*The Story Behind the Mail* M. J. Washington, 2022-08-01 Sweet Mother of Christ Hallelujah Seems like an avalanche has rolled up to my door The mailbox was stuffed with letters from several different organizations and a couple of catalogs and being a Tuesday there was also a wad of junk mail Remembering the thick manila envelope I'd received from the VFW Veterans of Foreign Wars in mid January with an assortment of gifts a nice tablet size calculator all occasion cards address labels a couple of notepads a calendar even a gift bag My conscience just wouldn't let me rest after receiving all these cool little gifts I just had to send a donation to help with postage and handling I think that's what caused the avalanche of mail that landed at my door Deciding right then to keep a count of all incoming mail I began to write down the names and contents of each envelope thinking it couldn't possibly be too many more after this shipment Boy was I ever wrong I started receiving cards of all kind prayer booklets prayer relics rosaries crucifixes and medals Besides the letters the phone calls started so I started listing them too Within a couple of weeks I had accumulated several pages of organizations requesting help either by phone or postal service And the brain being the peculiar organ that it is my brain anyway it gets restless at times for more activity Firing up the computer I started a real list of all the charitable organizations I hear from daily and decided to make my list an open project

**The wild ass' skin. The chouans, and other stories--[v.2] The country doctor. The quest of the absolute, and other stories** Honoré de Balzac, 1899 *Fado and Other Stories* Katherine Vaz, 2013-11-27 Winner of the 1997 Drue Heinz Literature Prize This collection is filled with narrative and character grounded in the meaning and value the earth gives to human existence In one story a woman sleeps with the village priest trying to gain back the land the church took from her

family in another relatives in the Azores fight over a plot of land owned by their expatriate American cousin Even apparently small images are cast in terms of the earth Milton one narrator explains has made apples the object of a misunderstanding by naming them as Eden's fruit In the Bible no fruit is named in the Garden of Eden and to this day apples are misunderstood They were trying to tempt people not into sin but into listening to the earth more closely their white meal runs wet with the knowledge of the language of the land but people do not listen Vaz's beautiful intensely conscious language often delicately slips her stories into the realm of the fado the Portuguese song about fate and longing Listen for the nightingale that presses its breast against the thorns of the rose on character sings that the song might be more beautiful Such a verse might describe Vaz's own motive behind her willingness to confront her subject's ambiguities and her characters' conflicts the simultaneous joy and sorrow of some of life's discoveries the pain sometimes hidden within passion and pleasure
