A Checklist of Jim Thompson , Lion Books and the Lion Library: A Checklist C. P. Stephens,1992 *The Post-Utopian Imagination* M. Keith Booker,2002-01-30 In America the long 1950s were marked by an intense skepticism toward utopian alternatives to the existing capitalist order This skepticism was closely related to the climate of the Cold War in which the demonization of socialism contributed to a dismissal of all alternatives to capitalism This book studies how American novels and films of the long 1950s reflect the loss of the utopian imagination and mirror the growing concern that capitalism brought routinization alienation and other dehumanizing consequences The volume relates the decline of the utopian vision to the rise of late capitalism with its expanding globalization and consumerism and to the beginnings of postmodernism In addition to well known literary novels such as Nabokov s Lolita Booker explores a large body of leftist fiction popular novels and the films of Alfred Hitchcock and Walt Disney The book argues that while the canonical novels of the period employ a utopian aesthetic that aesthetic tends to be very weak and is not reinforced by content The leftist novels on the other hand employ a realist aesthetic but are utopian in their exploration of alternatives to capitalism The study concludes that the utopian energies in cultural productions of the long 1950s are very weak and that these works tend to dismiss utopian thinking as naïve or even sinister The weak utopianism in these works tends to be reflected in characteristics associated with postmodernism **Violent Screen** Stephen Hunter,1995 Gun buff movie critic and bestselling author of Dirty White Boys Stephen Hunter takes aim at 13 years of violence on the big screen hitting the highlights and the lowlifes the thrills the chills and the kills with deadly precision explosive prose and devastating good humor *Bedelia* Vera Caspary,2012-10-01 You must read Bedelia the seductive black widow thriller by the author of the classic film noir Laura The New York Times Charlie Horst has returned with his new bride Bedelia to his family home in Connecticut Indulgently infatuated Charlie is the luckiest man alive What s not to love about Bedelia She s gorgeous and complacent She s also a gracious and ideal party host luscious and decorative in blue velvet And in public she plays the part of worshipful wife to perfection In private even more so Who can blame Charlie for overlooking her little deceptions Or for not paying any mind to her contradictory claims about her past When Charlie falls ill due to a freak poisoning Charlie knows
