

Synagogues And Jewish Communities

Anthony Lerman

Synagogues And Jewish Communities:

Synagogues Without Jews Rivka Dorfman, Ben-Zion Dorfman, 2000 Through words and more than 300 exquisite photographs *Synagogues Without Jews* tells the engaging histories of over thirty Jewish communities across Europe that thrived before WWII Beautiful full colour photographs and architectural drawings bring back the past splendor of these synagogues and once again we can see why they were the pride and joy of their congregations *The Synagogues of Kentucky* Lee Shai Weissbach, 2014-07-11 Lee Shai Weissbach's innovative study sheds light on the functioning of smaller Jewish communities in a state representative of many in the Midwest and South The synagogue buildings of Kentucky tell much about the experience of Kentucky Jewry Synagogues especially in smaller towns have often served as the only setting available for a wide variety of communal activities Weissbach outlines the history of every congregation established in Kentucky and every house of worship that has served Kentucky Jewry over the last 150 years considering such issues as the financing of construction the selection of architects the way synagogue buildings reveal congregational attitudes and the way local synagogue design reflects national trends Eighty two photographs show every one of Kentucky's synagogues including buildings that are no longer standing or have been converted to other uses This pictorial record documents the variety distinctiveness and significance of these buildings as a part of the Commonwealth's architectural cultural and religious landscape [Recharging Judaism](#) Rabbi Judith Schindler, Judy Seldin-Cohen, 2017-12-04 *Recharging Judaism* is the essential and timely guide for every synagogue and community seeking to strengthen the bonds of Jewish communal life through advocating for social justice This volume delves into the enriching civic engagement and acts of righteousness already undertaken by Jews and Jewish communities across the country and further explores the positive differences we can all affect upon the future of America There are a myriad of ways in which advocating for social justice and participating in civic engagement can create lasting change Those inspired to affect such change will find new meaning in the texts and history of our tradition Using real examples from both small and large congregations across the country *Recharging Judaism* offers a framework to guide us through our journey of civic responsibility and social duty and into a brighter future for our country

[The Synagogue in America](#) Marc Lee Raphael, 2011 In 1789 when George Washington was elected the first president of the United States laymen from all six Jewish congregations in the new nation sent him congratulatory letters He replied to all six Thus after more than a century of Jewish life in colonial America the small communities of Jews present at the birth of the nation proudly announced their religious institutions to the country and were recognized by its new leader By this time the synagogue had become the most significant institution of American Jewish life a dominance that was not challenged until the twentieth century when other institutions such as Jewish community centers or Jewish philanthropic organizations claimed to be the hearts of their Jewish communities Concise yet comprehensive *The Synagogue in America* is the first history of this all important structure illuminating its changing role within the American Jewish community over the course of three centuries

From Atlanta and Des Moines to Los Angeles and New Orleans Marc Lee Raphael moves beyond the New York metropolitan area to examine Orthodox Reform Conservative and Reconstructionist synagogue life everywhere Using the records of approximately 125 Jewish congregations he traces the emergence of the synagogue in the United States from its first instances in the colonial period when each of the half dozen initial Jewish communities had just one synagogue each to its proliferation as the nation and the American Jewish community grew and diversified Encompassing architecture forms of worship rabbinic life fundraising creative liturgies and feminism *The Synagogue in America* is the go to history for understanding the synagogue's significance in American Jewish life *Recharging Judaism* Judith Schindler, Judy

Seldin-Cohen, 2017-11-15 *Recharging Judaism* is the essential and timely guide for every synagogue and community seeking to strengthen the bonds of Jewish communal life through advocating for social justice This volume delves into the enriching civic engagement and acts of righteousness already undertaken by Jews and Jewish communities across the country and further explores the positive differences we can all affect upon the future of America There are a myriad of ways in which advocating for social justice and participating in civic engagement can create lasting change Those inspired to affect such change will find new meaning in the texts and history of our tradition Using real examples from both small and large congregations across the country *Recharging Judaism* offers a framework to guide us through our journey of civic responsibility and social duty and into a brighter future for our country **Enduring Jewish Communities around the**

