FAMILIAR STRANGERS - Soul Mates, Twin Flames and Their Astrological Synastry Debbie Nagioff,2015-06-03 We encounter many soul mates in this life from the time we are born till the day we die mothers fathers sisters brothers cousins uncles and aunts best friends lovers husbands wives Yet arguably the meeting that has the greatest impact on our lives and our psyche is that between twin flames or twin souls Suffice to say it s a very rare connection indeed My first book *The Twin Flame and other Soul Mate Connections* dealt exclusively with such connections I would say in all honesty that unless you have experienced a twin flame connection then you have no business writing a book about it and pontificating on mere theory If I hadn t experienced such a meeting I doubt I would have had the necessary credentials to write such a book *Familiar Strangers* is primarily a look at the twin soul and soul mate connections but from the astrological point of view It therefore necessitates covering the very basics of astrology from a light coffee table perspective so that readers can go away and research their own charts and move on to more in depth research into astrology and soul connections At the end of this book I have added some of the articles I wrote in my first book *The Twin Flame and other Soul Mate Connections* If you have read that first you can choose to re read those articles or ignore them To all those who have suffered the bereavement of soul mate separation and feel they are truly going insane to those involved in a soul connected relationship they haven t the words to describe or are desperate so to do this book is for you Debbie Nagioff DMS Astrol DPLT 3 June 2015 **ARIES**
