**Correlli Barnett**

## **Swordbearers Supreme Command In The First World War:**

The Swordbearers Correlli Barnett, 2010-10 Von Moltke and quick victory Jellicoe and the Battle of Jutland Petain and the wave of mutinies Ludendorff and the 1918 offensives Four key men four key moments in the Great War Corelli Barnett in his famous study writes with brilliant insight about these flawed men grappling with events that were outside their comprehension In his preface he writes thus The Theme of this book is the decisive effect of individual human character on history The background in sharpest contrast is a sudden and violent transition to mass collectivised life to twentieth century industrial civilization The principal actors are four national commanders in chief two German one Frenchman one Englishman Theirs was the novel task of directing these new and terrifying forces of mass powering battle Each had been born and bred in the last century each belonged to a highly conservative profession Their abilities and defects reflected and illustrated those of their countries For the historian with the priceless gift of hindsight it is moving and fascinating therefore to study these men locked in struggle with events greater than themselves to see their moments of clarity and prophesy of optimistic self delusion of uncertainty of despair Each in turn as commander in chief bore his nation s sword at a period when the course of the war pivoted on his judgement and will four actors in a continental tragedy of death and re birth The Swordbearers; Supreme Command in the First World War Correlli Barnett, 1975 The theme of this book is the decisive effect of individual human character on history The background in sharpest contrast is a sudden and violent transition to mass collectivised life to twentieth century industry civilisation The principal actors are four national commanders in chief two German one Frenchman one Englishman Theirs was the novel task of directing these new and terrifying forces of mass power in battle Each had been born and bred in the last age each belonged to a highly conservative profession Their abilities and defects reflected and illustrated those of their countries **The Yankee Division in the First World War** Michael E. Shay, 2008-06-20 Historians have been unkind to the 26th Division of the U S Army during World War I Despite playing a significant role in all the major engagements of the American Expeditionary Force the Yankee Division as it was commonly known and its beloved commanding officer Maj Gen Clarence Edwards were often at odds with Gen John J Pershing Subsequently the Yankee Division became the A E F s whipping boy a reputation that has largely continued to the present day In The Yankee Division in the First World War author Michael E Shay mines a voluminous body of first person accounts to set forth an accurate record of the Yankee Division in France a record that is as he reports better than most Shay sheds new light on the ongoing conflict in leadership and notes that two of the division s regiments received the coveted Croix de Guerre the first ever awarded to an American unit This first rate study should find a welcome place on military history bookshelves both for scholars and students of the Great War and for interested general readers **The First World War, Second Edition** Martin Gilbert, 2004-03 Narrative of the war which left fourteen million dead and changed the political social and cultural landscape of Europe The Great War, 1914-1918 Spencer Tucker, 2002-01-04 An up to date and concise

account of WWI for teachers and students looking for a balanced introduction It details both the military operations as well as the development of war aims alliance diplomacy and the war on the home front **The First World War** Martin Gilbert,2018-09-01 A stunning achievement of research and storytelling that weaves together the major fronts of WWI into a single sweeping narrative Publishers Weekly starred review It was to be the war to end all wars and it began at 11 15 on the morning of June 28 1914 in an outpost of the Austro Hungarian Empire called Sarajevo It would officially end nearly five years later Unofficially however it has never ended Many of the horrors we live with today are rooted in the First World War The Great War left millions of civilians and soldiers maimed or dead It also saw the creation of new technologies of destruction tanks planes and submarines machine guns and field artillery poison gas and chemical warfare It introduced U boat packs and strategic bombing unrestricted war on civilians and mistreatment of prisoners But the war changed our world in far more fundamental ways than these In its wake empires toppled monarchies fell and whole populations lost their national identities As political systems and geographic boundaries were realigned the social order shifted seismically Manners and cultural norms literature and the arts education and class distinctions all underwent a vast sea change As historian Martin Gilbert demonstrates in this majestic opus of historical synthesis the twentieth century can be said to have been born on that fateful morning in June of 1914 Publishers Weekly starred review One of the first books that anyone should read to try to understand this war and this century The New York Times Book Review **Hindenburg** Dennis E. Showalter,2014-05-27 With his victory over the Russian army at the battle of Tannenberg in August 1914 Paul von Hindenburg became a war hero By 1916 he had parlayed an exaggerated reputation for decisive victory into near dictatorial powers After Germany s defeat at Verdun and War Minister Erich von Falkenhayn s dismissal in late 1916 Hindenburg along with his chief of staff Erich Ludendorff took over strategic direction of the war The eponymous Hindenburg Program attempted with some success to mobilize Germany s economy for war He also oversaw many of Germany s most important wartime decisions including the resumption of unrestricted submarine warfare Bethmann Hollweg s dismissal as chancellor Russia s defeat and negotiation of the Treaty of Brest Litovsk and the Ludendorff Offensives of 1918 which sought decisive victory on the Western Front but ended in Germany s catastrophic defeat After the war Hindenburg played a crucial role in creating the Dolchstoßlegende the myth that the German Army had been stabbed in the back by a Jewish Bolshevik conspiracy on the homefront in leading Germany as president of the Weimar Republic and most tragically in acquiescing to Adolf Hitler s rise to power **Jutland** Nicholas Jellicoe,2016-03-30 A compelling dramatic account of the Royal Navy s last great sea battle Robert K Massie Pulitzer Prize winning and New York Times bestselling author of Dreadnought More than a century later historians still argue about this controversial and misunderstood World War I naval battle off the coast of Denmark It was the twentieth century s first engagement of dreadnoughts and while it left Britain in control of the North Sea both sides claimed victory and decades of disputes followed revolving around senior commanders Admiral Sir John Jellicoe

