Fishtas The Highland Lute the early twentieth century Albanian epic of the struggle for independence from Ottoman rule achieved in 1912 Aberbach surveys some of the outstanding poetry set against Islamic conquests and domination particularly in Spain and the Balkans The book includes detailed comparisons between medieval and modern Arabic and Hebrew poetry closely linked in technique and subject matter but moving apart after 1789 A result of constant religious warfare in Europe was disillusionment with religion increasing focus on humanistic concerns and the evolution of a secular State separate from religion This captivating history of Islam and European poetry will be of great interest to any scholars of nationalism Jewish and Islamic Studies history comparative literature and cultural studies **The Titoites** Enver Hoxha,1982 **National**

Poetry, Empires and War David Aberbach,2016-09-13 Nationalism has given the world a genre of poetry bright with ideals of justice freedom and the brotherhood of man but also at times burning with humiliation and grievance hatred and lust for revenge driving human kind as the Austrian poet Grillparzer put it From humanity via nationality to bestiality National Poetry Empires and War considers national poetry and its glorification of war from ancient to modern times in a series of historical social and political perspectives Starting with the Hebrew Bible and Homer and moving through the Crusades and examples of subsequent empires this book has much on pre modern national poetry but focuses chiefly on post 1789 poetry which emerged from the weakening and collapse of empires as the idealistic liberalism of nationalism in the age of Byron Whitman D Annunzio Yeats Bialik and Kipling was replaced by darker purposes culminating in World War I and the rise of fascism Many national poets are the subject of countless critical and biographical studies but this book aims to give a panoramic view of national poetry as a whole It will be of great interest to any scholars of nationalism Jewish Studies history comparative literature and general cultural studies *Book Boyfriend* Emily Wibberley,Austin Siegemund-Broka,2025-02-25 Devoted
