About

Swimming

www.Engdic.org

1. Serene Waters

In waters cool, a world unfolds,
Where liquid dreams and stories are told.
Beneath the sun's warm, golden gleam,
I dive into this tranquil stream.

2. Dance of the Dolphins

Beneath the sky's expanse so wide,
Where waves and dreams coincide,
Dolphins leap in graceful glee,
A dance of joy, forever free.

3. The Mermaid's Song

Beneath the moon's enchanting light,
Where stars adorn the velvet night,
A mermaid's song echoes through,
Her secrets held in shades of blue.

Swimmer Poems

**Thirumalaisamy P.
Velavancorresponding**

Swimmer Poems:

The Swimmer John Koethe, 2025-09-23 A searching new collection from America's philosopher poet John Koethe in his tenth volume of poetry investigates the capricious nature of everyday life the late night jazz great sex and all The human shit defining what we are His poems always dynamic and in process never static or complete luxuriate in the questions that punctuate the most humdrum of routines rendering a robust portrait of an individual complicated quotidian and resounding with truth The Swimmer argues that this energizes everything life's trivialities surprises and disappointments and the terrible feeling of being just about to fall

The Swimmer Susan G. Ludvigson, 1984-06-01 In The Swimmer Susan Ludvigson writes of the enveloping sensuality of swimming gliding beneath the waves basking in shimmering light on the surface drifting in the pleasure of the water In these poems swimming can be the perfect escape from life a sublime refuge from the cares and agonies that lie on the shore or wait at the edge of the pool Ludvigson begins with poems that speak of the griefs that punctuate life She writes of the fearsome mysteries of passion the agonies that can be reawakened by memory the sabotage of dreams the sadness of living in a world painfully contracted by the deaths of loved ones It's not the world I care about now but a few lives Yours Mine The friends who go on dying After Don after Anne I can hardly believe how it continues She then turns to poems that seek escape from grief in the dark humor of obscure news items Man Arrested in Hacking Death Tells Police He mistook Mother in Law for Raccoon and in the absorbing depths of art But these are escapes of the mind momentary transformations of identity that cannot finally bring calm to the spirit In the final section of the book Ludvigson returns to the lure of the water Under that starry sky you'll float in the shadows of shadows there might be no end to it just water darkening into night then slowly restoring itself to blue The silence will be a new entrance to dreams sleep a new way to breathe Sensual and moving these are poems of renewal and of loss poems that seek the moments of calm amid the jagged hours of daily life

Enter Water, Swimmer Mary Morris, 2022-07-28 These poems travel physically and emotionally addressing the human condition through evocative language Enter Water Swimmer and you will be steeped in various manifestations of this world and beyond daring to take on diverse realms of women belief culture and ethics Day One You slipped through me not by me How could I have known I would fall through these waters into the country of us 101

Sports Poems Vol 4 Running Bicycling Sailing Swimming Gymnast, Swimming Swimmers Swimming Percival Everett, 2011 These poems question the sounds that are meaning They interrogate where meaning resides and whether they are in any way rigidly or loosely wed to the words that carry it There is a nod toward logic and at once an acceptance of its limits These poems are landscapes the meaning altering with the movement of clouds with the changing light Irony sometimes is the way we can be earnest

Swimming The Hellespont - Selected Poems: 1971-2001 Jesse Mavro Diamond, 2015-07-03 All good things take time says a fictionalized Pablo Neruda in the poem that opens this book which itself took many years to write Full of energy passion and telling detail Swimming the Hellespont is peopled with memorable

