**Symbols of Change** Bennetta Jules-Rosette, 1981 Based on a four year longitudinal study of urban adaptation in Lusaka Zambia this book offers both a theoretical analysis and a case study of African urbanization as a social process The author's unique approach to this topic lies in her exploration of city life adjustment through the subjective perception of the new urbanites themselves The book contains the original interview material and numerous photos of the extensive fieldwork

Symbols of Change B. Jules-Rosette, 197? **Symbols of Change** Bennetta Jules-Rosette, 1981 Based on a four year longitudinal study of urban adaptation in Lusaka Zambia this book offers both a theoretical analysis and a case study of African urbanization as a social process The author's unique approach to this topic lies in her exploration of city life adjustment through the subjective perception of the new urbanites themselves The book contains the original interview material and numerous photos of the extensive fieldwork **Zambia** Marcia Burdette, 2021-12-12 This accessible case study offers a fully rounded picture of Zambia's course since independence chronicling the periods of boom and decline after the fall in the price of copper around the mid 1970s The author advocates an internally oriented economic strategy to retain industries and livelihoods and investigates the ability of the current leadership to achieve this Historical Dictionary of Zambia Bizeck Jube Phiri, Thokozile Shaba, 2023-08-15 Zambia is a nation with a long record of peace that has enjoyed decades of constitutional rule and even in recent years an increasingly competitive democracy Peace constitutionalism democracy and nationhood face constant challenges such as in the elections of 2006 when the ugly language of ethnic confrontation found renewed currency Moreover Zambia's economic record and prospects are less equivocal after over four decades per capita incomes are lower than they were at the dawn of independence Historical Dictionary of Zambia Fourth Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Zambia **Courtyards, Markets, City Streets** Kathleen Sheldon, 2018-03-08 Although women have long been active residents in African cities explorations of their contributions have been marginal This volume brings women into the center of the urban landscape using case studies to illustrate their contributions to family community work and political life The book begins with a rich introduction that discusses how women's work in trade and agriculture has been the foundation of African urbanization The contributors then focus on patterns of migration and urbanization with an emphasis on the personal and social issues that influence the decision to migrate from rural areas women's employment in varied activities from selling crafts to managing small businesses the sometimes unavoidable practice of prostitution when options are limited the emergence of complex new family formations deriving from access to courts and the continued strength of polygyny and women's participation in community and political activities The volume includes material from all regions of sub Saharan

Africa and brings together scholars from all the social sciences      **Urbanization Overspeed in Tropical Africa, 1970-2000** Guy Ankerl, Géza Ankerl, 1986 Contents State of urbanisation in 1980 State of agglomerations in 1980 Trends of urbanisations between 1970 2000 Trends in urban concentration and in the development of agglomerations between 1970 2000 Activities and urbanisation The underprivileged Underprivilege an elusive phenomenon The household in a transitional society Differentiating rural and urban underprivileged Measuring and monitoring the underprivileged s situation Societal indicators Indicators and the underprivileged in urban and rural areas Public services in urban and rural areas Housing Food supply Underemployment and the residual sector Elderly handicapped and children Women Rural urban migration policy goals and measures for deceleration and redirection Disincentives for migration Social problem solving by collective self help Social networks Effective solidarity ties Summary of policy recommendations      The Bush Burnt, the Stones Remain Thera Rasing, 2002 Interpretation of female initiation rites among Christian women in contemporary urban Zambia These rites are examined in the context of socio economic changes The emphasis is on ethnographic data gathered in the field      The Ethnomethodological Movement Pierce J. Flynn, 2011-06-01 No detailed description available for The Ethnomethodological Movement      **The African City** Bill Freund, 2007-03-05 Publisher description      African Feminism Gwendolyn Mikell, 2010-08-03 African feminism this landmark volume demonstrates differs radically from the Western forms of feminism with which we have become familiar since the 1960s African feminists are not by and large concerned with issues such as female control over reproduction or variation and choice within human sexuality nor with debates about essentialism the female body or the discourse of patriarchy The feminism that is slowly emerging in Africa is distinctly heterosexual pronatal and concerned with bread butter and power issues Contributors present case studies of ten African states demonstrating that as they fight for access to land for the right to own property for control of food distribution for living wages and safe working conditions for health care and for election reform African women are creating a powerful and specifically African feminism

