Sound Christian Doctrine:

Sound Doctrine For Today's Christians; What the bible says Rev. Preston N. Jr. Tolliver, 2009-08-17 Sound Doctrine for Today's Christians addresses a multitude of today's issues from a scriptural standpoint. The author relies upon the scriptures to provide the commentary as chapter after chapter of Biblical clarity is given to provide sound doctrine for the reader. The end result is a forthright scriptural presentation in complete thoughts as referenced from the King James Version exclusively of the Bible. There are forty chapters presented that cover a gamut of topics from the reasons for reading the Bible to faith issues, differentiation of Christianity in terms of denominations and from other religions, personal life choices and the choices of a nation. Profound statement after statement is presented with the irrefutable clarity of the scriptural basis provided for each statement. This book provides a basis for Biblical doctrine examination and well as an awesome evangelistic thrust.

Sound Doctrine Bobby Jamieson, 2013 Sound doctrine is the life blood of God's people providing the foundation for the church's unity and witness. This short readable book speaks to the importance of good theology for godly living. Part of the 9Marks Building Healthy Churches series. Know sound doctrine of Christ in order to grow in faith and in communion with God Alain Michel FOPOUSSI DJOUAMEDA, 2020-03-25 Being in sound doctrine of Christ is fundamental. According to the Word of God, being a Christian is perfectly synonymous with being in sound doctrine of Christ. To obey the Gospel of Christ is to receive his teaching. In these end times when the subtle and refined counterfeit of Christian faith is spreading everywhere and when we are constantly subjected to all kinds of trials and attacks more difficult than the others, it is more than ever necessary for any true Christian to know sound doctrine so as not to be swept away by foreign doctrines, to fight the good fight of faith and to beware of false prophets and false anointed men, these voracious wolves who spy on us and look for favourable opportunities to be able to devour us. But knowing sound doctrine of Christ is above all necessary for our spiritual growth in order to have an ever deeper communion with our Lord and to get closer and closer to spiritual maturity.

Things Which Become Sound Doctrine J. Dwight Pentecost, 1965 Fourteen key Bible doctrines including grace, repentance, sanctification, security and predestination are explained in everyday terms. **Sound Doctrine** Torben Sondergaard, 2013-10 According to the Bible, sound doctrine creates true fear of the Lord. If this fear of the Lord is missing in our churches as it seems to be, it must be a sign that we do not preach the true Word of God and sound doctrine. Teaching sound doctrine should cause us to see a need to surrender everything to God and to live in the light. There is no darkness, no sin when we are walking in the light. 1 John 1:7 True godliness and holiness is required to walk with God. In this prophetic word to the Church, Torben brings us back to the Bible where sound doctrine is found, including how to address sin in the church and in the individual. Has the church been teaching sound doctrine? Has it become soft on sin? Can the church expect its prayers to be answered if there is sin in the camp? Is the church accursed because it has allowed sin to thrive unchallenged? Can a person truly be born again and continue in conscious sin? Have we been teaching a grace that tramples the blood of

Jesus These are serious questions that must be addressed if we expect God to hear our prayers His word to the church