characters Using a variety of forms ranging from prose poems reminiscent of Gertrude Stein to sonnets and imitation Sapphic stanzas Diamond creates a haunting record of one woman's journey through three politically charged and life changing decades Martha Collins Swimming Lessons Nancy Willard,2014-04-22 This marvelous collection brings together the finest of Nancy Willard's work Transporting us from Michigan farm country to the streets of New York from a family picnic by a stream to snow covered fields peopled by angels the poems gathered here represent the best of Nancy Willard Willard's gift for peeling back everyday existence to reveal something magical and wondrous is everywhere in evidence here Ordinary trees become surreal landscapes fanning the fire in their stars and spraying fountains of light Poems featuring Great Danes donkeys and rabbits reveal Willard's love for all living creatures How to Stuff a Pepper and A Psalm for Running Water coexist with poems about visits from God The title poem tells the story of Willard at seven while Questions My Son Asked Me Answers I Never Gave Him explores the joys and pitfalls of being a mother Offering imagery from mythical goddesses to pumpkin saints to wise jellyfish these are poems of astonishing imagination and grace and will introduce a new generation of readers to Willard's remarkable body of work **The Swimmer** Norman Bryson,1969 **A Swimmer in the Air** Howard Moss,1976 *Swimmer in the Rain* Robert Wallace,1979 A collection of poetry by Robert Wallace **Silver Swimmer** Rosalie Boyle,1975-01-01 Seeking a Home for Poetry in a Nomadic World Silvia Paniciieri,2020-01-28 This thoroughly researched overview on one of the most absorbing literary phenomena of recent decades the trespassing of cultural and linguistic borders departs from the canonical point of view offered by the English works of the Nobel laureate Russian American poet and essayist Joseph Brodsky to approach the work of the emerging Hungarian English poet gnes Lehczy Through the epistemological filter offered by some guiding texts such as Bauman Hall Braidotti and many others this study allows the reader to discover the recounting of a search for an identity where the adoption of English as an artistic vehicle is only the first thread that unites the two nomadic authors Striving to locate language and identity Brodsky and Lehczy face the limits of doing so due to the fluid and nomadic nature of language itself This suggests if not answers then new ways of expression which draw the language of our future Mid-Victorian Poetry, 1860-1879 Catherine Reilly,2000-01-01 These two volumes list late and mid Victorian poets with brief biographical information and bibliographical details of published works The major strength of the works is the discovery of very many minor poets and their work unrecorded elsewhere **Swimming to Freedom** Kent Wong,2021-04-27 When Kent Wong was a young boy his father a patriotic Chinese official in the customs office in Hong Kong joined an insurrection at work and returned with the family to the newly established People's Republic of China Hailed as heroes they settled in the southern city of Canton But Mao's China was dangerous and unstable with landlords executed en masse and millions dying of starvation during the Great Leap Forward **Lorca's Drawings and Poems** Cecelia J. Cavanaugh,1995 Lorca's Drawings and Poems focuses on the act of reading Lorca's drawn or written texts and how the reading of one genre can inform the reading of another Throughout the study

poetry and drawings from every period of Lorca's career are examined. Selected drawings are interpreted next; poems contemporary to those drawings are analyzed in their light. In chapter 1, a common poetics is extracted from Lorca's comments about his drawings and writing and placed in the context of the literary and artistic movements of his day. The evolution of the literary criticism that examines Lorca's drawings is traced and reviewed. Lorca's texts are examined from varying perspectives in the chapters that follow. In chapter 2, drawings and poems from 1927 to 1928 are analyzed in light of Lorca's participations in artistic and literary movements during those years. Texts from each period of Lorca's work are read in chapter 3 in a study of Lorca's employment of space and his depiction of setting and subject in his drawings and poems. Such a chronological approach allows the reading of Lorca's texts to reveal the evolution of his aesthetics as well as to identify the imagery and techniques that remained consistent throughout his career.

Swinburne's Poems Algernon Charles Swinburne, 1906

Poetry Against the World Magdalena Kay, 2018-10-31

Poetry Against the World Philip Larkin and Charles Tomlinson in Contemporary Britain brings together two major poets who espouse opposite aesthetic ambitions yet are both taken as paragons of Englishness in order to ask how they pitch their poetry against an inhospitable world. This book explores how these two representative poets seek to redress an age of demolition through their poetry and how their audiences react to the types of redress they propose.

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1952. Includes Part 1A Books and Part 1B Pamphlets, Serials, and Contributions to Periodicals.

Otherwise Poems Oscar Mandel, 2015-07-01
