The Perfect Sword Paul Gething, Edoardo Albert, 2022-11-03 The story of the Bamburgh Sword one of the finest swords ever forged In 2000 archaeologist Paul Gething rediscovered a sword An unprepossessing length of rusty metal it had been left in a suitcase for thirty years But Paul had a suspicion that the sword had more to tell than appeared so he sent it for specialist tests When the results came back he realised that what he had in his possession was possibly the finest and certainly the most complex sword ever made which had been forged in seventh century Northumberland by an anonymous swordsmith This is the story of the Bamburgh Sword of how and why it was made who made it and what it meant to the warriors and kings who wielded it over three centuries It is also the remarkable story of the archaeologists and swordsmiths who found studied and attempted to recreate the weapon using only the materials and technologies available to the original smith *Swords Against Death* Fritz Leiber, 2014-04-01 Join the renowned barbarian and thief in this sword and sorcery adventure from a Grand Master of Science Fiction and Fantasy While *The Lord of the Rings* took the world by storm Fritz Leiber's fantastic but thoroughly flawed antiheroes Fafhrd and Gray Mouser adventured and stumbled deep within the caves of Inner Earth as well They wondered and wandered to the edges of the Outer Sea across the Land of Nehwon and throughout every nook and cranny of gothic Lankhmar Nehwon's grandest and most mystically corrupt city Lankhmar is Leiber's fully realized vivid incarnation of urban decay and civilization's corroding effect on the human psyche Fafhrd and Mouse are not innocents their world is no land of honor and righteousness It is a world of human complexities and violent action of discovery and mystery of swords and sorcery *Swords Against Death* the second volume in the Lankhmar series finds Fafhrd and the Gray Mouser beginning their real journey Their hearts altered by the loss of first true love they embark on a long and winding path of drunken debauchery and womanizing until crossing paths with two cross wizards Sheelba of the Eyeless Face and Ningauble of the Seven Eyes A most violent of clashes ensues Fafhrd and the Gray Mouser descend into

Thieves House to discover the exacting skill of the united backstabbing Thieves of Lankhmar and their rival guild the Slayer s Brotherhood the city s unionized killers They would wander along the Bleak Shore to a howling tower to show how fear is not the product of murder but the cause Fafhrd and the Gray Mouser must resume their plundering and drunken debauchery until once again darkness had taken the balance for its favor and then a change would come These are just a few of the encounters our swindling swordsmen will willingly endure in ridding their hearts of their first true loves But did they know it would make them indentured swordsman servants to their former foes the formidable Sheelba and Ningauble *The Swords of Lankhmar* Fritz Leiber,2014-04-01 From the Grand Master of Science Fiction the fifth book in a series that stands as one of the great works of fantasy in this century Publishers Weekly The Swords of Lankhmar finds the city characteristically plagued by rats Fafhrd and the Gray Mouser are in the employ of Glipkerio the overlord to guard a grain ship on its journey Along the way the rats onboard stage a rebellion and threaten to take the ship until a two headed sea monster saves the day If only there were two headed sea monsters everywhere Lankhmar would be safe too Alas upon returning to the city the two discover that Lankhmar is controlled by rats It is a city known for its thieves and swine but even the city s muddiest bottom feeders have never seen pillaging and plundering like this And only the sorcerers Sheelba of the Eyeless Face and Ningauble of the Seven Eyes can scare this scourge Mouser must shrink into the rat s world and Fafhrd must unleash the feared feline War Cats Then the fun really begins Before The Lord of the Rings took the world by storm Leiber s fantastic but thoroughly flawed antiheroes Fafhrd and Gray Mouser adventured deep within the caves of Inner Earth albeit a different one They wondered and wandered to the edges of the Outer Sea across the Land of Nehwon and throughout every nook and cranny of gothic Lankhmar Nehwon s grandest and most mystically corrupt city Lankhmar is Leiber s fully realized vivid incarnation of urban decay and civilization s corroding effect on the human psyche Drawing on themes from Shakespeare Edgar Allan Poe and H P Lovecraft master manipulator Fritz Leiber is a worldwide legend within the fantasy genre and actually coined the term Sword and Sorcery that describes the subgenre he helped create **Swords Against the Shadowland** Fritz Leiber,Robin Wayne Bailey,2014-04-01 Robin has splendidly captured the quintessential spirit of Fafhrd and the Gray Mouser Somewhere in Lankhmar Fritz is smiling Dennis L McKiernan national bestselling author Lankhmar an ancient and decadent city of magic where witches and sorcerers scheme where gods and ghosts walk the streets and shadow haunted alleys where violence and death dance together like lovers in the darkness Lankhmar a city of plague Years ago two rogues bound together by friendship and a shared destiny neither understood met in Lankhmar Living by their swords their wits and their daring they sought adventure and love Adventure they found but love they lost In despair they left the city vowing never to return Yet vows are made to be broken Once again Fafhrd and the Gray Mouser are drawn back to Lankhmar and quickly ensnared in its wizard games as one jealous mage turns on his rivals and unleashes a black force not even he can control a power that threatens the city itself Fafhrd and the Gray Mouser two of the greatest and most
