Synchronicity The Journeys Of Two Souls:

Synchronicity Vin D'Angelo, Vincent D'Angelo, 2001-08 Have you ever met a person and felt an immediate bond that you can't explain? Some people ascribe it to chemistry. Others speak of aura compatibility. Some say it's just wishful thinking. Synchronicity offers another explanation. It is a story of two souls eternally connected but forced apart lifetime after lifetime. It is a story about the endurance of spirit and the strength of love. Our bodies wear out but our spirits go on and they are forever connected in a family of spirits that transcends lifetimes. In each lifetime our family collects new members whom we never lose. And those closest to us remain nearby in whatever form they have chosen. Turtle Journey Cynthia, 2011-07-14 There are countless worlds beyond the one in which we work and love and live and breathe. These are worlds of spirit and they are woven throughout our lives linking us to each other and helping us understand ourselves if we know how to listen. Turtle Journey Synchronicity and the Universe author Cynthia's fresh compelling intimate novel traces a journey through the life of Stella who in this incarnation possesses a sacred spiritual consciousness that touches every moment of her physical life with glory but only if her heart is open to its song. Stella's family is a special one and she is born a special child. She soon realises not everyone shares her experiences but the universe brings her kindred souls whenever the need is clear. But then life takes over new cities work a husband a home a child and Stella one day notices that the spirits who stood by her side in childhood have faded away. She finds herself with a choice: continue on and let it fade or open herself once again to the Divine Plan to the unfathomably large universe of existence beyond our Earth. This to Stella is no choice at all. Stella's spiritual reawakening touches us all regardless of where we are on this mortal coil. When we grow and learn and weave our own sacred journeys we walk the path of our spirit guides who are with us always simply waiting for us to let them in. **Soul Journey through the Tarot** John Sandbach, 2023-11-14 Integrating numerology astrology Kabbalah and the contemplative life.