World Joshua N. Azriel, 2023-12-06 *Enduring Jewish Communities around the World* Models of Effective Communication employs an organizational communication perspective to examine how strong internal and external communications have helped Jewish communities survive globally in unlikely locations harsh circumstances and periods of violent antisemitism Drawing on in depth interviews with religious and community leaders of nine international Jewish communities Joshua Azriel contends that communication is a part of Judaism's core and a powerful informal tool that has been used over millennia by its followers to sustain their communities culture and religion Scholars of communication religion history and Jewish studies will find this book of particular interest *Strife in the Sanctuary* Phil Zuckerman, 2000-01-01 For more than forty years there

was a single synagogue in the quiet town of Williamette Oregon But then disagreements over gender roles homosexuality Israeli politics and other issues tore the synagogue in two Where there was once one Jewish community under one roof there are now two hostile congregations_ one Reconstructionist one Orthodox_ across the street from one another Through a year as a participant in both congregations and in depth interviews Zuckerman tells a mesmerizing story of this religious schism *Strife in the Sanctuary* then contemplates why religious groups split apart and how religious symbols come to mean different things to different groups The first book length study of a single congregation breaking in two *Strife in the Sanctuary* provides a welcome ethnographic study for sociologists of religion Plus its moving story makes it an excellent read for undergraduate classes or anyone interested in religious divisions *Jewish Community of Long Island* Rhoda Miller and the

Jewish Genealogy Society of Long Island ,2016 Jews have lived on Long Island since the Colonial era and had begun developing organized Jewish communities there by the late 1800s The earliest communities were in Lindenhurst where Congregatoin Neta Tzarschea incorporated a cemetery in 1876 Glen Cove where Congregation Tifereth Israel has operated since 1897 and Sag Harbor where Temple Adas Israel s original 1898 building still houses its congregation Other initial Jewish communities formed in Kings Park Patchogue Bay Shore and Greenport Despite periods of threat from the Ku Klux Klan the pro Nazi bund and social discrimination the Jewish community flourished in a variety of local businesses the military and politics After World War II Jewish communities expanded and developed as the region suburbanized Long Island became home to a multitude of synagogues Jewis day schools and local branches of national Jewish organizations The Jewish community continues to enrich the culture of Long Island over 100 years after its humble beginnings

Synagogues in a Time of Change Zachary I. Heller,2009-06-22 The synagogue remains a central institution in Jewish life as a place of study worship and assembly but each day brings word of a new challenging development within each of the larger movements to which synagogues belong Orthodox Conservative Reform and Reconstructionist Jewish religious communities today share a number of challenges from the increase in secular or unaffiliated Jews to emerging Jewish spiritual communities forming outside the synagogue There has never been a more compelling need for a wide ranging discussion of the diverse issues facing American Judaism Brought together by Zachary I Heller associate director of the National Center for Jewish Policy Studies and an editorial team which included Rabbis David Gordis Hayim Herring and Sanford Seltzer twenty of the leading Jewish thinkers rabbis scholars authors professors activists and experts in the study of the American synagogue have contributed to this comprehensive collection of essays Each writer brings unique expertise and perspective in describing the development of contemporary religious movements denominations in American Judaism their interrelationships and tensions and their prospects for the future Their combined voices create a timely discussion of the many urgent issues bearing down on American synagogues Contributors to Synagogues in a Time of Change take on the changing dynamics of synagogue life its organization into movements and the organic changes taking place that are causing those movements to lose their coherence and strength both internally and as an attractive force for seekers of Jewish religious tradition and expression They address the current fiscal issues that face the movement organizations and the broader questions of their future stability as well as their significance and continued relevance to individual congregations Ultimately the book is a catalyst for personal reflection and public discussion on the past present and future of the American synagogue The issues faced by Judaism in America are not unique to Jewish religious movements Many of the issues facing synagogues will be familiar to those of all faiths Indeed the book includes an essay by Rodney L Petersen of the Boston Theological Institute on denominationalism nondenominationalism and postdenominationalism in American Christian communities that helps us see these parallels Religious groups of all kinds will find reflections of common struggles that can provide a vehicle for

