Krismer, 2012-03-25 Few realize a New World Order plans to replace our constitution with a Single World Government nor that our Federal Reserve Bank is privately owned and is not subject to oversight by Congress or the President Its stockholders include the Rockefellers Goldman Sachs and Lehman Brothers of New York the Rothschilds of London and Berlin the Lazard Brothers of Paris Israel Seiff of Italy the Kuhn and the Warburgs of Hamburg and Amsterdam earning almost two billion dollars a day in interest as they buy off our dysfunctional Congress and intentionally level this great nation George H W Bush the undisputed Overlord of the Shrub Dynasty in his State of the Union Message in 1991 said What is at stake is more than one small country it is a big idea a new world order Did We the People ever agree to this treasonous act of turning over our nation's sovereignty to a Single World Government About the Author John R Krismer MHA LFACHE is founder and CEO of Health Systems Institute consulting with governments hospitals clinics and professional organizations He has conducted hundreds of educational institutes and served as a principal investigator researching the health record database system which involved four major universities He has served as CEO of several hospitals and corporations and as a board member of two health insurance companies He has been referred to as a visionary ahead of his time **Collected Prefaces** Nicholas Hagger, 2022-04-29 Nicholas Hagger's 55 books include innovative works on literature history philosophy and international politics In his first published literary work he revived the Preface which had

fallen into disuse after Wordsworth and Shelley He went on to write Prefaces sometimes called Prologues Introductions or Introductory Notes for all his subsequent books Collected Prefaces a collection of 55 Prefaces excluding the Preface to this book sets out his thinking and the reader can follow the development of his philosophy of Universalism of which he is the main exponent his literary approach particularly his combination of Romanticism and Classicism which he calls neo Baroque and his metaphysical thinking His Prefaces can be read as essays and as in T S Eliot s Selected Essays there is an interaction between adjacent Prefaces that brings an entirely new perspective to Hagger s works These Prefaces cover an enormous range Nicholas Hagger is a Renaissance man at home in many disciplines His Universalism focuses on humankind s relationship to the whole universe as reflected in seven key disciplines seen as wholes the whole of literature history philosophy and the sciences mysticism religion international politics and statecraft and world culture Behind all the Prefaces is Hagger s fundamental perception of the unity of the universe as the One and of humankind s position in it These Prefaces complement his Selected Letters a companion volume also published by O Books and contain startling insights that illumine and send readers to the works the Prefaces introduce

The Promised Land Nicholas Hagger,2023-09-27 During a visit to Jordan Nicholas Hagger stood on Mount Nebo where the prophet Moses stood and looked down on the Promised Land of Canaan that Moses saw shortly before he died It seemed as if all the kingdoms of the earth were spread out below him a new Promised Land a coming World State called for by Dante and Kant and more recently by Truman Einstein Churchill Eisenhower Gandhi Russell J F Kennedy and Gorbachev and Hagger himself in World State and World Constitution Combining travelogue and historical reflection Nicholas Hagger draws on previous visits to the Biblical Middle East and traces the development of his Universalism in his formative years and then in his wilderness years when like Moses he spent 40 years in the wilderness setting out Universalism in 60 books and arriving at its ten commandments He reflects on a remarkable life and its pattern and reaches some conclusions on the Providential nature of its direction and on the European civilisation Weaving together his wanderings in Arabia and Egypt his past travels and his writings he presents a coming democratic partly federal World State with sufficient authority to abolish war enforce disarmament combat famine disease and poverty and solve the world s financial environmental and virological problems and in a closing vision a coming Promised Land that like Moses he will not live to see This is a stunning work with a prophetic vision of the future

The Secret Founding of America Nicholas Hagger,2012-01-01 Discover for the first time the true story of the founding of America it s historical ties to Freemasonry and the battle for the New World in this authoritative and accessible new book

