into law But they also made mistakes and their strict regulations were met with determined opposition from local landowners who insisted that private property is private A Wild Idea is based on in depth interviews with five dozen insiders who are central to the story Their observations contain many surprising and shocking revelations This is a rich exciting narrative about state power and how it was imposed on rural residents It shows how the Adirondacks were saved and also why that campaign sparked a passionate rebellion      *The World's Great Classics: Ancient history, by G. Rawlinson ,1902*      *The World's Greatest Literature ,1902*
