

The book cover features a large, stylized illustration in shades of blue and purple. In the background, a large, pale face with a wide, open mouth looms over the scene. In the foreground, a smaller figure of a person in traditional African attire, including a patterned headwrap and a beaded waistband, is depicted in a dynamic, dancing pose. The title 'Sorcerers' Village' is printed in white on a dark horizontal band across the middle of the cover.

Sorcerers Village:

Sorcerers of Dobu R. F. Fortune, 2013-09-13 Ever since its first publication in 1932 *Sorcerers of Dobu* has been recognized as one of the great triumphs of anthropological research and interpretation in the field of ethnography A rich source of information on primitive psychology the book presents sociological analysis of the complex tribal organisation of the Dobuans Originally published in 1932 **On the Order of Chaos** Mark S. Mosko, Frederick H. Damon, 2005 The essays in this volume collectively transform perspectives previously experienced as divergent conflicting and inconsistent into a common and complex orientation to problems central to the natural and social sciences involving transitions between order and disorder Jacket **Sorcerers' Village. Oceanic Encounters Margaret Jolly,Serge Tcherkézoff,Darrell Tryon,2009-07-01 This volume the result of ongoing collaborations between Australian and French anthropologists historians and linguists explores encounters between Pacific peoples and foreigners during the longue dur e of European exploration colonisation and settlement from the sixteenth century to the twentieth century It deploys the concept of encounter rather than the more common idea of first contact for several reasons Encounters with Europeans occurred in the context of extensive prior encounters and exchanges between Pacific peoples manifest in the distribution of languages and objects and in patterns of human settlement and movement The concept of encounter highlights the mutuality in such meetings of bodies and minds whereby preconceptions from both sides were brought into confrontation dialogue mutual influence and ultimately mutual transformation It stresses not so much prior visions of strangers or others but the contingencies in events of encounter and how senses other than vision were crucial in shaping reciprocal appraisals But a stress on mutual meanings and interdependent agencies in such cross cultural encounters should not occlude the tumultuous misunderstandings political contests and extreme violence which also characterised Indigenous European interactions over this period

Memoirs of a Porcupine Alain Mabanckou,2012-04-01 All human beings says an African legend have an animal double Some doubles are benign others wicked This legend comes to life in Alain Mabanckou s

outlandish surreal and charmingly nonchalant *Memoirs of a Porcupine* When Kibandi a boy living in a Congolese village reaches the age of 11 his father takes him out into the night and forces him to drink a vile liquid from a jar that has been hidden for years in the earth This is his initiation From now on he and his double a porcupine become accomplices in murder They attack neighbors fellow villagers and people who simply cross their path for reasons so slight that it is virtually impossible to establish connection between the killings As he grows older Kibandi relies on his double to act out his grizzly compulsions until one day even the porcupine balks and turns instead to literary confession Winner of the Prix Renaudot France's equal to the National Book Award Alain Mabanckou is considered one of the most talented writers today He was selected by the French journal *Lire* as one of fifty writers to watch this coming century And as Peter Carey suggests he positions himself at the margins tapping the tradition founded by Celine Genet and other subversive writers In this superb and striking story Mabanckou brings new power to magical realism and is sure to excite American audiences nationwide