constructive conversations about their own pressing issues *The Jewish Community Under the Frankford El* Allen Meyers, Carl Nathans, 2003 In the late nineteenth century a wave of Jewish immigrants fled eastern Europe and settled in northeastern Philadelphia along the Delaware River in Kensington and its surrounding neighborhoods Separate from the German Jewish community of Philadelphia the new immigrants created new Jewish settlements that eventually gave way to permanent residences and businesses along Frankford Avenue Kensington Avenue Richmond Street Front Street Torresdale Avenue and beyond Synagogues bakeries delicatessens kosher butchers and other Jewish establishments flourished for several decades until the area began to decline in the 1960s as a result of the postindustrial era The Jewish Community under the Frankford El celebrates the history of this Jewish community and the contributions Jews made as merchants and citizens to this highly integrated section of Philadelphia **American Synagogues** Samuel Gruber, 2003 American Synagogues is the first book to explore the exceptional architecture of modern American synagogues in the twentieth century and this intriguing book relates the fascinating history of the Jewish people in America and how it is expressed in twentieth century synagogue design The book features all new photography of synagogues in many styles from a dozen states many never before published in any form The synagogues were designed by European masters the best known modern American architects and by important contemporary architects including Frank Lloyd Wright Philip Johnson and Minoru Yamasaki

Jewish Community Around North Broad Street Allen Meyers, 2002-07 The cradle of Jewish life in Philadelphia began with the establishment of the first synagogue Mikveh Israel in 1740 With the influx of many German Jews in the 1840s the community expanded above Spring Garden Street into the Northern Liberties neighborhood Urban settlement of Philadelphia's Jewish population during the last quarter of the nineteenth century shifted to North Broad Street when the economy improved for the city's residents after the Civil War North Broad Street soon boasted two elegantly designed synagogues and the newly relocated Jewish Hospital from West Philadelphia The Jewish Community around North Broad Street weaves the tale of the Jewish community in this part of Philadelphia through a collection of rare and stunning images The construction of the North Broad Street subway in the 1920s and the row house Jewish community known as Logan are parts of this story The development of business districts led to a more cohesive north and northwest Jewish community that allowed for satellite Jewish enclaves to flourish complete with their own synagogues bakeries kosher meat markets and hundreds of other shops that served the general population In the 1950s new neighborhoods such as Mount Airy and West Oak Lane alleviated an acute housing shortage at a time when 110 000 Jews lived in north central and northwest Philadelphia **The Jewish Community of Baltimore** Lauren R. Silberman, 2008 When Jews arrived in the mid 1700s Baltimore was little more than a backwater port with an uncertain future As the city grew so did its Jewish community forming its first congregation in 1830 and hiring the first ordained rabbi in America in 1840 Today Baltimore is home to one of the nation's largest and most diverse Jewish communities with approximately 100 000 Jews living in the metropolitan area Through photographs and

documents drawn primarily from the collection of the Jewish Museum of Maryland The Jewish Community of Baltimore chronicles this fascinating history More than 200 historic images portray the progress of Baltimore s Jews from a handful of immigrants starting new lives in a growing port city to an established network of clergy businesspeople educators philanthropists and civic leaders From the family owned delis on Lombard Street and the grand department stores on Howard Street to the majestic synagogues on Eutaw Place and the current epicenter of Jewish life on Park Heights Avenue Jews have left an indelible mark on Baltimore

Jewish Community of North Minneapolis Rhoda Lewin,2001-12-05 The stories of the Jewish community of North Minneapolis are an important part of the rich and diverse mosaic of North Minneapolis history By 1936 there were more than 16 000 Jew in Minneapolis and 70 percent of them lived on the North Side The Jewish Community of North Minneapolis presents an intriguing record of the earliest beginnings of Jewish communities in the city Through the medium of historic photographs this book captures the cultural economic political and social history of this community from the late 1800s to the present day The Jews in North Minneapolis enjoyed a busy social and cultural life with their landsmanschaften and shopped together at the kosher butcher shops and fish markets grocery stores and bakeries clothing stores barber shops restaurants and other small businesses that had sprung up along Sixth Avenue North and then Plymouth Avenue Including vintage images and tales of the community Hebrew schools synagogues and social groups this collection uncovers the challenges and triumphs of the Jewish community

Jewish Communities of the World Anthony Lerman,1989-06-18 This fourth edition attempts to provide an up to date and comprehensive guide to Jewish life and institutions in 98 national communities worldwide Entries include a brief historical outline and sections on legal status communal organizations religious life education and welfare

Jewish Communities in Asia Minor Paul R.

