Sophisticated Rebels The Political Culture Of European Dissent 1968 1987

Friederike Kind-Kovács, Jessie Labov

Sophisticated Rebels The Political Culture Of European Dissent 1968 1987:

Sophisticated Rebels Henry Stuart Hughes, 1988 Examines two decades of European dissent discusses the influence of the 1968 invasion of Czechoslovakia and assesses the role of dissenters in the modern world *Democracy and Civil Society in Eastern Europe* Paul G. Lewis, 2016-07-27 The book presents an informed and wide ranging examination of issues surrounding the development and future prospects of civil society in Eastern Europe The contributions mostly by leading East European scholars relate the key concept of civil society to the processes that led to the collapse of communism and which bear on prospects for the establishment of a democratic order throughout the region The development of the concept is related to questions like those surrounding economic policy and reform and the women s movement **Samizdat, Tamizdat, and Beyond** Friederike Kind-Kovács, Jessie Labov, 2013-03-01 In many ways what is identified today as cultural globalization in Eastern Europe has its roots in the Cold War phenomena of samizdat do it yourself underground publishing and tamizdat publishing abroad This volume offers a new understanding of how information flowed between East and West during the Cold War as well as the much broader circulation of cultural products instigated and sustained by these practices By expanding the definitions of samizdat and tamizdat from explicitly political print publications to include other forms and genres this volume investigates the wider cultural sphere of alternative and semi official texts broadcast media reproductions of visual art and music and in the post 1989 period new media The underground circulation of uncensored texts in the Cold War era serves as a useful foundation for comparison when looking at current examples of censorship independent media and the use of new media in countries like China Iran and the former Yugoslavia **After Progress** Norman Birnbaum, 2002-07 Here Birnbaum traces the decline and fall of social reform in Europe and America He shows for example that William Howard Taft railed against socialism by which he meant anything restricting the market **Youth Movements and Generational Politics, 19th-21st Centuries** Richard G. Braungart, Margaret M. Braungart, 2023-04-11 Youth Movements and Generational Politics 19th 21st Centuries by Richard and Margaret Braungart is a collection of 19 of their previously published research articles on youthful political activism generational conflict and social change After assessing 1960s student groups on the political left right and center generations of youth movement activity are identified in each world region from the first student movement in Germany in 1815 to the global surge in youth unrest and demonstrations in the 21st century Representing more than 50 years of research youth movements and generational politics are explored from historical generational and global perspectives As a collection these articles are theoretically grounded empirically based interdisciplinary and comparative Exploring youth movements at individual group societal and international levels a variety of methodological approaches for studying youth activism are illustrated In a concluding chapter the Braungarts update youth movement activity in the 21st century and discuss how their previous decades of international research informs the global rise in youthful mobilization over politics The trends and changes in youth unrest and generational politics are

assessed now and into the future **Ibss: Political Science: 1988** British Library of Political and Economic Science,1992
 This bibliography lists the most important works in political science published in 1988 **5/1/1968** J. Jackson,A. Milne,J. Williams,2011-08-26 The events of 1968 are often seen purely as a student revolution but impacted on every aspect of French society theatre film sexuality race the countryside the factories This volume explores the full diversity of this extraordinary upheaval and shows how 1968 continues to reverberate in France today **Political Ideas in Modern Britain** Rodney Barker,2013-01-11 The rise of the New Right and the collapse of state communism in 1989 has fundamentally changed political thinking in the late twentieth century Rodney Barker has revised and extended his classic text Political Ideas in Modern Britain in the light of these changes His accessible account of political thinking in Britain since the 1880s now includes detailed analysis of the demise of traditional conservatism and socialism the rise and decline of the New Right the growth of feminism liberalism and pluralism Political Ideas in Modern Britain charts the changing intellectual landscape of political thinking illustrating how contemporary political thought is both rooted in tradition and a radical transformation of it Whether the future is liberal communitarian pluralist or simply uncertain this is an essential guide for students of British politics Rodney Barker is Senior Lecturer in Government at the London School of Economics and Political Science

