**My Sweet Heart** Ann Fernholm, 2015-10-13 As gripping as a thriller and accessible for people without any scientific education wrote the biggest Swedish broadsheet Dagens Nyheter when My Sweet Heart was released in 2012 The book has been fundamental in the rise of the low carb movement in Sweden where the debate surrounding low fat diets has been raging for almost a decade Inspired by a woman with type 2 diabetes who using a strict low carb diet was able to stop taking insulin injections and lost 42 kilos in weight science writer Ann Fernholm PhD in Molecular Biotechnology started to examine the science behind low fat dietary advice Why should people who need injections to reduce blood sugar fill their plates with carbohydrates that raise blood sugar levels Like a mystery writer she unravels the story of how in the mid 1900s research took a wrong turn Piece by piece she also puts together the puzzle surrounding ill health Why are abdominal fat and type 2 diabetes so dangerous Why do they increase the risk of heart disease cancer and dementia What she discovers is that high blood sugar and high insulin levels are real villains in many major public health problems Readers appreciate Ann Fernholm for her factual depth at the same time as she has a unique ability to describe science in an understandable lively manner My Sweet Heart has received unanimously good reviews in Sweden and has been a turning point in many people's lives

**Looking upon the Heart** Pete Carlson, MFT, 2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either

enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus

**Come into Jesus' (Sweet) Heart** Musa Bin Ismail,2014-09-10 This writings expose the actual and true pristine teachings of Jesus to his community the Israelites For over 2000 years the brilliant Heavenly messages of God taught by Jesus to his community the Israelites had been unfortunately misunderstood by his community and subsequently profoundly distorted by the Christians after the teachings of Jesus left the shores of Palestine for glorious Rome The Jews arrogantly rejected Jesus outright and accused him of being a false messiah prophet while the Christians in

the wilderness of history spearheaded by Saul a Jew from Tarsus mysteriously revered him as a begotten Son of God and elevated him as one of the Gods in the Trinity in the new faith called Christianity Truly Jesus had never heard the word Christianity nor uttered it in his entire life He had never called his followers Christians This writing illuminates to the whole of Christendom and the entire House of Israel the Divine Messages from Heaven which Jesus took pain to disseminate to the Israelites then The author has unearthed the Words of God from the resplendent pages of the Bible and explained its true meanings and messages for the followers of Jesus to cherish and practise through their lives and for the adamant Jews to see the Divineness in the messages and return to the fold of the Lord To the Jews and the Christians this writing is a rare opportunity for them to listen to the words of Jesus and to lead their lives in accordance with the Masters teachings May they be blessed with the Heavenly enrichments and blessings from the Lord the One and the Only Great Jealous God of the Universe