The Age of Neo-Imperialism Henry Dsouza,2014-12-16 The title is derived from a study of hotspots around the world from October 2013 In Africa the countries covered are South Africa South Sudan Tunisia Egypt and Palestine In the European arena the main focus is on Ukraine and the impact of two world powers on Eastern Europe President Obamas Speech to West Point recruits yields some ideas on foreign policy So does the document on US Africa commercial agreement for the future The book also

includes some discussion on the US's Pivot to Asia Together these policies point to what some visualize as a New World Order By 2010 a unipolar world has changed into a multi polar one which stresses the need to democratize international institutions for global stability My Double Life 2 Nicholas Hagger,2015-06-07 In My Double Life 1 Nicholas Hagger told of his four years service and double life as an undercover British intelligence agent during the Cold War there revealed for the first time Lost in a dark wood like Dante following his encounters with Gaddafi's Libya and the African liberation movements he found Reality on a Mystic Way of loss purgation and illumination perceived the universe as a unity and had 16 experiences of the metaphysical Light In My Double Life 2 he continues the story He received new powers coped with fresh ordeals acquired three schools renovated a historic house and had 76 further experiences of the metaphysical Light He founded a new philosophy of Universalism and new approaches to contemporary history international statecraft and world literature He produced nearly 1 500 poems over 300 classical odes five verse plays two poetic epics over a thousand short stories and 40 books that include innovative literary historical and philosophical works His vision of Universalism in seven disciplines is like a rainbow with seven bands overarching seven hills He produced nearly 1 500 poems over 300 classical odes five verse plays two poetic epics over a thousand short stories and 40 books that include innovative literary historical and philosophical works His vision of Universalism in seven disciplines is like a rainbow with seven bands overarching seven hills *Brazil, Land of the Past: The Ideological Roots of the New Right* Georg Wink,2021-12-01 *Brazil Land of the Past* scrutinizes the ideological roots of the so called New Right in Brazil The book traces the continuity and resilience of a system of thought based on the idea of a God given hierarchical order to be defended against any social contract and modernizing relativization It explains in detail how today a diverse movement which includes actors ranging from the authoritarian Bolsonaro wing to economic liberals to the military to both Catholic and evangelical religious conservatives assumes unanimously the ideas of this tradition as underlying premises of their political action Though not always explicitly this drives the self declared liberal conservative but rather anti modernist reaction which claims to liberate an imaginary authentic Brazil from an aberrant State and in so doing intends to preserve inherited privilege in an extremely unequal society **The Essentials of Universalism** Nicholas Hagger,2024-10-29 In *A Baroque Vision* Nicholas Hagger chose key passages from his verse that convey the thread of his Baroque vision In its companion volume *The Essentials of Universalism* he chooses key passages from his prose works that convey the thread of his Universalism which grew out of his Baroque perspective Hagger's literary mystical religious philosophical historical cultural and political Universalist writings are innovatory In 60 books he has set out a new approach to literature and identified its fundamental theme as a quest for the One an infinite Reality perceived as Light that alternates with condemnation of social follies and vices presented many mystics illuminations seen the Light as the common essence of all religions created a new philosophy of Universalism that restates the unity of the universe and challenges modern philosophy charted the history of the rise and fall of civilisations reconciled the divisions within world culture and proposed a

democratic World State with limited supranational power to abolish war and bring in a Golden Age of peace and prosperity

The Essentials of Universalism is a stunning anthology of his writings that covers all aspects of his thinking and range

Chosen by the author himself the excerpts include the most important passages in the Hagger canon and are representative of his vast output

Since the book was completed Hagger has brought out The Algorithm of Creation the first ever statement of a Theory of Everything and a further development of his Universalism

This anthology makes clear the main thrust of his life s work and is required reading for all interested in seeing how his many innovations connect

Welcome to Your Designer Planet! Richard Leviton,2007-09

We now live in the time of the Gaian hierophant

This is the one who reveals and shows us how to relate to the sacred aspects of Gaia our planet

Who is this hierophant

Each of us when we join the campaign with Gaia against the desecration of our natural environment

But first we have to discover what the Earth really is

The Earth s thousands of sacred sites hold a secret they are functional parts of the planet s geomantic body

consciousness nodes in the Earth s subtle body

Each veils a Light temple each once known widely and remembered in myth and

Welcome to Your Designer Planet documents 165 different kinds

The Earth is not an accident of the cosmos but was designed specifically for humans as an extended Mystery temple primed to support and enhance our greater awareness

And the designers intended that humans help maintain it

Want to help the ecosystem and modulate global warming and climate change

Plug yourself into the Earth s Light grid through your nearest sacred site and start helping Earth Mysteries researcher Richard Leviton presents a working model of the Earth s geomantic reality based on 24 years of research

The world s myths are the doorway into this fantastic domain of the Earth s visionary geography showing us where to go and what to do and even what kinds of spiritual beings to expect to see

The future of the Earth is in our hands

Here are some pages from its design manual showing us how to fine tune our wonderful host planet

