Kolar Gold Fields - Down Memory Lane Bridget White, 2010-08-20

Kolar Gold Fields is a small mining town in the erstwhile Mysore State now known as Karnataka in India. It was owned by the John Taylor and Sons Company, a British Mining Firm, for more than a century. It was well known for its Colonial ambience and was called Little England due to its British and Anglo Indian population. It was one of India's earliest industrialized towns and was unique for its secular and egalitarian society. Aptly named Kolar Gold Fields Down Memory Lane, the book undertakes a nostalgic journey right from the days of the origins of the Kolar Gold Mines, its historical and mythological connections, its golden progress through the years under the John Taylor and Sons Company, its gradual decline and the final closure of the once prosperous Kolar Gold Mining Company in 2003. Thus ending a golden chapter in History which now lies buried in the annals of time. It then moves on to the Anglo Indian Community, a living legacy of the British Raj in the early days of KGF. It brings out vividly the glorious and cosmopolitan life led by that tiny vibrant community in KGF who lived in sprawling bungalows with beautiful gardens and domestic helpers at their beck and call. It recalls the grand Christmas Balls and Dances held at the Skating Rink and the Jam Sessions and Pound Parties in Buffalo Lodge. It finally focuses on the author's childhood memories of growing up in KGF in the 1950s and 60s. It reminds one of life's many simple pleasures: home, family, school, playmates, entertainments, games, etc. It recalls memories of old familiar haunts and landmarks of KGF and the people who were an indispensable part of life in those days. It succeeds in preserving the nuances of a bygone era.

The Gardens of Covington Joan Medlicott, 2007-04-01

The Gardens of Covington joyously celebrates women and friendships, families and love, laughing through the tears, thinking with the head and the heart. The ladies so real and inspiring will make you wish they were your neighbors. If this is your first visit to the small town of Covington, you'll feel comfortably at home in the white farmhouse with the yellow shutters on Cove Road that once again teems with warmth and fresh hope for today and tomorrow. If it's your second visit, you'll be thrilled to sit on the front porch once again and catch up with old friends and neighbors. Hannah, cool-headed and calm, battles to save their beloved hills from the rapacious development that has already ruined Loring Valley, only five minutes from Cove Road. Amelia, giddy with a newfound love, abandons the ladies and her photography to please her dashing new beau. And Grace is driven to prove she has an eye for business when she and her steady companion Bob Richardson open the Cottage Tearoom. New friends and neighbors are introduced. Eccentric Lurina Masterson, an eighty-one-year-old bride, brings tears of joy to all when wearing her childhood dream of white satin, she marries Old Man who is ninety-one. And George Maxwell, the ladies' closest neighbor, provides an inspired solution to preserving Covington's lush hills.

and valleys Joan Medlicott writes lovingly about the complexity and tenderness of women she writes with honesty about relationships about love and passion about commitment and friendship as well as about the intricate bonds between parents and their children As you join the ladies of Covington through their highs and their lows their joys and their sorrows you will not want the book to end nor will you wish to leave their world behind you **The Guardian** ,1869 **Savor the Moment** Dana Piccoli,2019-03-01 Natalia Chambers is a successful singer songwriter whose star is on the rise But Nat has a problem She can t seem to write any new music and the pressure is on to write a follow up to her last record The fact that her last girlfriend betrayed her and left her with a wounded heart certainly isn t helping any When Nat comes home from her latest tour she s ready for some serious R R The last thing she expects is a stunning pastry chef named Maddy LaDuke to send her tumbling literally head over heels As Nat spends more time with Maddy she discovers a side benefit it seems that their romance may hold the key to that serious writer s block problem Just when Nat thinks she s ready for something big with Maddy an old flame arrives and tries to burn it all down Will Nat and Maddy be able to put their hearts on the line and find trust in each other Dana Piccoli takes readers on journey of sweet romance and second chances with her debut novel Savor the Moment Union Agriculturist and Western Prairie Farmer ,1890 **The Hesperian** ,1915 **Festive Sounds** Carl Ferdinand Wilhelm Walther,2008 **Life, Liberty, and Pursuit** Susan Quinn,2010-06-22 When college bound Eliza falls into a cruise ship pool she doesn t expect to fall in love And when navy recruit David pulls her from the water he finds her surprisingly hard to resist But a whirlwind of rescues candlelit nights and beachside misunderstandings pulls them into a four day love affair that threatens to break their hearts before their love has a chance to start *#Blessed* Steven A.
