

## Sweet End

**Rev. Steve Edington, Woody Guthrie**

## Sweet End:

Bring Your Own God Rev. Steve Edington, Woody Guthrie, 2012-07-10 I loved this book Rev Edington writes with such great ease and holds your attention I am not a bookworm and don't usually get tied down with a book but it was hard for me to put down Bring Your Own God as I read about my brother Woody Guthrie's religion and his spiritual life I read it through in one sitting Bravo Mary Jo Guthrie Edgmon Shawnee Oklahoma Sister of Woody Guthrie Bring Your Own God The Spirituality of Woody Guthrie welcomes us to join Woody as he travels that ribbon of highway on his life's journey Like Edington's classic The Beat Face of God which details the spirituality of Jack Kerouac and other Beat Generation writers this book opens up doors into the heart and soul of an extraordinary man who remains a voice for all people Bring Your Own God provides us with a fresh look and deeper understanding of the enduring legacy of one of the twentieth century's iconic artists David Amram Mr Amram is an acclaimed and multitalented musician composer and author His many compositions include Symphonic Variations on a Song by Woody Guthrie Woody Guthrie was and remains a creative writer against greed and against those who inflict poverty and hardships on others He has been and is an inspirational hero to those who fight poverty and pain Through the years Woody has been accused of many unpatriotic activities and numerous writings have been levied against him He has been the subject of books and articles both negative and positive about his life and about his creativity However until Rev Stephen Edington became interested very little has been written about his spiritual beliefs This book shows why Woody was a man of love compassion and creativity in spite of sadness hardships tragedy and other emotional blockages Guy Logsdon Mr Logsdon is a noted Woody Guthrie Scholar from Tulsa Oklahoma **The Literary Gazette and Journal of Belles Lettres, Arts, Sciences**, 1822 *Holy Bingo, the Lingo of Eden, Jumpin' Jehosophat and the Land of Nod* Les Harding, 2006-01-25 Christianity abounds with fascinating little known trivia Gas station attendants for example enjoy their own patron saint So do stamp collectors truss makers and sailors in the Bolivian navy Jesus and Judas were common names in the biblical period and Jesus of Nazareth had a brother named Judas The forbidden fruit was more likely an apricot than an apple and Delilah hired a barber to cut Sampson's hair This dictionary of miscellany combs the annals of Christian esoterica offering the most intriguing facts that are often forgotten overlooked or ignored Departing from the standard subject matter this work serves as an unruly companion to the typical Bible dictionary Nearly 1500 entries range from Aaron's beard a popular name for Saint John's wort to zounds an antiquated Christian swear word Information is cross referenced and includes numerous quotations **Shakespeare's Folktale Sources** Charlotte Artese, 2015-06-03 Shakespeare's Folktale Sources argues that seven plays The Taming of the Shrew Titus Andronicus The Merry Wives of Windsor The Merchant of Venice All's Well that Ends Well Measure for Measure and Cymbeline derive one or more of their plots directly from folktales In most cases scholars have accepted one literary version of the folktale as a source Recognizing that the same story has circulated orally and occurs in other medieval and early modern written versions allows for new

readings of the plays By acknowledging that a play's source story circulated in multiple forms we can see how the playwright was engaging his audience on common ground retelling a story that may have been familiar to many of them even the illiterate We can also view the folktale play as a Shakespearean genre defined by source as the chronicle histories are that spans and traces the course of Shakespeare's career The fact that Shakespeare reworked folktales so frequently also changes the way we see the history of the literary folk or fairy tale which is usually thought to bypass England and move from Italian novella collections to eighteenth century French salons Each chapter concludes with a bibliography listing versions of each folktale source as a resource for further research and teaching Published by University of Delaware Press Distributed worldwide by Rutgers University Press

*Greek Poems to the Gods* Barry B. Powell, 2022-08-09 The ancient Greek hymnic tradition translated beautifully and accessibly The hymn as poetry as craft as a tool for worship and philosophy was a vital art form throughout antiquity Although the Homeric Hymns have long been popular other equally important collections have not been readily accessible to students eager to learn about ancient poetry In reading hymns we also gain valuable insight into life in the classical world In this collection early Homeric Hymns of uncertain authorship appear along with the carefully wrought hymns of the great Hellenistic poet and courtier Callimachus the mystical writings attributed to the legendary poet Orpheus written as Christianity was taking over the ancient world and finally the hymns of Proclus the last great pagan philosopher of antiquity from the fifth century AD whose intellectual influence throughout western culture has been profound *Greek Poems to the Gods* distills over a thousand years of the ancient Greek hymnic tradition into a single volume Acclaimed translator Barry B Powell brings these fabulous texts to life in English hewing closely to the poetic beauty of the original Greek His superb introductions and notes give readers essential context making the hymns as accessible to a beginner approaching them for the first time as to an advanced student continuing to explore their secrets Brilliant illustrations from ancient art enliven and enrich the experience of reading these poems

**The Connected Condition** Yohei Igarashi, 2019-12-10 The Romantic poet's intense yearning to share thoughts and feelings often finds expression in a style that thwarts a connection with readers Yohei Igarashi addresses this paradox by reimagining Romantic poetry as a response to the beginnings of the information age Data collection rampant connectivity and efficient communication became powerful social norms during this period *The Connected Condition* argues that poets responded to these developments by probing the underlying fantasy the perfect transfer of thoughts feelings and information along with media that might make such communication possible This book radically reframes major poets and canonical poems Igarashi considers Samuel Taylor Coleridge as a stenographer William Wordsworth as a bureaucrat Percy Shelley amid social networks and John Keats in relation to telegraphy revealing a shared attraction and skepticism toward the dream of communication Bringing to bear a singular combination of media studies the history of communication sociology rhetoric and literary history *The Connected Condition* proposes new accounts of literary difficulty and Romanticism Above all this book shows that the Romantic poets

have much to teach us about living with the connected condition and the fortunes of literature in it **Shakespeare's Comedies, Histories, Tragedies, and Poems** William Shakespeare, 1858 **Arete** Stephen G. Miller, 2012-09-01 From the informal games of Homer's time to the highly organized contests of the Roman world Miller has compiled a trove of ancient sources Plutarch on boxing Aristotle on the pentathlon Philostratos on the buying and selling of victories Vitruvius on literary competitions and Xenophon on female body building Arete offers readers an absorbing lesson in the culture of Greek athletics from the greatest of teachers the ancients themselves and demonstrates that the concepts of virtue skill pride valor and nobility embedded in the word arete are only part of the story from antiquity This bestselling volume on the culture of Greek athletics is updated with a new preface by leading scholar Paul Christesen that discusses the book's continued importance for students of ancient athletics *Measure For Measure, the Law and the Convent* Darryl J. Gless, 2015-03-08 Through careful attention to the contexts of Renaissance culture invoked by the language action and visual spectacle in Measure for Measure Darryl Gless brings a new and original interpretation to one of Shakespeare's most problematic plays This leads him to a comprehensive and coherent reading of the play that has important implications for further understanding of much of the Shakespearean canon and of other Renaissance works especially those dealing with theological issues Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **A Mountain Daisy** Emily Grace Harding, 1879
