(Revised Edition.).** Archibald Laurence LYALL,1960 *Ancient Rome* Monica M. Bontty,2020-03-17 This book shares little known facts from and excerpts of primary source documents to correct popular misconceptions about Ancient Rome and to show how those misconceptions became widespread Roman personalities and history have always had a larger than life profile in American popular culture but most people think of this ancient civilization as merely decadent cruel and elitist Most of our stereotypical conceptions of the empire and its people however are wrong This book corrects popular misconceptions about the ancient Roman world thus making ancient history relevant and accessible to modern readers and allowing modern critics of American politics and society to draw accurate comparisons Each chapter discusses how a particular misconception developed spread and evolved into what we now believe to be the historical truth Topics discussed include crucifixion the destruction of Carthage Julius Caesar s last words and Roman hygiene Excerpts from primary source documents provide evidence of both the rise of the historical fictions and the truths behind the myths Annual Report Ohio State Board of Agriculture,1901 Rome sweet Rome Archibald Lyall,1960
