Onward ,1911 *Moving Forward by Looking Back* Craig Steiner, 2009-08-30 How many times have you poured your heart and soul into something for your youth ministry only to have it fall flat leaving not much more than a fond memory in the minds of students let alone amazing life change in their hearts You re not alone Far too often we build plans and programs and then stop to ask God to bless them We all want a transformational student ministry but we need to remember that God has to be the one doing the transformations in the lives of our students Based on the principles found in the book of Acts *Moving Forward by Looking Back* will help you look back at how God transformed lives through the early church and look forward at how those principles can be applied to your youth ministry today As you reflect on the book of Acts you ll explore how your youth ministry can implement the principles of Adoration engaging students with God Community engaging students with God s people Truth engaging students with God s Word Service engaging students with God s world With practical ideas that are easy to apply in

any ministry context whether you re a rookie or a veteran a professional or a volunteer youth worker this book is an invaluable resource for any youth ministry that wants to see its students transformed by God **Christianity Is a Kingdom** Joycelyn Dankwa,2017-11-08 Christianity Is A Kingdom is written to empower you and make you useful for your generation It is to help you fulfill your purpose on earth It is a not just an intellectual property but a resource to help your spirituality It is to create the awareness in you that every child of God is a King who has the Kingdom to protect Every believer of our Lord Christ must understand that Christianity is a Kingdom Chapter One explains what Christianity is Chapters Two and Three explains what the Kingdom is about Chapters Four and Five guides you on how to live for Jesus and develop godly character for the kingdom Chapter Six warns about Kingdom distractions and Chapter Seven gives concrete strategizes the church can employ to fulfill Kingdom mandate in this generation and the future ones This book is not to redefine the church but to explain who we are and why we are children of God In this book you will learn deep things about the Kingdom and the marriage between Christianity and the Kingdom Christianity is not another religion but the way of life tailored after a person The man Jesus Christ The Unfinished Conversation Evangeline Thiessen,2015-06-09 Brought up in a strict fundamentalist household Evangeline Thiessen like many Christians found herself at odds with complex dogma that kept her from a lucid understanding of her relationship with God It was the death of her father himself a former minister that finally brought her troubling spiritual disconnect into sharp focus and set her on a path that would afford her a new understanding of her own faith Stepping away from the petrified state of twenty first century fundamentalist Christian thought she decided to re examine the Greco Judeo Christian roots from which modern Christianity has grown What she found was that a great deal of what informs the many far flung Christian denominations has very little basis in the gospel of Christ These other influences can however be explained and even understood if one is willing to look at the broader contexts from which they arose The tone and message of the remarkable spiritual conversation started by Jesus has been shifted and stifled over the centuries but for those willing to listen it can still be discerned The Unfinished Conversation is at once erudite and readable It is an invitation for Christians to reconnect with the still vital core of faith voiced two thousand years ago **WHEN CAN A CHRISTIAN HAVE AN INTIMATE CONVERSATION WITH THE LORD?** Rev.