Readings in African Popular Culture Karin Barber, 1997 This is an extraordinarily rich collection full of informative detail and excellent interpretative analysis There is not a single piece that fails to fascinate Leeds African Studies Bulletin an impressive collection of inspiring and thought provoking essays Media Development This is a book that should find its way into many syllabuses and onto the bookshelves of Africanist scholars in many disciplines Its publication marks a key turning point in scholarship on the cultures of contemporary Africa Africa Today This book surveys the popular culture of contemporary Africa including popular literature oral narrative and poetry dance drama music and visual art with special emphasis on the verbal arts The essays cover six main areas views of the field oral tradition revisited social history social criticism and interpretation women in popular culture little genres of everyday life the local and the global      *Body and Affect in the Intercultural Encounter* Devisch, Rene, 2017-01-17 The volume draws from Ren Devisch s encounters with groups in southsaharan Africa primarily The author had the privilege to immerse himself around the clock in the Yakaphones

activities and thoughts in southwest DR Congo from 1972 to 1974 and intermittently in Kinshasa's shanty towns from 1986 to 2003 The author first examines what sparked his choice to come to Congo and then to pursue research among the Yakaphones in the borderland with Angola He then invites us to follow the trajectory of his plural anthropological view on today's multicentric world It leads us to his praise for honorary doctor Jean Marc Ela's work He then examines the proletarian outbursts of violence that rocked Congo's major cities in 1991 and 1993 These can be read as a settling of scores with the disillusioning colonial and missionary modernisation along with president Mobutu's millenarian Popular Movement of the Revolution Furthermore after considering the morose reduction of a major Yaka dancing mask into a mere museum bound curio in Antwerp the book unravels the Yakaphones perspectives on spirits and sorcery's threat It also analyses their commitment to classical Bantu African healing cults along with their parallel consulting physicians and healers By sharing the Yakaphones life world the analysis highlights their body group world weave interlaced by the principle of co resonance A phenomenological and perspectivist look unfolds the local actors views thereby disclosing the Bantu African genius and setting for a major reversal of perspectives Indeed seeing here from there allows the author to uncover some alienating dynamics at work in his native Belgian Flemish speaking culture To better grasp the realm of life beyond the speakable and factual reasoning the approach occasionally turns to the later Lacan's focus on the unconscious desire the body and its affects The book addresses students and researchers in the humanities and more broadly all those immersed in the heat of the encounter with the culturally different

**Canciones populares y literatura de África Oriental** Aaron Louis Rosenberg, 2013 Este estudio es un replanteamiento de la relación entre canciones y literatura en África oriental Se examinan en términos comparativos las obras literarias y musicales de esta parte del continente con el fin de determinar y describir los caminos a partir de los cuales tales formas de la expresión creativa reflejan y transforman caminos prevalecientes y medios de formación de identidad de las personas cuyas vidas se extienden a través de varias fronteras y que desarrollan sentidos superculturales de sí mismos El autor se basa en una extensa investigación de campo así como en una multitud de entrevistas La lectura atenta de las canciones y la literatura hace de este libro un estudio convincente para estudiantes de música y literatura africanas y el análisis de las identidades africanas puede ser realmente para los estudiosos del nacionalismo tanto en África como en el mundo

**Boys to Men in the Shadow of AIDS** A. Simpson, 2009-04-26 This ethnography charts the lives of mission educated men in Zambia and their search for meaning in the AIDS pandemic as well as their responses to prevention and HIV testing It also suggests how hegemonic masculinities may begin to be re figured and gender relationships redesigned Transafrica Forum, 1986

**A Historical Introduction to the Study of New Religious Movements** W. Michael Ashcraft, 2018-02-02 The American public's perception of New Religious Movements NRMs as fundamentally harmful cults stems from the anticult movement of the 1970s which gave a sometimes hysterical and often distorted image of NRMs to the media At the same time academics pioneered a new field studying these same NRMs from

sociological and historical perspectives They offered an interpretation that ran counter to that of the anticult movement For these scholars in the new field of NRM studies NRMs were legitimate religions deserving of those freedoms granted to established religions Those scholars in NRM studies continued to evolve methods and theories to study NRMs This book tells their story Each chapter begins with a biography of a key person involved in studying NRMs The narrative unfolds chronologically beginning with late nineteenth and early twentieth century perceptions of religions alternative to the mainstream Then the focus shifts to those early efforts in the 1960s and 1970s to comprehend the growing phenomena of cults or NRMs using the tools of academic disciplines The book s midpoint is a chapter that looks closely at the scholarship of the anticult movement and from there moves forward in time to the present highlighting themes in the study of NRMs like violence gender and reflexive ethnography No other book has used the scholars of NRMs as the focus for a study in this way The material in this volume is therefore a fascinating viewpoint from which to explore the origins of this vibrant academic community as well as analyse the practice of Religious Studies more generally

**Distant Companions** Karen Tranberg Hansen, 2018-03-15 Distant Companions tells the fascinating story of the lives and times of domestic servants and their employers in Zambia from the beginning of white settlement during the colonial period until after independence Emphasizing the interactive nature of relationships of domination the book is useful for readers who seek to understand the dynamics of domestic service in a variety of settings In order to examine the servant employer relationship within the context of larger political and economic processes Karen Tranberg Hansen employs an unusual combination of methods including analysis of historical documents travelogues memoirs literature and life histories as well as anthropological fieldwork survey research and participant observation