and Vice Admiral Sir David Beatty This book not only retells the story of the battle from both a British and German perspective based on the latest research but also helps clarify the context of Germany's inevitable naval clash and the aftermath after the smoke had cleared      *With Our Backs to the Wall* David Stevenson, 2013-11-18 Why did World War I end with a whimper an arrangement between two weary opponents to suspend hostilities Why did the Allies reject the option of advancing into Germany and taking Berlin Most histories of the Great War focus on the avoidability of its beginning This book focuses on Germany's inconclusive defeat and its ominous ramifications      Military Classics Robert Harry Berlin, 1988 Many of the books listed in this work are military classics that is books of recognized value that set a standard of historical or literary excellence Others evaluate or expand on the military classics Focused mainly on the history of land warfare this bibliography begins with a general section The books listed cover more than one chronological period or topical area or are broad surveys of military history or concentrate on a unique subject The next sections are arranged chronologically beginning with Ancient History and concluding with The Nuclear Age Covered here are significant historical eras military writers and conflicts The Modern Warfare section encompasses low intensity conflict The remaining sections in the bibliography are topical and include The Moral Effect of Combat men in battle Russian and Soviet Military History East Asian Military History Sea Power Air Power and The Press The novels cited in this work provide an approach to the human elements of war are often enjoyable to read and are thought provoking The books listed in this bibliography should be read for professional development historical perspective information and pleasure They offer officers and students of military history an opportunity to understand better the nature of war      **Quarterly Review of Military Literature** , 1975

**Professional Journal of the United States Army** , 1964      **Military Review** , 1996      *Liddell Hart and the Weight of History* John J. Mearsheimer, 2010 This troubling book offers a striking illustration of how history can be used and abused how a gifted individual can create their own self serving version of the past      *Challenge of Command* Roger H. Nye, 2001-10-01 A must for those who aspire to follow the profession of arms Maj Gen George S Patton Here is a unique book that emphasizes the attainment of military excellence through reading and field experience Written to help men and women prepare for positions of command in the American Armed Forces it is a product of the author's years of discussions with military commanders about their roles as decision makers moral standard bearers and energizers of military organizations In his commentary on the problems of the commander as tactician strategist warrior trainer mentor disciplinarian and moral leader the author analyzes and recommends both classical and current readings that are available for those who seek an expanded vision of their potential as commanders This book is designed to raise new challenges to conventional thinking about the art of military command      *Review of Current Military Literature* , 1990      **The Challenge of Change** Harold R. Winton, David R. Mets, 2003-01-01 Also included are an introduction describing the intellectual and practical challenges facing the military reformer in peacetime and a concluding essay by Dennis Showalter drawing together the issues examined

in the preceding studies and setting these themes in an interpretive historiographical context

**The Challenge of Change** has been designed to meet the needs of historians military professionals and defense analysts

**BOOK JACKET**

**International Encyclopedia of Military History** James C. Bradford, 2004-12 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history

**With Their Bare Hands** Gene Fax, 2017-02-23 With Their Bare Hands traces the fate of the US 79th Division men drafted off the streets of Baltimore Washington and Philadelphia from boot camp in Maryland through the final years of World War I focusing on their most famous engagement the attack on Montfaucon the most heavily fortified part of the German Line during the Meuse Argonne Offensive in 1918 Using the 79th as a window into the American Army as a whole Gene Fax examines its mistakes and triumphs the tactics of its commander General John J Pershing and how the lessons it learned during the Great War helped it to fight World War II Fax makes some startling judgments on the role of future Army Chief of Staff Colonel George C Marshall whether the Montfaucon battle had it followed the plan could have shortened the war and if Pershing was justified in ordering his troops to attack right up to the moment of the Armistice Drawing upon original documents including orders field messages and the letters and memoirs of the soldiers themselves Fax tells the engrossing story of the 79th Division s bloody involvement in the final months of World War I

**It Made You Think of Home** Bruce Cane, George Frederick Barnes, 2004-08-01 We took our positions five kneeling and five standing we got the order to fire One blank and nine live rounds I did not have the blank That is the voice of Deward Barnes an unwilling but dutiful member of the firing squad that shot Harold Lodge one of 25 Canadians executed during the First World War In this diary we hear something that is otherwise gone forever the authentic voice of the First World War soldier Everyman in khaki Fully annotated so that everyone today can understand the nuance of each entry the Barnes diary takes us into the trenches and the firing lines of the Western Front like no other first hand Canadian account of that terrible war can Like any trained infantryman Deward could tell the kick of a live round from a blank one and that kick he bestows on us with each turn of the page

## Reviewing **Swordbearers Supreme Command In The First World War**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
