Minimizing Conflict Through Restorative Conferencing Edna Fenceroy,2011-11-01 The restorative conferencing approach is a precise and peaceful alternative to resolving disagreements It promotes mutual respect for the opinions of others by understanding opinions are beliefs Perceptions are real to the person holding them but are not necessarily factual Allowing for the opinions of others does not give your approval of their behavior or principles it paves the way for a mutual and better understanding of the dispute

Veridesian Tales Laurie Ravin,Alexis Kantor,2022-09-20 Katt soared down the zipline from her treehouse with Mariah the lioness running below in her shadow along the deep soft green forest floor Feeling like she was flying her senses took in the beauty of her world where all forms of life thrived together in peace and harmony Inheriting the Guardianship of this magical world when Katt was so young didn't change the fact that she was responsible for protecting it For centuries the creatures have trusted the Vindexa Clan Guardians to keep them and their world safe from the outside regular world's intrusions But nothing is as certain as change Will Katt be able to fully understand embrace and grow with inevitable changes Can she protect her world or will it be overcome spoiled by sudden intrusions and events coming one after the other Can she do this without resorting to violence She must prevail the peace and harmony must be preserved But her abilities are still developing how evolved will she become Her world believes in her Welcome to Veridesia

The Words of a Wonderin' Soul Matthew McIntosh,2020-03-24 This group of poems is a large summary of many life changing events In many cases I would be changing occupations and feeling down searching for work Sometimes coming up empty handed and running close to depleting my savings But then I would land a job interview and things would turnaround Also a few times I would meet a beautiful and wonderful person and fall into a tricky and often unstable relationship But most of the time I turned to music to ease the pain And it helped in trying to pick up the broken pieces of my Life Most of the time it worked but not all of the situations In those cases it only numbed the pain But this collection of poems is a brief portal into my life
