Synopsis Codification Of The Kitab I:

A Synopsis and Codification of the Kitáb-i-aqdas, the Most Holy Book of Bahá'u'lláh Bahá'u'lláh, 1973

Exploring the Kitáb-i-Aqdas Omid Ghaemmaghami, Shahin Vafai, 2025-01-23 The Kitáb-i-Aqdas is considered the most important and sacred text of the Bahá'í Faith, a religion with some eight million adherents found in nearly every country of the world. It sets out the laws, teachings, and institutions that shape and influence individual and collective life for members of the Bahá'í community. Despite the Kitáb-i-Aqdas's significance, it has not been extensively researched. Exploring the Kitáb-i-Aqdas: The Laws and Teachings of the Bahá'í Faith now offers a comprehensive academic study of the text. This important new publication explores and analyzes the significance and history of the Kitáb-i-Aqdas, its language, style, and translation, and its theological and spiritual foundations, including its conceptions of God, religion, and human beings. The book moreover examines the Kitáb-i-Aqdas's provisions for succession, interpretation, and administration within the Bahá'í religion, its devotional and other personal laws, its ordinances for promoting unity, its perspectives on justice and law, and its addresses to the world's political and religious leaders. Academically rigorous yet eminently clear and accessible, Exploring the Kitáb-i-Aqdas is an essential read for students of religion and Middle East studies.

The Baha'i Faith: Its History and Teachings William McElwee Miller, 1974 Its History and Teaching This book is a breath of fresh air. There are millions of adherents to the Bahá'í Faith. Mr. Miller provides insight and primary sources giving the reader information about the history of the Bahá'í Faith. Where the official and authorized Bahá'í histories are sanitized and revised, Mr. Miller, who lived for years in Iran and was fluent in Persian, provides access to the westerner into events occurring during the early years of this world religion. The reader learns about the initial prophetic voices of the Bab and Bahá'u'lláh and the followers that founded the Bahá'í Faith after their deaths. The author explains the transformational shifts and unbelievable history of the Bahá'í Faith. Why did the early writings appear to be creating a society or philosophy, and later suddenly the community was touted as a world religion? Why are there 7 Bahá'í sects? Each exodus occurring when internal power struggles resulted in a few achieving greater control. Why do Bahá'ís work so hard to control their memberships, contacts, and reading material? Why do Bahá'ís shun those who leave, considering anyone not fully supportive of the Bahá'í religion spiritual poison? After reading this book, it should be clear to the reader. Due to the historical accuracy of the book's facts and the author's position as a Protestant Missionary to an Islamic country, not all readers will be satisfied. Some will be offended, those most likely the adherents who don't want the truth to come to light. Some will be offended because the author was a Protestant Missionary. Nevertheless, any serious student of world religions will be grateful to have his contributions on record to the history of the Bahá'í Faith.

Equal Circles Peggy Caton,1987

Citizens of the World Margit Warburg,2018-08-14

Citizens of the World deals with the Baha is and their religion While covering the historical development in sufficient detail to

serve as a general monograph on Baha'i emphasis is laid on examining contemporary Baha'i with the Danish Baha'i community as a recurrent case. The book discusses Baha'i religious texts, rituals, economy, everyday life, demographic development, mission strategies, leadership, and international activism in analyses based on primary material such as interview studies among the Baha'is, fieldwork data from the Baha'i World Centre in Israel, and field trips around the world. The approach is a combination of history of religions and sociology of religion within a theoretical framework of religion and globalisation. Several general topics in the study of new religions are covered. The book contributes to the theoretical study of globalisation by proposing a new model for analysing globalisation and transnational religions.

History of the Baha'i Faith in South Carolina, A Louis Venters, 2019. The Bah Faith is increasingly acknowledged as South Carolina's second largest religion, part of the social fabric of the state. The earliest mentions of the distinctively interracial, theologically innovative faith community in the state date back to the Civil War. Black, white, and indigenous South Carolinians defied racial and religious prejudices to join the religion during the tumultuous civil rights era. From the visit of the first Bah teacher in 1910 to the Carolinian Pentecost of the 1970s and beyond, the faith has deep roots in the Palmetto State. Author and Bah historian Louis Venters provides for the first time an overview of the first century of the Bah Faith in a state with one of its strongest followings.

Varqá and Rúhu'lláh: 101 Stories of Bravery on the Move Boris Handal, 2020-06-03. This is the extraordinary story of a father and a son that arose in the 19th century to spread the Faith of Bah u ll h throughout Iran with indomitable strength and resilience. Varq, the father, a physician and a talented poet, and his gifted adolescent son R u ll h, both of penetrating spiritual insight, took the New Gospel with zeal and courage to a generation blind in the most dire fanaticism. Operating in the midst of a country sunk into corruption and bigotry, Varq and R u ll h were able to teach both the rich and the poor, the prince and the commoner, the scholar and the illiterate, the believer and the laic, in freedom or in prison. Their saga ended with their tragic martyrdom in the royal prison of Tehran in 1896, but it has continued to live like a legend, inspiring Bah's around the world to serve. Varq's legacy of service and consecration was continued by Val yu ll h, Varq and Dr Al Mu ammad, Varq's son and grandson respectively, all three of whom were designated as Hands of the Cause of God.
