The Comedy of Romantic Irony Morton Gurewitsch,2002-06-21 Few literary concepts evoke the kind of perplexity engendered by a more than passing acquaintanceship with romantic irony In *Comedy of Romantic Irony* Morton Gurewitsch argues that European romantic irony shorn of the excessively capacious and somewhat nebulous aspects of German romantic ironic theory is essentially a comedy of ambivalence a comic tug of war between genuine romantic idealism and authentic antiromantic disenchantment Gurewitsch claims moreover that European romantic irony which is found in writers ranging from Byron and Heine to Flaubert and Dostoevsky is romanticism's unique contribution to the history of literary comedy

Philosophy and Revolution Stathis Kouvelakis,2019-01-29 Throughout the nineteenth century German philosophy was haunted by the specter of the French Revolution Kant Hegel and their followers spent their lives wrestling with its heritage trying to imagine a specifically German path to modernity a revolution without revolution Trapped in a politically ossified society German intellectuals were driven to brood over the nature of the revolutionary experience In this ambitious and original study Stathis Kouvelakis paints a rich panorama of the key intellectual and political figures in the effervescence of German thought before the 1848 revolutions He shows how the attempt to chart a moderate reformist path entered into crisis generating two antagonistic perspectives within the progressive currents of German society On the one side were those socialists among them Moses Hess and the young Friedrich Engels who sought to discover a principle of harmony in social relations bypassing the question of revolutionary politics On the other side the poet Heinrich Heine and the young Karl Marx developed a new perspective articulating revolutionary rupture proletarian hegemony and struggle for democracy thereby redefining the very notion of politics itself
