In consequence of the steady increase of the costs of all materials during the war the publishers are compelled to raise the price of the Tauchnitz Edition to M 3.— sewed, and in half-cloth (Halbleinenband) to M 4.75. This increase of price is only intended as a temporary measure.

Until further notice only a few volumes bound in soft binding, half-leather and half-cloth are still available; but purchasers must reckon with longer delay of such orders.