The Secret History of the West Nicholas Hagger,2005

Western civilization as we know it today is not the end result of steady progress but of series of revolutions

The radical departure from orthodox history that Nicholas Hagger takes is to show how all these the Protestant Revolution which in turn provided the ideological foundations of the English American French and Russian have their roots in ideas and influences that have hitherto been unexpressed secret

poetry prizes **The Fall of the West** Nicholas Hagger, 2022-11-25 In *The Syndicate* 2004 Nicholas Hagger described how in the 20th century a Syndicate of litist mega rich families levelled down the leading Western countries by promoting revolutions wars and independence movements against their empires and planned a New World Order and world government that would control the earth's resources for their own benefit In *The Secret History of the West* 2005 he traced the Syndicate's roots back to secret Freemasonic organisations and revolutions that undermined the West from the Renaissance to the early 20th century In *The Fall of the West* 2022 the third book in his trilogy on the West Hagger updates the story to include the pandemic and describes how Syndicate driven 21st century events from the War on Terror to Covid have brought the Western financial system to the brink of collapse and shifted power from the West to the East and China In this first impartial attempt to assemble all the evidence to date for the origin of Covid like fitting together available pieces of a jigsaw to reveal the main picture Hagger the first to discover the Cultural Revolution in China in March 1966 finds that the three main features of Covid 19 were man made by American NIAID funded medics in 2002 and patented 73 times since 2008 and seem to have been surreptitiously used as a bio weapon in a Syndicate plan to limit the rise of China and its expanding trade A dangerous new Biological Age has been born and the West faces being levelled down and a sudden fall Hagger sees the post Covid West's dream of creating a good New World Order a vaccine protected democratic presidential part federal world government and World State with sufficient authority to abolish war and solve the world's post Covid problems as being challenged by the self interested Syndicate's levelling down and to survive it first has to go along with the Syndicate's plan for West and East to draw together into an authoritarian world government involving China and democratise later This is a thought provoking work with a prophetic vision of the future **Global Government Under the U.S. Constitution** J. A. Cook, 2007 The international political system built on a foundation of sovereign states has not effectively addressed age old quandaries of war crime poverty oppression corruption and environmental degradation Modern social and technological trends are further stressing this system to the breaking point *Global Government under the U S Constitution* examines this failing system and proposes an entirely new approach Instead of an international system built on sovereign nation states this work argues that federal democracy provides a better proven model for global governance While such an idea may linger from time to time in the background of thought it has never moved to the forefront because of the difficulty in imagining how it could be realized Now however this book thrusts forward a concrete method arguing that the U S Constitution establishes a sound system for large scale governance This federal democracy should naturally extend globally to address current international social problems It did so first among thirteen colonies and later across a continent and beyond *Global Government under the U S Constitution* also explains specific legal means to affect such an idea making it a fascinating read for officials academics leaders and students alike Book jacket **Technological, Managerial and Organizational Core Competencies: Dynamic Innovation and Sustainable Development** Nobre, Farley Simon, 2011-09-30 Innovation involves

a set of processes which support the production and transformation of knowledge into new processes technologies and products goods and services and provide an organization with particular strengths and value relative to other firms In such a view innovation is a key source of customer benefits and sustainable competitive advantage Technological Managerial and Organizational Core Competencies Dynamic Innovation and Sustainable Development investigates the impact of knowledge management information systems finance organizational networks internationalization strategic management marketing entrepreneurship and sustainability on an organization that pursues dynamic innovation and sustainable advantage This book provides research and practice for graduate and undergraduate programs as well as business firms with different technological managerial and organizational perspectives Further Description from the Editors This book represents the culmination of an international project to compile inter disciplinary research that most contributes to innovation More specifically this book is about innovation in firms industries nations and society It speaks to professionals and researchers who want to improve their understanding of dynamic innovation and sustainable development The Editors goal is to foster cross pollination among researchers To this aim the Editors have selected and assembled 35 chapters that illustrate multidisciplinary theoretical perspectives and empiric results on innovation and the roles of Sustainability Organizational Networks Entrepreneurship Knowledge Management R D T Research Development and Technology Management Marketing Finance Internationalization and Information Systems in the organization that pursues dynamic innovation and sustainable development Innovation involves processes organizational elements or resources and Organizational Abilities OA that support the production and transformation of knowledge into new knowledge processes structures technologies and products goods and services At the firm and industry levels of analysis innovation can provide organizations with strengths relative to other firms clusters and nations and it is a key source of customer benefits and sustainable development At the collective and societal levels of analysis innovation can provide humanity with economic social and environmental wealth through sustainable development The uniqueness of this book lies in the participants efforts to identify Organizations Creative Areas OCA that can provide core competencies for the organization in pursuit of dynamic innovation and sustainable development In this perspective innovation is a dynamic system and it is contingent upon a set of core competencies that couple to each other Therefore changing of even one competence can affect the organization s ability to innovate The book avoids the term competitive advantage and adopts a more fruitful perspective of sustainable development the process of achieving human development in an inclusive connected equitable prudent and secure manner An inclusive perspective sees traditional competitive advantage as occupying one extreme whereas truly sustainable development occupies the opposite extreme Sustainable development must benefit not only the organization and its customers but also the whole society and the future of humanity through sustainability Most chapters of this book fall between these extremes