Trebilco,2006-11-02 The book provides an invaluable and coherent description of the life of Jewish communities in Asia Minor

Jewish Communities of the Five Towns and the Rockaways The Jewish Heritage Society of the Five Towns,2015-08-31 The Five Towns comprising the villages of Cedarhurst and Lawrence and the communities of Woodmere Hewlett and Inwood is an area nestled on the South Shore of Long Island next to the easternmost part of Queens known as Far Rockaway Originally popular as a Jewish summer vacation spot near the Atlantic Ocean the Five Towns and the Far Rockaway area grew to become a thriving year round Jewish metropolis with thousands of families and scores of synagogues and Jewish educational institutions A center for shopping and kosher restaurants the Five Towns area has become one of the most popular locations for young married Jewish couples Jewish influence has expanded greatly in local government and education The rich history of the early years of Jewish growth and development in the Five Towns and Rockaways lends a deeper understanding of this phenomenal change of demographics and influence that has occurred over the last few decades

The Jewish Community Around North Broad Street Allen Meyers,2002 The cradle of Jewish life in Philadelphia began with the establishment of the first synagogue Mikveh Israel in 1740 With the influx of many German Jews in the 1840s

the community expanded above Spring Garden Street into the Northern Liberties neighborhood Urban settlement of Philadelphia's Jewish population during the last quarter of the nineteenth century shifted to North Broad Street when the economy improved for the city's residents after the Civil War North Broad Street soon boasted two elegantly designed synagogues and the newly relocated Jewish Hospital from West Philadelphia The Jewish Community around North Broad Street weaves the tale of the Jewish community in this part of Philadelphia through a collection of rare and stunning images The construction of the North Broad Street subway in the 1920s and the row house Jewish community known as Logan are parts of this story The development of business districts led to a more cohesive north and northwest Jewish community that allowed for satellite Jewish enclaves to flourish complete with their own synagogues bakeries kosher meat markets and hundreds of other shops that served the general population In the 1950s new neighborhoods such as Mount Airy and West Oak Lane alleviated an acute housing shortage at a time when 110 000 Jews lived in north central and northwest Philadelphia

Tomorrow's Synagogue Today Hayim Herring, 2012-02-17 In the past decade many intelligent people who care deeply about synagogues have written about them So how is this book different from all other books Many books take the overall mission of the synagogue as a given and the recommendations around structure are really about incremental change Tomorrow's Synagogue Today stimulates the reader to unleash the power of synagogues to exponentially influence people's Jewish lives Herring offers creative scenarios to stretch the imagination about how more synagogues could become vibrant centers of Jewish life and how congregational leaders can begin to chart a new course toward achieving that goal Key to his vision are the ways synagogues can collaborate with other synagogues and other Jewish institutions in the local Jewish community and around the globe as well as with organizations outside of the Jewish community Herring also explores structural change that is occurring in the rabbinate as well as future roles rabbis may play and how rabbis might begin preparing for that future now He shares insights from twelve rabbis from across the country about new models of synagogue mission governance and organization He concludes with recommendations about the kinds of investments those who care about synagogues and the Jewish future need to make so that synagogues will remain a significant force in the Jewish community

Synagogues of Eastern Pennsylvania Julian H. Preisler, 2018 With the sixth largest Jewish population and the fourth oldest organized Jewish community in the United States Pennsylvania has hundreds of synagogues past and present and they come in all shapes sizes and styles Pennsylvania is unique with regard to the extensive number of locations that either have or once had functioning Jewish congregations and communities While the city of Philadelphia has a large number of synagogues both current and former synagogues were established in many of the cities and towns found along the industrial and mining routes of Eastern Pennsylvania Places such as Allentown Bethlehem Easton Hazleton Reading Wilkes Barre and Scranton among others each have a Jewish history all their own and many beautiful synagogues By presenting images of these many synagogues especially the ones that are no longer used for Jewish worship their history is documented

and the uniqueness and wealth of their architecture is shared for all This diversity of architecture reflects that very same diversity of the Jewish communities that settled throughout Pennsylvania and indeed the whole United States
