Sons Of Earth:

The Earth and the Sons of Men Kenneth A. Faminu, 2009-08-29 The book *The Earth and the Sons of Men* is lucid and laconic very easy to read and to understand It is full of intrigues suspense and character manipulation It is really a religious fiction of the highest order The author carefully arranges and perfectly rearranges it as to appear mysterious In the beginning the creatures of the Creator like the Earth the Sky the Moon the Stars the Ocean the Sea the Day and the Night are personified as if they are beings Mother Earth accuses the sons of men of so many vices ranging from warmongering to rumormongering adultery idolatry rape assassination jealousy and arrogance She therefore warns them and promises that if they sons of men fail to desist from these acts of wickedness she would report them to their Creator The sons of men turned deaf ears to Mother Earths advice and committed injustice to humanity and other creatures like the Ocean Sea Day Night Stars and Rivers The only creature the son of man could not mess with is the Sun because of its distance and ferocity Hence Mother Earth called other creatures and briefs them on the atrocities sons of men are perpetuating on her Earth The authors personification of these creatures makes the whole scenario so fearful when you read and picture the catalogue of sons of mens wickedness enumerated by the Earth Mother Earth carefully informed the creatures that the sons of men are so arrogant and incorrigible that they refuse to agree that they are evil and are perpetuating evil she therefore begged and urged these creatures to join her to report these arrogant sons of men to their Creator She seriously implored them to be her witnesses before their Creator God These creatures agreed to be Mother Earths witnesses because they confess the sons of men have committed so many atrocities not only to Mother Earth but also to Ocean Sky Sea Rivers Night Day and even the Moon The systematic religious arrangement and relevant biblical quotations to back the accusations against sons of men show the deep knowledge of the scripture by the author Mother Earth requests an appointment with God through Jesus Christ in order to present her case The author deeply involves Jesus Christ as an authentic witness of Mother Earth during the crucial meeting with God the Creator Mother Earth the Ocean Sea the Sky the Day the Night the Stars the Rivers and the sons of men met with God on the appointed day and at the appointed place to present their cases The Creator listens very well he apportions blame to the sons of men and congratulates Mother Earth The author gradually ameliorates the tension of sharp and logical argument between sons of men and Mother Earth so that the reader could catch his or her breath to be able to see the facts the reasoning and the lessons in the book by allowing God to intervene as his final judgment While God accepts that he created sons of men to be the rulers of all things on Mother Earth he disapproves the acts of wickedness arrogance belligerence and immorality of sons of men The Creators philosophical conclusion makes me shudder and tremble when he pacified Mother Earth and said My spirit will not be with the sons of men because of their wickedness you may wish to know that the sons of men are mere dust they are taken out from you and to you they will return The lessons to be learned from this book are many that men should be free from every kind of wickedness evil greed depravity envy civil strife deceit

of a great revelation from God Nativ s only claim is the wisdom from God to unveil the meaning of the Book of Revelation in all its complexities