Loyalty, Dissent, and Betrayal Leonidas Donskis,2005 Features information about cultural studies history of ideas and Social Sciences **Hot Spot: North America and Europe** Joseph R. Rudolph Jr.,2008-06-30 Even in the relatively serene world of North America and Western Europe numerous conflicts with the propensity for sustained political violence are carried out by domestic groups with alarming regularity This in depth volume explores conflicts and potential hot spot areas in these regions from anti globalization protests to immigration politics to the Basque provinces and the ETA Coverage is divided into three regions the established democracies of the U S Canada and Western Europe the democratizing countries of post communist Europe and the more volatile region encompassing Russia the Balkans the Causasus and Post Soviet Eastern Europe for a greater understanding of geographic interrelationships This comprehensive volume is a first stop reference source for the most significant political cultural and economic conflicts in North America and Europe today *Not a Movement of Dissidents* Christie Miedema,2019-06-03 Wie der osteurop ische Menschenrechtsaktivismus das f r Amnesty International so wichtige Prinzip der Unparteilichkeit auf die Probe stellte Der Menschenrechtsaktivismus von Amnesty International entstand inmitten des Kalten Krieges mit dem ausdr cklichen Ziel den ideologischen Konflikt zu berwinden Zu diesem Zweck entwickelte die Organisation das Prinzip der Unparteilichkeit Es beruhte darauf Menschenrechtsverletzungen in Ost und West in gleichem Ma e zu kritisieren und eine gewisse Distanz zwischen Aktivisten und Gefangenen zu wahren Die politisierte ideologische Landschaft in der Amnesty t tig war und der Menschenrechtsaktivismus in Osteuropa stellten diese Politik insbesondere in den siebziger Jahren in Frage Osteurop ische Menschenrechtsaktivisten lieferten dringend ben tigte Informationen ber eine Region die f r Amnestys Politik der Balance wichtig war Aber je enger die Zusammenarbeit wurde

desto mehr gerieten die Regeln von Amnesty unter Druck insbesondere das Prinzip der Distanz Als Aktivisten zun chst in der Sowjetunion und sp ter in Polen versuchten Amnesty Gruppen und Sektionen in ihren jeweiligen L ndern zu etablieren wurde die Kluft zwischen den nominell universellen Regeln der Organisation und ihrer Praxis in Osteuropa deutlich *Human Rights Activism and the End of the Cold War* Sarah B. Snyder, 2011-06-20 Two of the most pressing questions facing international historians today are how and why the Cold War ended Human Rights Activism and the End of the Cold War explores how in the aftermath of the signing of the Helsinki Final Act in 1975 a transnational network of activists committed to human rights in the Soviet Union and Eastern Europe made the topic a central element in East West diplomacy As a result human rights eventually became an important element of Cold War diplomacy and a central component of d tente Sarah B Snyder demonstrates how this network influenced both Western and Eastern governments to pursue policies that fostered the rise of organized dissent in Eastern Europe freedom of movement for East Germans and improved human rights practices in the Soviet Union all factors in the end of the Cold War Moments of Decision Stephen Eric Bronner, 1992 Moments of Decision takes a fascinating look at the course of radicalism in our time It orients progressives with respect to their traditions shows the relevance of the past to the present and provides a new political interpretation of the struggle for democracy and economic justice **From Selma to Moscow** Sarah B. Snyder, 2018-04-24 The 1960s marked a transformation of human rights activism in the United States At a time of increased concern for the rights of their fellow citizens civil and political rights as well as the social and economic rights that Great Society programs sought to secure many Americans saw inconsistencies between domestic and foreign policy and advocated for a new approach The activism that arose from the upheavals of the 1960s fundamentally altered U S foreign policy yet previous accounts have often overlooked its crucial role In From Selma to Moscow Sarah B Snyder traces the influence of human rights activists and advances a new interpretation of U S foreign policy in the long 1960s She shows how transnational connections and social movements spurred American activism that achieved legislation that curbed military and economic assistance to repressive governments created institutions to monitor human rights around the world and enshrined human rights in U S foreign policy making for years to come Snyder analyzes how Americans responded to repression in the Soviet Union racial discrimination in Southern Rhodesia authoritarianism in South Korea and coups in Greece and Chile By highlighting the importance of nonstate and lower level actors Snyder shows how this activism established the networks and tactics critical to the institutionalization of human rights A major work of international and transnational history From Selma to Moscow reshapes our understanding of the role of human rights activism in transforming U S foreign policy in the 1960s and 1970s and highlights timely lessons for those seeking to promote a policy agenda resisted by the White House **Fantasies of Salvation** Vladimir Tismaneanu, 2009-06-28 Eastern Europe has become an ideological battleground since the collapse of the Soviet Union with liberals and authoritarians struggling to seize the ground lost by Marxism In Fantasies of Salvation Vladimir Tismaneanu

traces the intellectual history of this struggle and warns that authoritarian nationalists pose a serious threat to democratic forces. A leading observer of the often baffling world of post Communist Europe, Tismaneanu shows that extreme nationalistic and authoritarian thought has been influential in Eastern Europe for much of this century while liberalism has only shallow historical roots. Despite democratic successes in places such as the Czech Republic and Poland, he argues it would be a mistake for the West to assume that liberalism will always triumph. He backs this argument by showing how nationalist intellectuals have encouraged ethnic hatred in such countries as Russia, Romania, and the former Yugoslavia by reviving patriotic myths of heroes, scapegoats, and historical injustices. And he shows how enthusiastically these myths have been welcomed by people desperate for some form of salvation from political and economic uncertainty. On a theoretical level, Tismaneanu challenges the common ideas that the ideological struggle is between right and left or between nationalists and internationalists. In a careful analysis of the conflict's ideological roots, he argues that it is more useful and historically accurate to view the struggle as between those who embrace the individualist traditions of the Enlightenment and those who reject them. Tismaneanu himself has been active in the intellectual battles he describes, particularly in his native Romania, and makes insightful use of interviews with key members of the dissident movements of the 1970s and 1980s. He offers original observations of countries from the Baltic to the Black Sea and expresses his ideas in a vivid and forceful style. *Fantasies of Salvation* is an indispensable book for both academic and nonacademic readers who wish to understand the forces shaping one of the world's most important and unpredictable regions.

