Orchids in Moonlight Patricia Hagan,2019-10-22 A Young Woman Searching for Her Father Loses Her Heart to Her Outcast Guide in Orchids in Moonlight a Historical Western Romance by Patricia Hagan Together the lovers ride the dangerous Sierra Nevada ranges Jaime Chandler searching for her father is finally in the care of the one man Cord Austin who can safely lead her to San Francisco Cord Austin guards a dark secret and intends to leave his passion for Jaime behind in the dust But when Jaime s search for her father ends in an unexpected web of treachery and deceit the lovers discover a truth neither dare deny THE SOULS AFLAME SERIES by Patricia Hagan This Rebel Heart This Savage Heart OTHER TITLES by Patricia Hagan Say You Love Me Starlight Simply Heaven Orchids in Moonlight Final Justice Forbidden to Love Passion s Fury Consumed by Passion: a Clarion Call for Prayers Dr. Boniface Okenchi Eziumume,2014-01-13 This book Consumed by Passion is a penitent outcry for intercessors over the unfolding scourge of satanic attacks against our society The spirit of violence lust materialism and seduction roams about on our streets inflicting pain and destroying our marriages and homes redefining sexuality destroying the careers of our teenagers through teenage pregnancies millions of children in silence scream as they suffer the pain and violence of abortion Our pulpits and pews filled with lust and mind numbing spiritual coldness as millions unwarned with the gospel march towards eternal damnation Should we continue to be at ease in Zion and turn a deaf ear to the cry of the Spirit of God Should Hollywood and media redefine morality while the church is silent Should we confront spiritual violence with physical violence Is the answer arming our pastors and church members No Oh the cry of the Spirit for the hour A Clarion Call for Prayers *Dangerous Citizens* Neni Panourgíá,2009-08-25 This book simultaneously tells a story or rather stories and a history The stories are those of Greek Leftists as paradigmatic figures of abjection given that between 1929 and 1974 tens of thousands of Greek dissidents were detained and tortured in prisons places of exile and concentration camps They were sometimes held for decades in subhuman conditions of toil and deprivation The history is that of how the Greek Left was constituted by the Greek state as a zone of danger Legislation put

in place in the early twentieth century postulated this zone. Once the zone was created there was always the possibility which came to be a horrific reality after the Greek Civil War of 1946 to 1949 that the state would populate it with its own citizens. Indeed the Greek state started to do so in 1929 by identifying ever increasing numbers of citizens as Leftists and persecuting them with means extending from indefinite detention to execution. In a striking departure from conventional treatments Neni Panourgi places the Civil War in a larger historical context within ruptures that have marked Greek society for centuries. She begins the story in 1929 when the Greek state set up numerous exile camps on isolated islands in the Greek archipelago. The legal justification for these camps drew upon laws reaching back to 1871 originally directed at controlling brigands that allowed the death penalty for those accused and the banishment of their family members and anyone helping to conceal them. She ends with the 2004 trial of the Revolutionary Organization 17 November. Drawing on years of fieldwork Panourgi uses ethnographic interviews, archival material, unpublished personal narratives and memoirs of political prisoners and dissidents to piece together the various microhistories of a generation stories that reveal how the modern Greek citizen was created as a fraught political subject. Her book does more than give voice to feelings and experiences suppressed for decades. It establishes a history for the notion of indefinite detention that appeared as a legal innovation with the Bush administration. Part of its roots Panourgi shows lie in the laboratory that Greece provided for neo colonialism after the Truman Doctrine and under the Marshall Plan.

Going for Broke James M. McCaffrey, 2013-04-30. When Japanese forces attacked Pearl Harbor on December 7, 1941, Americans reacted with revulsion and horror. In the patriotic war fever that followed, thousands of volunteers including Japanese Americans rushed to military recruitment centers. Except for those in the Hawaii National Guard who made up the 100th Infantry Battalion, the U.S. Army initially turned Japanese American prospects away. Then as a result of anti Japanese fearmongering on the West Coast, more than 100,000 Americans of Japanese descent were sent to confinement in inland relocation centers. Most were natural born citizens; their only crime their ethnicity. After the army eventually decided it would admit the second generation Japanese American Nisei volunteers, it complemented the 100th Infantry Battalion by creating the 442nd Regimental Combat Team. This mostly Japanese American unit consisted of soldiers drafted before Pearl Harbor, volunteers from Hawaii, and even recruits from the relocation centers. In Going for Broke, historian James M. McCaffrey traces these men's experiences in World War II from training to some of the deadliest combat in Europe. Weaving together the voices of numerous soldiers, McCaffrey tells of the men's frustrations and achievements on the U.S. mainland and abroad. Training in Mississippi, the recruits from Hawaii and the mainland have their first encounter with southern style black white segregation. Once in action, they helped push the Germans out of Italy and France. The 442nd would go on to become one of the most highly decorated units in the U.S. Army. McCaffrey's account makes clear that like other American soldiers in World War II, the Nisei relied on their personal determination, social values, and training to go for broke, to bet everything, even their lives. Ultimately, their bravery and patriotism in the face of prejudice advanced racial

