Chuck Jones, Hugh Kenner, 2023-11-10. Creator of the mono-maniacal Wile E. Coyote and his elusive prey, the Road Runner, Chuck Jones has won three Academy Awards and been responsible for many classics of animation featuring Bugs Bunny, Daffy Duck, Porky Pig, and Elmer Fudd. Who better to do Chuck Jones than Hugh Kenner, master wordsmith and technophile, a man especially qualified to illuminate the form of literacy that Jones so wonderfully executes in the art of character animation. *A Flurry of Drawings* reveals, in cartoon-like sequences, the irrepressible humor and profound reflection that have shaped Chuck Jones's work. Unlike Walt Disney, Jones and his fellow animators at Warner Brothers were not interested in cartoons that mimicked reality. They pursued instead the reality of the imagination, the Toon world where believability is more important than realism, and movement is the ultimate aesthetic arbiter. Kenner offers both a fascinating explanation of cartoon culture and a new understanding of art's relationship to technology, criticism, freedom, and imagination. This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, *Voices Revived* makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1994.

serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature, or popular vaudeville acts. With the advent of sound on film in the mid to late 1920s, makers of earlier silent short subjects began experimenting with the short films using them as a testing ground for the use of sound in feature movies. After the Second World War and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.
