Soul As Virgin Wife:

The Soul as Virgin Wife Amy Hollywood, 2000-12-05 The Soul as Virgin Wife presents the first book length study to give a detailed account of the theological and mystical teachings written by women themselves especially by those known as beguines which have been especially neglected Hollywood explicates the difference between the erotic and imagistic mysticism arguing that Mechthild Porete and Eckhart challenge the sexual ideologies prevalent in their culture and claim a union without distinction between the soul and the divine The beguines emphasis in the later Middle Ages on spiritual poverty has long been recognized as an important influence on subsequent German and Flemish mystical writers in particular the great German Dominican preacher and apophatic theologian Meister Eckhart In The Soul as Virgin Wife Amy Hollywood presents the first book length study to give a detailed textual account of these debts Through an analysis of Magdeburg s The Flowing Light of the Godhead Marguerite Porete s Mirror of Simple Souls and the Latin commentaries and vernacular sermons of Eckhart Hollywood uncovers the intricate web of influence and divergence between the beguinal spiritualities and Eckhart

The Soul as Virgin Wife Amy Maria Hollywood, 1991 *Gender, Catholicism and Spirituality* Laurence Lux-Sterritt, Carmen Mangion, 2010-12-09 This timely collection of essays on British and European Catholic spiritualities explores how ideas of the sacred have influenced female relationships with piety and religious vocations over time Each of the studies focuses on specific persons or groups within the varied contexts of England France Italy the Netherlands and Spain together spanning the medieval period through to the nineteenth century Examining the interplay between women s religious roles and patriarchal norms the volume highlights the relevance of gender and spirituality through a wide geographical and chronological spectrum It is an essential resource for students of Gender History Women s Studies and Religious Studies introducing a wealth of new research and providing an approachable guide to current debates and methodologies Contributions by Nancy Jiwon Cho Frances E Dolan Rina Lahav Jenna Lay Laurence Lux Sterritt Carmen M Mangion Querciolo Mazzonis Marit Monteiro Elizabeth Rhodes Kate Stogdon Anna Welch Trinitarian Theology and Power Relations M. Minister, 2014-11-06 This text crafts a trinitarian theology that reorients theology from presumptions about the immateriality of the Trinity toward the places where the Trinity matters material bodies in historical contexts and the intersecting ways political and theological power structures normalize and marginalize bodies on the basis of material difference

The Insistence of God John D. Caputo, 2020-03-20 A tour de force provocative ideas expressed in Heideggerian Derridean and Deleuzian rhetoric for a new wave of Christian theologians Bibliographia The Insistence of God presents the provocative idea that God does not exist God insists God s existence is a human responsibility which may or may not happen For John D Caputo God s existence is haunted by perhaps which does not signify indecisiveness but an openness to risk to the unforeseeable Perhaps constitutes a theology of what is to come and what we cannot see coming Responding to current critics of continental philosophy Caputo explores the materiality of perhaps and the promise of the world He shows

