Born to Rule Julia P. Gelardi, 2007-04-01 Julia Gelardi's Born to Rule is an historical tour de force that weaves together the powerful and moving stories of the five royal granddaughters of Queen Victoria These five women were all married to reigning European monarchs during the early part of the 20th century and it was their reaction to the First World War that shaped the fate of a continent and the future of the modern world Here are the stories of Alexandra whose enduring love story controversial faith in Rasputin and tragic end have become the stuff of legend Marie the flamboyant and eccentric queen who battled her way through a life of intrigues and was also the mother of two Balkan queens and of the scandalous Carol II of Romania Victoria Eugenie Spain's very English queen who like Alexandra introduced hemophilia into her husband's family with devastating consequences for her marriage Maud King Edward VII's daughter who was independent Norway's reluctant queen and Sophie Kaiser Wilhelm II's

much maligned sister daughter of an Emperor and herself the mother of no less than three kings and a queen who ended her days in bitter exile *Born to Rule* evokes a world of luxury wealth and power in a bygone era while also recounting the ordeals suffered by a unique group of royal women who at times faced poverty exile and death Praised in their lifetimes for their legendary beauty many of these women were also lauded and reviled for their political influence Using never before published letters memoirs diplomatic documents secondary sources and interviews with descendents of the subjects Julia Gelardi's *Born to Rule* is an astonishing and memorable work of popular history **Her Honourable Playboy** Kate Hardy, 2016-08-15 From E R doctor to high society bride Registrar Alyssa Ward is not pleased when she wins a date with the E R consultant Honorable Sebastian Radley She's not in the market for a relationship especially not with a renowned womanizer like Seb But then again he is devastatingly handsome and after all it's only one date Seb has never been one for monogamy So why does he find that one date with Alyssa just isn't enough There's so much more to her than just another woman he's dated And when she gives him some life changing news he finds himself reassessing who he really wants to be every woman's honorable playboy or Alyssa's honorable husband How to Be a Rock Star's Ex-Girlfriend Kelly J. Hurley, 2007-10 Twenty one year old Ava Sonders is independent and slightly cynical and she has never been in love She doesn't know if she believes in the concept of a soul mate let alone the until death do you part stuff But no one is more surprised than Ava when she becomes attracted to bad boy and struggling musician Braden O Neil After one romantic evening Braden steals Ava's heart Mortified when her behavior is reduced to that of a smitten sixteen year old girl Ava is further distressed when she begins to fantasize about spending the rest of her life with him in the happily ever after sense Unfortunately Braden focuses on his career instead of his girlfriend making music his mistress The relationship gets out of control when Braden's band makes it to the big time and Ava finds that their love life is splashed on the covers of all the tabloids Now Ava must figure out what she wants leading her to discover that sometimes life has a different plan than what one expects Male for Sale Tiffany White, 2016-03-13 When you open your wallet for love make sure you get what you pay for Single in Chicago Noelle Perry doesn't see the harm in going to a bachelor auction It's for a good cause and if she's going to write a fat check it might just get her out of the house and across from a charming guy for one evening right Besides she needs a date for her younger sister's wedding someone she can bring home to the family But when she signs her check she doesn't realize that she's bid on the wrong man She meant to select the guy her dad would love conservative businessman in a three piece suit Instead she bought a sexy bad boy in a black leather jacket At least she wouldn't have to go solo to the wedding and suffer everyone's pitying looks at the older sister still on the shelf And surely Hunter Aston the bad boy could act like a gentleman for a few hours and look at her adoringly Right *"Paint It Black" How Rock-N-Roll And Other Tools Are The Best Problem Solving Techniques* Rom Werran Gayoso, 2016-02-12 This book is a self reflection exercise designed to help readers overcome challenging problems through the use of specific problem solving techniques In the introduction we

learn about decision making strategies that work in situations of uncertainty and we learn scenario planning a technique invented in the 1960 s for the US Dept of Defense later adapted for use in the private sector Each of the seven practical cases listed comprehend a short explanation of the context a stated objective and a story Each story is summarized and at the end of the chapter there is a guided self reflection questionnaire to help the reader adapt the story to a specific problem they want to solve followed by an exercise For example the seventh story Pick a musical instrument or let the instrument pick you is the inspiration for the title of this book The story is the journey of a young musician trying to find a way to express himself through music The problem on hand is to pick one instrument over another so either a guitar or a bass The story presents two powerful instruments for self discovery the experiential approach and futuring In the experiential approach the musician is presented with each instrument one at a time and after each interaction the observer records how the musician felt Futuring involves presenting the musician with different situations using videos and then asking the musician which person they identify with in each case It is important to note as adults we have the added responsibility to exhibit positive behaviors we must share our experience so that hopefully those who come after us will learn from our mistakes The goal of the seventh story is to help us conduct a similar exercise making better choices and more enlightened decisions The first story Buying a House helps us consider the two most influential macro economic variables present in the purchasing of a house inflation and unemployment The second story A Life Changing Investment posts the challenge for us to decide between two good alternatives In the third story Where to Live we follow the journey of a person trying to decide on a place to live but the alternatives are in dramatically different places and cultures The fourth story Cousin Sophie s Wedding is a situation with various deeply ingrained conflicts The fifth story El Otro Lado describes the challenges a potential immigrant faces in the process of deciding to come to the United States or staying put where they are The sixth story Aunt Angie Turns 100 presents a conflict with a person we could not otherwise avoid and therefore need to develop a coping strategy In each story the challenges are real life problems involving characters we encounter on a daily basis and living through situations we cannot leave unattended rather they require immediate attention and the use of good strategies to help us become more successful This is not a feel good type of book rather it is written with the intent to guide the reader through a series of seven self reflection exercises designed to challenge and push us to overcome each specific challenge with the help of a decision making technique In other words the reader is expected to actively use the exercises to find solutions to problems and not to behave like a passive audience

First loves and second chances Forgiveness and forever Life has beaten up on Sophie pretty harshly through the years including the crushing heartbreak of losing the first boy she ever loved The boy she's never truly gotten over Noah Campbell She's a lot less trusting than she used to be with good reason Aside from her best friend Noah's brother Eli she's been betrayed by everyone she ever cared about But she's never forgotten her feelings for Noah or been able to put them aside no matter how much she's wanted to over the years Now that life and circumstances have thrown them together again a clash is inevitable A clash that starts with a stolen kiss Noah has loved Sophie since he was a seventeen year old kid but thanks to her manipulative cousin and his own youthful stupidity he