The World Government

Nicholas Hagger, 2010-11-26 The dream of world government is becoming a reality A Universalist blueprint for a

philanthropic democratic supranational World State **Технологии "мягкой" силы на вооружении США: ответ России** А. Манойло, Г. Филимонов, О. Карпович, 2022-04-25 **AMERİKAN HEGEMONYASININ İNŞASI - Günümüz Uluslararası Düzeninin Siyasi ve Ekonomik Temelleri** Seyhan Sarıca Kelle, **Selected Letters** Nicholas Hagger, 2021-10-29

Nicholas Hagger's literary philosophical historical and political writings are innovative. He has set out a new approach to literature that combines Romantic and Classical outlooks in a substantial literary oeuvre of 2 000 poems including over 300 classical odes two poetic epics five verse plays three masques two travelogues and 1 200 stories. He has created a new philosophy of Universalism that focuses on the unity of the universe and humankind and the interconnectedness of all disciplines and challenges modern philosophy. He has presented an original historical view of the rise and fall of civilisations and proposed and detailed a limited democratic World State with the power to abolish war and solve all the world's problems. **Selected Letters** draws together those of his letters written over 60 years that aid the interpretation and elucidation of his works. Many of his correspondents are well known figures within literature philosophy history and international politics and Hagger is in the footsteps of Alexander Pope in editing his own letters which are in the tradition of Pope Wordsworth Keats T E Lawrence Ezra Pound and Ted Hughes one of his correspondents. They throw light on all aspects of Hagger's vast output and are required reading for all interested in following the growth of his Universalism his literary development and his innovative approach to universal truth. NICHOLAS HAGGER is a poet man of letters cultural historian and philosopher. He has lectured at universities in Iraq Libya and Japan where he was a Professor of English Literature. He has written 54 books. These include an immense literary offering most recently *King Charles the Wise and Visions of England* both also published by O Books and innovative works within history philosophy and international politics and statecraft. His archive of papers and manuscripts is held as a Special Collection in the Albert Sloman Library at the University of Essex. In 2016 he was awarded the Gusi Peace Prize for Literature and in 2019 the BRICS silver medal for Vision for Future.

Mining Africa Warikandwa, Tapiwa V., 2017-05-01. This book is a pacesetter in matters of mining and the environment in Africa from multidisciplinary and spatio temporal perspectives. The book approaches mining from the perspectives of law politics archaeology anthropology African studies geography human ecology sociology history economics and development. It interrogates mining and environment from the perspectives of customary law as well as from the perspectives of Euro modern laws. In this sense the book straddles precolonial colonial and postcolonial mining and environmental perspectives. In all this it maintains a Pan Africanist perspective that also speaks to contemporary debates on African Renaissance and to the unity of Africa. From scrutinising the lived realities of African miners who are often insensitively and unjustly addressed as illegal miners the book also interrogates transnational mining corporations matters of corporate social responsibility as well as matters of tax evasions by transnational corporations whose commitment to accountability to African governments is questioned. With both theoretical chapters and chapter based on empirical studies

on mining and the environment across the African continent the book provides a much needed holistic one stop shop for scholars activists researchers and policy makers who need a comprehensive treatise on African mining and the environment The book comes at the right time when matters of African mining and environment are increasingly coming to the fore in the light of discourses about the new 21st century scramble for African resources in which big transnational corporations and nations are jostling to suck Africa dry in their race to control planetary resources It is a book that speaks to contemporary broader issues of de coloniality and transformation of African minds and African environmental resources
