controversial *Neue Zeitschrift für Musik* but also a political activist the father of eight children and an addict of mind altering drugs Through hard work and determination bordering on the obsessive Schumann was able to control his demons and channel the tensions that seethed within him into music that mixes the popular and esoteric resulting in compositions that require the creative engagement of reader and listener The more we know about a composer the more we hear his personality in his music even if it is above all on the strength of his work that we love and admire him Martin Geck's book on Schumann is not just another rehashing of Schumann's life and works but an intelligent personal interpretation of the composer as a musical literary and cultural personality