Cultural Populism Jim McGuigan, Dr Jim McGuigan, 2002-11
First Published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

Identity and Freedom Leonidas Donskis, 2003-09-02. *Identity and Freedom* provides a discursive map of Lithuanian liberal nationalism by focusing on the work of three eminent Lithuanian migrant scholars: Vytautas Kavolis, Aleksandras Shtromas, and Tomas Venclova. Presenting these critics of society and also analysing the significant impact of such writers as George Orwell and Czeslaw Milosz on Lithuanian political and cultural dissent, the book elaborates their three models of liberal nationalism as social criticism. Incorporating material which has so far only been available in Lithuanian, Polish, and Russian sources, this book will be invaluable for anyone interested in Central and East European politics, culture, and society.

Parting Ways Stephen F. Szabo, 2004-09-30. Germany and the United States entered the post 9/11 era as allies, but they will leave it as partners of convenience or even possibly as rivals. The first comprehensive examination of the German-American relationship written since the invasion of Iraq, *Parting Ways* is indispensable for those seeking to chart the future course of the transatlantic alliance. In early 2003, it became apparent that many nations, including close allies of the United States, would not participate in the U.S.-led coalition against Iraq. Despite the high-profile tension between the United States and France, some of the most bitter opposition came from Germany, marking the end not only of the German-American special relationship but also of the broader transatlantic relationship's preeminence in Western strategic thought. Drawing on extensive research and personal

interviews with decisionmakers and informed observers in both the United States and Germany Stephen F Szabo frames the clash between Gerhard Schröder and George W Bush over U S policy in Iraq in the context of the larger changes shaping the relationship between the two countries Szabo considers such longer term factors as the decreasing strategic importance of the U S German relationship for each nation in the post cold war era the emergence of a new German identity within Germany itself and a U S foreign policy led by what is arguably the most ideological administration of the post World War II era

Cervantes and His Postmodern Constituencies Anne J. Cruz, Carroll B. Johnson, 2018-10-24 The essays in this collection represent the first effort in Hispanism to address the conflicted status of Cervantes studies by interrogating the possibility of continued critical dialogue in the context of postmodern theories that threaten to divide into oppositional discourses Comprising broad historical overviews as well as close readings of texts and wielding the rhetoric of scientific detachment and of impassioned political commitments the essays at once exemplify and critique multiple critical positions The collection takes a meaningful and timely look at the formation of cervantismo from the early twentieth century to the prevailing debates on postmodernism and the current crisis of literary studies

The Perversion of Holocaust Memory Judith M. Hughes, 2022-02-24 In the early years of the 21st century it appeared that the memory of the Holocaust was secure in Western Europe that in order to gain entry into the European Union the countries of Eastern Europe would have to acknowledge their compatriots complicity in genocide Fifteen years later the landscape looks starkly different Shedding fresh light on these developments *The Perversion of Holocaust Memory* explores the politicization and distortion of Holocaust remembrance since 1989 This innovative book opens with an analysis of events across Europe which buttressed confidence in the stability of Holocaust memory and brought home the full extent of nations participation in the Final Solution And yet as Judith M Hughes reveals in later chapters mainstream accountability began to crumble as the 21st century progressed German and Jewish suffering was equated anti Semitic rhetoric re entered contemporary discourse populist leaders side stepped inconvenient facts and more recently with the revival of ethno nationalism Holocaust remembrance has been caught in the backlash of the European refugee crisis The four countries analyzed here France Germany Hungary and Poland could all claim to be victims of Nazi Germany the Allies or the Communist Soviet Union but they were also all perpetrators Ultimately it is this complex legacy which Hughes adroitly untangles in her sophisticated study of Holocaust memory in modern Europe

When people should go to the books stores, search inauguration by shop, shelf by shelf, it is truly problematic. This is why we give the books compilations in this website. It will completely ease you to look guide **Sophisticated Rebels The Political Culture Of European Dissent 1968 1987** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. Sophisticated Rebels The Political Culture Of European Dissent 1968 1987 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sophisticated Rebels The Political Culture Of European Dissent 1968 1987 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sophisticated Rebels The Political Culture Of European Dissent 1968 1987 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sophisticated Rebels The Political Culture Of European Dissent 1968 1987 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sophisticated Rebels The Political Culture Of European Dissent 1968 1987 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sophisticated Rebels The Political Culture Of European Dissent 1968 1987 is one of the best book in our library for free trial. We provide copy of Sophisticated Rebels The Political Culture Of European Dissent 1968 1987 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sophisticated Rebels The Political Culture Of European Dissent 1968 1987.