harmony and opportunities for Japanese Americans after the war **Moorland Sanctuary** R. H. Law, 1914 *Medieval Irish Apocrypha* Zen Garcia, 2018-02-13 This compilation of Irish medieval apocryphal texts is composed mostly of visions dreams and supernatural occurrences which helped shape the early English Christian church landscape faith and belief The index consist of The Vision of Laisren The Incredible Vision Of St Drytheim The Vision Of Tundale Irish Passion Of St Christopher The Dream Of The Rood Liber Monstrorum The Avenging Of The Savior The 15 Tokens Of Doomsday Tidings Of Doomsday The Tidings Of The Resurrection The Vision Of Alberic The Beheading Of John The Baptist The Mother s Lament At The Slaughter Of The Innocents The Legend Of Veronica and In Taking Bithnua The Tongue Of Angels also known as The Ever new Tongue **Aelred of Rievaulx (1110-1167)** Pierre-André Burton, OCSO, 2020-12-15 This book places the life of Aelred of Rievaulx third abbot of the English Cistercian abbey of Rievaulx within the hundred year period from the Norman Conquest of England in October 1066 through Aelred s death in January 1167 While exploring what is known of Aelred s life from his own works and especially from the principal work of Walter Daniel author of The Life of Aelred of Rievaulx Burton considers the influence of both English and church history on Aelred s personality and purpose as Christian abbot and writer He emphasizes the place of the crucified Christ at the center of Aelred s life while calling spiritual friendship not only personal but cosmological the hermeneutic key to his teaching *Hymns of the Roman liturgy* Catholic Church, Joseph Connelly, 1957 Christ and the Human Soul Rudolf Steiner, 2023-07-05 10 Lectures in Copenhagen and Norrköping May 23 30 1912 July 12 16 1914 CW 155 Spiritual science does not want to replace Christianity rather it aims to be the instrument through which the meaning of Christianity can be grasped And one thing that will become particularly clear through spiritual science is that the being whom we call Christ must be recognized as the center of life on earth and that what we call the Christian faith is the ultimate religion the eternal religion for the future of the earth Rudolf Steiner July 13 1914 This collection of lectures from 1912 and 1914 offers a deepened understanding of the being of Christ the divine Logos in his connection with individual human souls From religious figures such as John the Baptist and Saint Francis to the twentieth century poet Christian Morgenstern these lectures reveal how Christ works with and through all who seek him The Pauline statement Not I but Christ in me becomes an inner guide by which each human soul can find a way to intimate union with the Christ being It is he who has the power to make our ideals and goals in life if they are worthy into true seeds of future reality The time of faith has come and gone Christ needs our conscious striving our effort to understand within the heart s deep core his ongoing presence and activity in the further evolution of our spiritual Earth and in our journey toward humanness These lectures are a comfort and a signpost for the soul to walk the inner path of communion with Christ for the healing and redemption of the earth We may be able in the end to redeem the karma accrued by our own individual souls but for our spiritual work to be fruitful for all humanity it must be brought into connection with Christ What we take into ourselves in such a way that it is done from the perspective of Not I this is what Christ makes into a common possession for all humanity

July 14 1914 To know Christ means to undergo the school of selflessness Under the influence of materialism the selflessness of humanity was lost in a way as will be understood in future ages of humanity However through absorption in the Mystery of Golgotha the penetration of the knowledge of the Mystery of Golgotha with our whole feeling and soul being we can once again acquire a culture of selflessness We can come to understand that what Christ did for the development of the Earth is contained in the fundamental impulse of selflessness and that what he can become for the conscious development of the human soul is the school of selflessness Rudolf Steiner June 1 1914 To read these lectures is to strike out on the heart's path of fellowship with the living Christ This book is a translation from German of Christus und die Menschliche Seele ber den Sinn des Lebens Theosophische Moral Anthroposophie und Christentum GA 155 3rd ed Rudolf Steiner Verlag Dornach Switzerland 1994 Cover image Salvator Mundi 1499 1510 by Leonardo da Vinci

The Routledge History of the Devil in the Western Tradition Richard Raiswell,Michelle D. Brock,David R. Winter,2025-05-29 Covering a period of 2000 years this book offers an interdisciplinary exploration of the devil's role in the Western tradition and draws from history religion art literature media studies and anthropology to provide a multifaceted view of the devil over time The Routledge History of the Devil in the Western Tradition examines topics such as the devil's scriptural origins medieval development and role in witch hunting and possession cases as well as the influence of the demonic on contemporary issues like terrorism political polarisation and digital culture Collectively this volume demonstrates that the demonological imagination has served as part of the glue holding Western societies together While contexts misfortunes and anxieties have shifted according to time and place many of the dynamics that underlie the devil's construction and detection have important continuities This book then provides an innovative history of the anti West the West as seen through its anxieties fears and attempts to define and police itself and its boundaries With contributions from 28 leading scholars in the field this volume is of interest to all students and scholars of the devil in the Western world