how perhaps can become a new theology of the gaps God opens John D Caputo is at the top of his game and he is not content to reiterate what he has already expressed but continues to develop his own ideas further by way of a thorough engagement with the fields of theology Continental philosophy and religious thought Clayton Crockett University of Central Arkansas For those allergic to theological certainty whether of God's existence or of God's death Caputo delivers storm fresh relief the theopoetics of God's insistence Catherine Keller Drew University In my life I have read no more stimulating book of theology Buckle your seatbelt Dialog An excellent text that opens the way into new forms of theological thinking He puts forward an argument that must be wrestled with and brings to light new avenues for both religious and theological thought Caputo is not for the faint of heart Reviews in Religion and Theology The Unspoken Word Bruce Milner, 2002 Eckhart's sermons have long attracted readers with their daring ideas and brilliant use of language This text examines four sermons to show that Eckhart's way of speaking reflects his theological views especially his commitment as a negative theologian to the absolute ineffability of God **Nobility and Annihilation in Marguerite Porete's Mirror of Simple Souls** Joanne Maguire Robinson, 2001-05-16 An in depth examination of the work of this important medieval woman mystic Mysticism Simon Critchley, 2024-10-29 A probing inspiring exploration of mysticism not as religious practice but as a mode of experience and way of life by one of the most provocative philosophical thinkers of our time Why mysticism It has been called experience in its most intense form and in his new book the philosopher Simon Critchley poses a simple question to the reader Wouldn't you like to taste this intensity Wouldn't you like to be lifted up and out of yourself into a sheer feeling of aliveness both your life and those of the creatures that surround you If so it might be well worthwhile trying to learn what is meant by mysticism and how it can shift elevate and deepen the sense of our lives Mysticism is not primarily a theoretical issue It's not a question of religious belief but of felt experience and daily practice A rough and ready definition of mysticism is that it is a way of systematically freeing yourself of your standard habits your usual fancies and imaginings so as to see what is there and stand with what is there ecstatically Mysticism is the practical possibility of the achievement of a fluid openness between thought and existence This is a book about trying to get outside oneself to lose oneself while knowing that the self is not something that can ever be fully lost It is also a book about Julian of Norwich Anne Carson Annie Dillard T S Eliot and Nick Cave It shows how listening to music can be secular worship It is a book full of learning puzzlement pleasure and wonder It opens the door to mysticism not as something unworldly and unimaginable but as a way of life Love that Produces Hope Kevin F. Burke, Robert Anthony Lassalle-Klein, 2006 Father Ignacio Ellacuria SJ president of the University of Central America leading Latin American philosopher and liberation theologian was assassinated with five Jesuit companions and two women on November 16 1989 Love That Produces Hope brings together leading authorities on key aspects of Ellacuria's thought His biography and writings embody late twentieth century transformations and tensions that reshaped the life of the Catholic Church among the crucified peoples of Central America *Mystical Languages of Unsayings* Michael A. Sells, 1994-05-02 The

subject of Mystical Languages of Unsayings is an important but neglected mode of mystical discourse apophysis which literally means speaking away Sometimes translated as negative theology apophatic discourse embraces the impossibility of naming something that is ineffable by continually turning back upon its own propositions and names In this close study of apophysis in Greek Christian and Islamic texts Michael Sells offers a sustained critical account of how apophatic language works the conventions logic and paradoxes it employs and the dilemmas encountered in any attempt to analyze it This book includes readings of the most rigorously apophatic texts of Plotinus John the Scot Eriugena Ibn Arabi Marguerite Porete and Meister Eckhart with comparative reference to important apophatic writers in the Jewish tradition such as Abraham Abulafia and Moses de Leon Sells reveals essential common features in the writings of these authors despite their wide ranging differences in era tradition and theology By showing how apophysis works as a mode of discourse rather than as a negative theology this work opens a rich heritage to reevaluation Sells demonstrates that the more radical claims of apophatic writers claims that critics have often dismissed as hyperbolic or condemned as pantheistic or nihilistic are vital to an adequate account of the mystical languages of unsaying This work also has important implications for the relationship of classical apophysis to contemporary languages of the unsayable Sells challenges many widely circulated characterizations of apophysis among deconstructionists as well as a number of common notions about medieval thought and gender relations in medieval mysticism

Meister Eckhart and the Beguine Mystics Bernard McGinn, 1997-01-09 The great German mystic Meister Eckhart remains one of the most fascinating figures in Western thought Revived interest in Eckhart's mysticism has been matched and even surpassed by the study of the women mystics of the late 13th century This book argues that Eckhart's thought cannot be fully understood until it is viewed against the background of the breakthroughs made by the women mystics who preceded him

The Oxford Handbook of Mystical Theology Edward Howells, Mark A. McIntosh, 2020-02-25 The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and

metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook The Italian Millionaire's Virgin Wife Diana Hamilton,2006-08-01 Mercy Howard's childhood was sheltered and her job as housekeeper to sexy Italian businessman Andreo Pascali makes her realize that she needs a makeover A new haircut and some clothes later Andreo discovers his housekeeper is no longer a mouse but a fox He wants to add mistress to Mercy's list of duties but she's not going to settle for a no strings affair *Phenomenology and the Human Positioning in the Cosmos* Anna-Teresa Tymieniecka,2012-10-24 The classic conception of human transcendental consciousness assumes its self supporting existential status within the horizon of life world nature and earth Yet this assumed absoluteness does not entail the nature of its powers neither their constitutive force This latter call for an existential source reaching beyond the generative life world network Transcendental consciousness having lost its absolute status its point of reference it is the role of the logos to lay down the harmonious positioning in the cosmic sphere of the all establishing an original foundation of phenomenology in the primogenital onto-poiesis of life *Woman! as virgin, wife and mother. ...
