compose and sing Thus his songs reflect suffering endurance and hope in the Babylons Meantime and Zions of life experience The human voice in song rooted in the flow of the missio Dei is perhaps the greatest testimony that may be lived out whether in a prison cell or in the larger complex world A special feature of this book is the inclusion of 104 of Tesfaye's songs Cassettes 1-7 in English translation This study is valuable as a cross-cultural textbook offers rich lyrics and embodies a challenge to Christian commitment in the arts
