Contois, 2020-10-02 The phrase dude food likely brings to mind a range of images burgers stacked impossibly high with an assortment of toppings that were themselves once considered a meal crazed sports fans demolishing plates of radioactively hot wings barbecued or bacon wrapped anything But there is much more to the phenomenon of dude food than what's on the plate Emily J H Contois's provocative book begins with the dude himself a man who retains a degree of masculine privilege but doesn't meet traditional standards of economic and social success or manly self control In the Great Recession's aftermath dude masculinity collided with food producers and marketers desperate to find new customers The result was a wave of new diet sodas and yogurts marketed with dude friendly stereotypes a transformation of food media and weight loss programs just for guys In a work brimming with fresh insights about

contemporary American food media and culture Contois shows how the gendered world of food production and consumption has influenced the way we eat and how food itself is central to the contest over our identities Schwann Long Playing Record Catalog ,1969 **Billboard** ,1966-06-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Catalog of Copyright Entries Library of Congress.
