Walter Savage Landor, 1891 **Going Postal** R.J. DiPerna, 2022-08-08 Going Postal By R J DiPerna The United States Postal Service has experienced twenty seven mass shootings from 1970 to 2021 with more than fifty people losing their lives Why What pushes someone over the edge into violence Is it a single noticeable event or a culmination of many small events piled on top of each other that cause someone to break Perhaps if pushed hard enough any of us can snap Going postal is based on actual events The author speaks from an insider point of view which not only highlights people's flaws but the flaws of a large governmental agency whose vast rules and regulations break down leaving workers to feel like they have to take matters into their own hands This novel delves into mental illness addiction verbal and physical abuse domestic violence sexual harassment friendship romance betrayal and revenge The two main female characters Gemma and Dani are hoping for a fresh start Instead they find themselves in the precarious position of losing everything after a bitter battle erupts between them Both women need their secure job to be set free so they ruthlessly decide to do whatever it takes to hold onto their livelihoods While the women face off alliances are formed thrusting others into the growing turmoil The fighter instinct inside both women is the driving force that pits management the union and coworkers against each other As a result five characters reach their breaking point each bent on revenge Works and Life: Imag. conversations: ser 3. contin.; ser 4. It's Complicated J. S. Cooper, 2021-01-01 Santa baby I've really been an awful bad girl If the city ever decides to put a sign on my front door it will say Good Girl Gone Bad This year I am definitely on Santa's naughty list and it's not even my own fault How was I supposed to know that when I asked for a boyfriend for Christmas that my wish would be granted with not one but two suitors vying for my heart When one problem becomes two My two suitors are exact opposites Lucas the corporate hottie wants me to spend Christmas Eve at his penthouse and Connor the bad boy rockstar wants to take me to an isolated cabin on Christmas Day I've agreed to both invitations Hey a girl has to explore her options The Christmas surprise I didn't see coming And then everything went wrong Because who couldn't see this trainwreck coming besides from me Both guys wanted to see me on New Year's Eve each one sliding a naughty note under my door promising copious amounts of spiced eggnog and an even spicier night The only problem was they'd both invited me to the same party Turns out they were connected in a way I never saw coming It's complicated doesn't even begin to express my dilemma The only thing I know is that at midnight the fireworks going off aren't just going to be in the sky
