**The Wheels of Soul in Education**, 2010-01-01 This book boldly re-frames the basis of our collective approach to education. It presents a compelling argument for an educational world view that perceives self, society and the universe as an undivided whole, a holarchy of wholes within wholes, wheels within wheels. Soul in education is an international movement rooted in the holistic education paradigm. It challenges us individually and collectively to re-ensoul our educational thinking and practice from the inside out. At the heart of this educational world view is an appreciation of the spiritual presence of the soul as the source self that exists beyond the surface appearance of personality and infuses an individual with positive transformative qualities that energise lifelong learning and creative living. The essays in this book describe practices that attend to the cultivation of the soul in a range of educational contexts. Written by holistic educators from around the globe, they build a picture of education that develops a multidimensional understanding of self and other. Through creativity, paradox and mystery, teachers invite the emergence of soul qualities in themselves and learners, qualities such as joy, justice, caring, ethics, compassion and tolerance, providing the vital basis for the creation of a more equitable social reality in the 21st century and beyond.

**Radical Wisdom** Beverly Lanzetta, Lanzetta illuminates the transformative potential of the classical tradition of women mystics, especially in light of contemporary violence against women around the world. Focusing on the contemplative process as women's journey from oppression to liberation, Lanzetta draws especially on the mysticism of Julian of Norwich and Teresa of Avila. She lays out the contemplative techniques used by mystics to achieve their highest spiritual potential and also investigates how unjust social and political conditions afflict women's souls. Lanzetta identifies a specific historical female mystical path, the *via feminina*, and draws contemporary conclusions for how women might understand their bodies, their rights and their ethics.

**You Were Born Again to Be Together** Dick Sutphen, 2021-10-26 Discover the classic guide to past life regression that reveals how soulmates are reunited across the ages from renowned psychic researcher Dick Sutphen. There is absolutely no doubt in my mind that romantic partners together in this lifetime have been together before. After being hypnotized and shown his own past lives, Dick Sutphen went on to become a practitioner of hypnosis and past life regressions. Over the years he worked with many people and discovered the importance of karma that we have lessons to learn and if we do not do so in one lifetime we will encounter them in another lifetime. Other people are instrumental in our learning these karmic lessons and we can be tied to certain individuals in life after life. In this book, Sutphen shares regressions with several clients and includes transcripts of their sessions. In hearing their stories, we discover what these people came to understand about the challenges in their

present lives after they looked to the past Originally written in 1976 *You Were Born Again to Be Together* remains a useful primer in shining a light on metaphysics and the amazing power of the human spirit Discover the classic guide to past life regression that reveals how souls are reunited across the ages

volume the earnest student or professional astrologer is given in depth information regarding Karma previous lives chakras myth objects for meditation the Ray of the Soul and of course the Soul's purpose for the personality Vol 7 treats cases 1-16 The introductory section explains Symbols and Methods used Planetary Rulers Chart Interpretation Permutations in Basic Symbols Compound Complexes The Rising Sign House Cusps Sun Earth Opposition Astrological Parsing Literal Parsing Aspects Use of Angular Aspects Planet Sign House Influences Intercepted Signs Retrograde Planets Karmic Indications in the Horoscope Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual it is also capable of providing the personality with direction and useful advice When we are dealing with Man on the Path a far far more accurate an interpretation of his situation its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology The development of the computer has made the horoscope available to the millions and it is but a matter of time before the same computers begin to sieve out the real from the unreal In the end however the real is only discovered within and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles To ignore the individual horoscope is to leave astrology esoteric or exoteric with feet of clay What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope Thus providing the interpreter views the horoscope from a point of higher synthesis the most accurate interpretation of a personality matter may be gauged from particular astrological aspects Bailey herself or the Tibetan Master through her gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers called hierarchical which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet as It implements the Divine Plan for the Earth
